Creative Child Advocacy Global Perspectives:

Creative Child Advocacy Kumari V.,2004 This volume is a collection of original essays written by prominent child advocates law teachers social workers activists and professionals from across the globe The focus is not simply on describing challenging situations or the un met needs of children in specific countries but also to offer examples of positive solutions and successful initiatives on behalf of children and youth The projects described in the book are drawn from Asia India Pakistan and China Europe England and Poland North America the USA THE Middle East Israel and Africa Kenya

Creative Child Advocacy Ved Kumari,Susan L. Brooks,2004 **Creative Child Advocacy** Ved Kumari,Susan L. Brooks,2004-08-30 Combining global examples of cases with practical solutions this book will be of interest to anyone involved in child advocacy from judges to probation officers childRIGHT The greatest achievement of this book may be its inspiration to those also willing to swim against the tide as child advocates The authors are open about the practicalities of their work and the tensions they have experienced their personal accounts contain gripping narratives of real attempts to improve situations for children Adoption international child custody abduction juvenile delinquency child abuse and neglect and date violence among teenagers The innovative approaches proposed by the contributors to deal with these concerns include creating a child advocacy centre within a private firm litigation strategies and developing a handbook that explains courts processes to abused children **Juvenile Justice in Global Perspective** Franklin E. Zimring,Maximo Langer,David S. Tanenhaus,2015-07-24 Among developed nations the United States has one of the most extreme and harsh criminal justice systems in the world there is overwhelmingly more violence more punishment and more incarceration for both adults and juveniles here But while American scholars may have extensive knowledge about other justice systems around the world and how adults are treated juvenile justice systems and the plight of youth who break the law throughout the world is less often studied This important volume fills a large gap in the study of juvenile justice by providing an unprecedented comparison of criminal justice and juvenile justice systems across the world looking for points of comparison and policy variance that can lead to positive change in the United States **The Politics of the Personal in Feminist Family Therapy** Anne M. Prouty Lyness,2014-07-16 Address the issues vital for women and their families To be most effective family therapists need to understand precisely what policies are in place and how they influence families and their relationships The Politics of the Personal in Feminist Family Therapy International Examinations of Family Policy provides an interdisciplinary look at family public and social policies and the influence they have on families around the globeall from a feminist perspective Diverse international family policy experts discuss policies family therapists need to know covering gender ethnicity religion and age and the effects on women and their families As international family public policy shifts and changes women and their families lives are altered in substantial and very personal ways The Politics of the Personal in Feminist Family Therapy gives therapists a clear view of policies and diverse issues involving family policy family relationships and mental health The book

reveals the interaction between policy and practice interdependence as a principle of child and family policy ways to increase women's labor force participation without causing a fall in birth rates and intergenerational equity debates around the world Qualitative studies are presented detailing women's experiences of family policies effects on their lives including their resiliency in times of disruption and their viewpoints on life altering events that are used to disempower them Topics in The Politics of the Personal in Feminist Family Therapy include the interaction of British social policy with feminist practice supportive rather than punitive interventions in the lives of families an examination of the Organization for Economic Cooperation and Development's Babies and Bosses report evaluation of international family policies of elder care research into women's roles and the way they are shaped in areas of conflict research on Puerto Rican and Dominican women's perceptions of divorce The Politics of the Personal in Feminist Family Therapy is timely stimulating reading for psychotherapists family therapists psychologists social workers counselors feminists womanists sociologists educators and students in family studies women's studies gender studies and war studies and professionals in family policy and family law

