I AM Bible Study Rose Publishing, 2021-08-03

In the Gospel of John, Jesus uses I Am statements that tell his listeners exactly who he is: the Bread of Life, the Light of the World, the Gate, the Good Shepherd, the Resurrection and the Life, the Way, the Truth and the Life, and the True Vine. Child Creativity and the Visual Arts: From Secessionist Vienna to Postwar America Megan Brandow-Faller, 2025-07-24

Tracing the dissemination of Secessionist ideas of child creativity from their origination in early 20th century Vienna through to their eventual commodification in postwar America, this book highlights the central role that visual art has played in child education and in nurturing creativity in elementary and preschool curricula. Taking the reader through the ideas of three artistic visionaries and their students, Franz Ci ek and Austrian American migr's Emmy Zweybr ck and Viktor L wenfeld, this book reveals how these ideas developed in postwar America through a focus on child-centered methods of learning by doing.

in artistic practice By centring the visual arts as a vital educational medium we see how these teachings have been popularized as a means of nurturing creativity in childhood Across three chapter length case studies interspersed with three mini chapters on the reception of each artist educator s radical teachings in the American education system Child Creativity and the Visual Arts provides new interpretations into the impact of these three luminaries differing philosophies on a broader program of socio political activism in the USA Drawing on previously untapped archival and primary source materials it blends deep material culture analysis with narrative elements to present a compelling account of the unrecognized influence of migr art pedagogy on progressive international art education In doing so it provides fresh transregional and thematic perspectives on early 1900s Vienna as a hotbed of creative and cultural experimentation and mecca of progressive art education
