

TOLERANT PLANTS

Finding a plant to suit every situation in a house might sound impossible, so few do have the perfect environment. If we have a failures we tend to become discouraged. However there are dozens of plants which are happy in extreme conditions from hot and dark and humid and there are many easy plants which are not in the least bit fussy about where they live. Sort out your problem areas and you will find there are plants which will make most of them.

A low-growing, trailing plant, good for pots, groups of houseplants, conservatories, something ideally suited for almost every spot in a house.