The Global Clinical Movement Frank S. Bloch, 2011 Clinical legal education is playing an increasingly important role in educating lawyers worldwide In The Global Clinical Movement Educating Lawyers for Social Justice editor Frank S Bloch and contributors describe the central concepts goals and methods of clinical legal education from a global perspective with a particular emphasis on its social justice mission With chapters written by leading clinical legal educators from every region of the world The Global Clinical Movement demonstrates how the emerging global clinical movement can advance social justice through legal education Professor Bloch and the contributors also examine the influence of clinical legal education on the legal academy and the legal profession and chart the global clinical movement's future role in educating lawyers for social justice The Global Clinical Movement consists of three parts Part I describes clinical legal education programs from every region of the world and discusses those qualities that are unique to a particular country or region Part II discusses the various ways that clinical programs and the clinical methodology advance the cause of social justice around the world Part III analyzes the current state of the global clinical movement and sets out an agenda for the movement to advance social justice through socially relevant legal education Children Rights and Wellbeing in India Joseph A Gathia, Sanjay V.

Gathia, 2015-01-01 India has emerged as one of the fastest growing markets in the world But what does it mean to its children Of total estimated population in 2014 as 1 236 million nearly 28 5 % are below age of 14 years Despite such a huge child population in India the issues that affect their lives and even survival tend to receive remarkably little attention This study Children's Rights and Well being in India Law Policy and Practice Volume I II and III is one among the few to address this theme on such a wide canvas that spans both time frame and issues There has been a growing interest over the past decade in the concept of child's rights among policy makers practioners and academics in both India and internationally But does it mean the same thing to children and families as it does to policy makers How can it be measured And if it has begun

to impact on government policy has it made any difference to children's lives The three volume study Children's Rights and Well being in India provide an overview of key child development policies programmes laws trends and raises pertinent questions about their potential impact on children's rights The challenges of improving children's well being go beyond the provision of more effective public services important though these are The bigger questions are how can we create a society in which children are better valued and parents better supported in bringing up their children And what can be done to reduce inequalities which influence every aspect of children's well being This book makes use of a variety of sources of data including that of Govt of India the World Bank and UN agencies particularly the UNICEF and the ILO All the three volumes of Children's Rights and Well being in India are an essential text for all those who want to understand the crisis threatening our children's future

Re-understanding the Child's Right to Identity Ya'ir Ronen, 2016-10-05 Re-understanding the Child's Right to Identity On belonging Responsiveness and Hope by Ya'ir Ronen offers an innovative understanding of the right to identity aiming to transform its meaning and thus its protection Drawing on sources from different disciplines including law theology philosophy psychology and social work the author offers a vision of social and legal change in which law is a healing force In it policies and practice protect children's sense of belonging recognizing human interdependence They dignify children's disempowered narratives through their responsiveness protect children's need to be authentic beings and nourish the hope for change and growth in children at risk and their families

Sociological Bulletin Indian Sociological Society, 2005 *Law, Religion, Health and Healing in Africa* M. Christian Green, Faith Kabata, Fortune Sibanda, 2022-12-31 The Covid 19 pandemic was global in its spread and reach as well as in its medical social and economic effects In many respects the global effort to flatten the curve produced a flattening of experience around the world and a striking coincidence of similar experiences in countries the world over The identity simultaneity and uniformity of experience were also manifest in common concerns at the intersection of law and religion in many nations around the world including Africa The lockdowns and closure of religious worship centres churches mosques and religious organisations of all sorts raised questions of freedom of religion and the related concern for freedom of assembly along with concerns about the relation of religion to science and public health religious channels of

communication and religious provision of social services After all health communications and social services are all areas in which African religious organisations play key roles Potential tensions around these issues raised further considerations about the nature of religion state relations the status of religious authority and whether religious and state actors would work together or at odds in addressing the Covid 19 pandemic **International Perspectives on Contexts, Communities and Evaluated Innovative Practices** Rollande Deslandes,2009-06-10 Detailing practices that have proved effective alongside relevant case examples this book analyses contributions from diverse countries facing common challenges showing the way ahead for Family School Community Relations **Handbook of Children and the Media** Dorothy G. Singer,Jerome L. Singer,2012 Handbook of Children and the Media brings together the best known scholars from around the world to summarize the current scope of the research in this field **Indian National Bibliography** B.
