Creating On Line Media

Douglas Schuler, Peter Day

Creating On Line Media:

Creating Online Media Carole Rich, 1999 Designed for courses in on line journalism this text emphasizes skill development from Internet searches to writing for on line media to Website design The text encourages the active use of the Internet through an innovative hands on approach *Interactivity and the Online Media Sphere in Nigeria* Joseph Wilson, 2019-01-15 In today s age of extraordinary technological development the mass media industry must constantly innovate and adopt emerging concepts to keep up with the demand of online visibility and prominence Interactivity is a distinguishing feature of the current online environment and is a necessity in maintaining relevance in digital media sphere The growing impact of new media technologies and the resulting pressure on mass media organizations to incorporate more audience involvement have made interactivity a particularly sought after phenomenon throughout the industry The prominence of online interactivity has resulted in anxiety throughout the mass media industry regarding the ways in which media organisations can engage with their audience and maintain a high level of traffic on their websites Attaining these heights largely depends on the quality and nature of interactivity on a given site This book provides insights into the interactivity basics of an ideal media website and highlights the nature of interactivity in the Nigerian online media sphere vis a vis the basics of interactivity *Making Online News* Chris A. Paterson, Chris Paterson, David Domingo, 2008 Volume 2 summary Online journalism has taken center stage in debates about the future of news Instead of speculating this volume offers rich empirical evidence about actual developments in online newsrooms The authors use ethnographic methodologies to provide a vivid close analysis of processes like newsroom integration the transition of newspaper and radio journalists to digital multimedia production the management of user generated content the coverage of electoral campaigns the pressure of marketing logics the relationship with bloggers or the redefinition of news genres Publisher description *Disinformation in Open Online Media* Mike Preuss, Agata Leszkiewicz, Jean-Christopher Boucher, Ofer Fridman, Lucas Stampe, 2024-08-30 This book constitutes the refereed proceedings of the 6th Multidisciplinary International Symposium on Disinformation in Open Online Media MISDOOM 2024 held in Münster Germany during September 24 2024 The 8 full papers presented in this book were carefully reviewed and selected from 15 submissions The symposium tries to integrate the scientific process of multiple communities and offers a proceeding publication track as well as the submission of presentation proposals as extended abstracts *Creating Chaos Online* Asta Zelenkauskaitė, 2022-10-10 With the prevalence of disinformation geared to instill doubt rather than clarity *Creating Chaos Online* unmask disinformation when it attempts to pass as deliberation in the public sphere and distorts the democratic processes Asta Zelenkauskaitė finds that repeated tropes justifying Russian trolling were found to circulate across not only all analyzed media platforms comments but also across two analyzed sociopolitical contexts suggesting the orchestrated efforts behind messaging Through a dystopian vision of publics that are expected to navigate in the sea of uncertain both authentic and orchestrated content pushed by human and nonhuman actors *Creating*

Chaos Online offers a concept of post publics The idea of post publics is reflected within the continuum of treatment of public counter public and anti public This book argues that affect instilled arguments used in public deliberation in times of uncertainty along with whataboutism constitute a playbook for chaos online *The Economic Policy of Online Media* Peter Ayolov,2023-05-05 This book explores the distortion of communication online centered around the theory that the economic policy model of online media is primarily based on the systematic manufacture of dissent Following the media criticism tradition of Habermas and Chomsky among others the book shows how anger can motivate news consumption as the principle of divide and rule in the online media of the 21st century is systematically applied The author posits that media addiction increases interest therefore deliberate distortion of facts and the manufacture of dissent provide the media with a larger audience and this becomes the business model This insightful volume will interest researchers scholars and students of media economics political economy of media digital media propaganda mass communication and media literacy

Social Media News Umang Marar, 2025-01-03 Social Media News Trends and Influence explores the growing role of social media as a major source of information. We emphasize the importance of accurate relevant and timely statistics for informed decision making at local national and global levels. Our book is designed to help budding journalists master the finer nuances of media writing. Social media's unique nature and diverse platforms present challenges in understanding its psychological impact. We include a collection of recent studies that focus on the effects of social media news and the framing of social issues. Authors of these studies used surveys experiments and content analysis to explore their research questions. Each chapter provides valuable insights into the evolving impact of social media information.

Creating On Line Media: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Creating On Line Media : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
