Frederick James Currier,2018-08-01 As the descendant of early miners a grandfather who prospected for gold in the Fairbanks area in 1908 and a father who mined from the 1920s through the early 1940s my interest and fascination with Frederick Currier s manuscript was easily spiked Currier s quest for gold from 1893 into the 1900s was an admirable pursuit His account of prospecting ventures in 1898 on the Chena River near Fairbanks is spellbinding especially in his use of a sternwheeler and his building of cabins as he prospected toward the headwaters I have great admiration for the early gold prospectors like Frederick Currier since I have sunk a couple of shafts to bedrock with a windlass and know the effort and determination required The power of a few nuggets can change a person s direction in life Currier s An Alaskan Adventure is well worth reading more than once **Crying Angels** Sarah V. Tinsley,2018-10 Most of us can probably think of a spiritual

experience in our life that made a permanent profound impression God reveals His infinite love through our personal experiences Too often these stories of spiritual reality are never shared with others When I began praying for spiritual experiences when my parents were very ill I was blessed with a visit from crying angels The first story in my book Crying Angels inspired the title of my book I felt I should record and share my spiritual stories and the stories I had heard from others I realized that both the teller and the listener s faith in God increases when stories are shared Our sharing creates a ripple effect of numerous blessings My hope is that the stories in this book will bless your soul and will help you not miss any of the miracles God places before you Sarah V Tinsley **Yana Dictionary** Edward Sapir,Morris Swadesh,1960-01-01
