

The image is a photograph of a modern interior space, likely a living room or a large hall, with large glass windows and doors. The space is bright and airy, with natural light streaming in. In the center, there is a round table with a dark base and a light-colored top. Above the table, a large, ornate chandelier hangs from the ceiling. The ceiling has exposed wooden beams. The walls are made of large glass panes, some of which are reflecting the interior. The overall design is clean and minimalist.

Creating Home:

Creating a National Home Patrick J. Kelly, 1997 For tens of thousands of Union veterans Patrick Kelly argues the Civil War never ended Many Federal soldiers returned to civilian life battling the lifelong effects of combat wounds or wartime disease Looking to the federal government for shelter and medical assistance war disabled Union veterans found help at the National Home for Disabled Volunteer Soldiers Established by Congress only weeks prior to the Confederate surrender this network of federal institutions had assisted nearly 100 000 Union veterans by 1900 The National Home is the direct forebear of the Veterans Administration hospital system today the largest provider of health care in the United States Kelly places the origins of the National Home within the political culture of U S state formation *Creating a National Home* examines Congress's decision to build a federal network of soldiers homes Kelly explores the efforts of the Home's managers to glean support for this institution by drawing upon the reassuring language of domesticity and home He also describes the manner in which the creators of the National Homes used building design landscaping and tourism to integrate each branch into the cultural and economic life of surrounding communities and to promote a positive image of the U S state Drawing upon several fields of American history political cultural welfare gender *Creating a National Home* illustrates the lasting impact of war on U S state and society The building of the National Home marks the permanent expansion of social benefits offered to citizen veterans The creation of the National Home at once defined an entitled group and prepared the way for the later expansion of both the welfare and the warfare states

Creating the Artful Home Karen Zukowski, 2006 *Creating the Artful Home* the Aesthetic Movement and Its Influence on Home Decor covers the history of a movement that emphasized art for art's sake and the influence it had on home decor The Aesthetic Movement in America lasted just a few decades 1870 1900 and served mainly as a bridge between the high Victorian sensibility and the radical shift to the Arts Crafts style The movement germinated among artists who used opulent color decorative patterning and lavish materials simply for the aesthetic effects they could evoke It was commonly held that a home that expressed an artful harmonious soul would instill high aesthetic and moral merit in its inhabitants The Aesthetic Movement in America helped to popularize the idea that everyone should be able to enjoy beautiful well made homes and furnishings not just the very wealthy Artful homes could be composed from brilliant antique store finds discriminating department store purchases and gems hand made by the ladies of the house It was the moment when people embraced the idea that only a beautiful home could be a happy home Karen Zukowski delves into the movement's establishment evolution and main characters and shows how today's homes can incorporate Aesthetic principles Through

suggestion rather than statement sensuality massive use of symbols and synaesthetic effects that is correspondence between words colors and music How influential designers such as Clarence Cook and Charles Eastlake popularized the idea that beautiful homes with tasteful furnishings could be available to practically everyone How today s designers manufacturers and retailers deploy the very same stylistic markers of the Aesthetic Movement rich color layered pattern and texture mixtures of historical motifs
