Families, the Environment, Sports and Competition David Cook Publishers, 2000-06 It s All in the Family The word family has a very different meaning today than it did not much more than ten years ago It used to be the family meant two parents and their children all living together often with the father being the provider and the mother the homemaker Today fewer children live in that kind of family No doubt in your class you have some kids who live in single parent homes or step families or at least one child who is living in an abusive situation In America today many millions of our children are experiencing great stress in the setting that God intended to be the source of love security and teaching about life Even children who live in two parent families are often anxious about the possibility of a divorce happening in their families and those who have experienced divorce or abuse struggle to cope with their situations This unit will address some of these issues giving your

students a safe place to talk about any concerns they may have about their families It will also present perspective by reassuring them that there are no perfect families and that they can enjoy living in their families when they learn that everyone has to work hard to make a family special You will also have an opportunity to share with them the privilege they have to belong to God's family and show them how they can respond to God's invitation to do so and **Funtastic Kid Crafts** Susan Parsons, Lois Keffer, 2002 Children's ministry can be fun and meaningful when you use these incredibly creative resources from Godprints The Most Creative Children's Ministry Resource Ever Every activity helps kids learn what God is like and how to become more like Him That's why we say these are Resources That Leave a Godprint *52 Games That Teach the Bible* Nancy Williamson, 2000 Kids will learn Bible facts and stories while they are having fun playing these 52 exciting games The book includes quiet and active games group games and games to be played alone For ages 4-12 64 pages

The Official Puppet Ministry Survival Guide

Susan Parsons,2002 I can do everything through him who gives me strength Philippians 4 13 Think it takes a professional actor to have a puppet ministry Think again This book gives you a step by step plan and tons of tips on using puppets to tell children all about Jesus while entertaining them at the same time

Puppets are a wonderful teaching tool They can be whatever you want them to be

Puppets can take on different personalities exhibit various character traits teach different lessons

Kids are drawn to puppets opening doors and establishing instant trust

Tell a conventional story to kids and watch as their eyes glaze over

Their short attention spans cause them to squirm and by the end they ve missed out on the whole point of the story

Use puppets to tell the story and suddenly every eye is on the stage

Your audience stays with you all the way through and weeks later you re still be hearing about the memorable things the puppets said and did just like kids act when they re talking about their favorite videos or TV shows

Everything you need to start a new puppet ministry or breath new life into an existing one is in this book

The author Susan Parsons relates many firsthand experiences she has had during her substantial career as a playwright and puppeteer

Learn about creative ways of making puppets from all sorts of unconventional things

Find out how to build a nifty professional looking stage out of PVC pipe lightweight easy to work with and affordable

Get pointers on writing and presenting skits on staging and lighting them on recruiting people to help you

Also the book contains puppet patterns and ready to present skits which you can use for practice or incorporate right into your ministry

After reading this book you won t just survive as a puppeteer you ll thrive

Product Update

It has come to our attention that page 59 of The Official Puppet Ministry Survival Guide contains an error in the instructions for constructing the PVC stage

This error will be corrected when the book is next reprinted

Our apologies for the mistake
