well as personal accounts Broken Dreams explores how the crises of middle aged men and women were shaped by increased life expectancy changing family structures shifting patterns of work and the rise of individualism **Righteous Republic** Ananya Vajpeyi,2012-10-31 What India s founders derived from Western political traditions is widely understood Less well known is how India s own rich knowledge traditions of 2 500 years influenced these men Vajpeyi furnishes this missing account showing how five founders turned to classical texts to fashion an original sense of Indian selfhood Bibliographic Guide to Psychology New York Public Library. Research Libraries,1997 *Mentor* Laurent A. Daloz,2012-09-13 With a new introduction and afterword this revised second edition is a practical engaging exploration of mentoring and its power to transform learning Filled with inspiring vignettes Mentor shows how anyone who teaches can become a successful mentor to students Topics covered include adult learning and development the search for meaning as a motive for learning education as a transformational journey how adults change and develop how learning changes the learner barriers and incentives to learning and growth and guiding adults through difficult transitions **Predictable Crises of Adult Life** Gail Sheehy,1976 The Hidden History of Coaching Leni Wildflower,2013-03-16 This book gives you the real story on who came before us and how we built on the learning to evolve coaching as an emerging profession It s interesting exciting and a little bit scary to see some of the antics that brought us here Yet the honesty and openness within this book and the commentary by the writer demonstrates the values and beliefs we hold as coaches It brings clarity to the past and it strengthens the framework for what s possible as we continue forward Diane Brennan MBA MCC Past President International Coach Federation 2008 Leni Wildflower s book provides an answer to the question What are the roots of coaching This answer contributes to addressing the follow up questions What are the theoretical underpinnings of coaching and How can the underlying theories shape my practice as a coach If you are looking for the answer to any of these questions read this book David Megginson Emeritus Professor of HRD Sheffield Business School UK This book is unique It offers readers both an inside perspective about the names who have made coaching and a critical analysis of the ideas theories and concepts which have shaped coaching as the leading personal development strategy for the 21st century Leni s clear writing style offers the reader a ring side seat for this journey through the history of coaching Professor Jonathan Passmore Evora University Coaching s greatest strengths and its greatest weaknesses lie in its emergence in different guises with different philosophies within a short space of time In classic Darwinian fashion it has grown rapidly but its mongrel origins make it almost impossible to pin down Hence the continuing problem of conducting meaningful empirical research when what you try to measure is constantly morphing Leni Wildflower has pulled together many of these threads to weave a tapestry of the evolution of coaching theory and practice Wisely she seeks to describe rather than evaluate and in doing so has produced a volume that will be of immense value in coach training David Clutterbuck David Clutterbuck Partnership UK As coaches we need to know where our core ideas come from Furnished with such knowledge we have access to a much more flexible toolkit and are in a better position

to judge where and when to call on one technique rather than another Many of the psychological theories and therapies and the social and spiritual movements out of which coaching has evolved remain relatively unknown and unacknowledged They constitute our Hidden History This immensely readable book fills a serious gap in our understanding of the origins of coaching It is unique in tracking not just the tangled roots of contemporary coaching practice but also in giving insights into the founders and developers of these earlier approaches to human development quirky individuals and brilliant theorists many with flaws and foibles and heroic personal stories Fascinating in themselves these narratives contribute to a richer understanding of our shared principles

Jung's Shadow Concept Christopher Perry, Rupert Tower, 2023-05-05 This insightful volume is designed as a series of invitations towards living attentiveness examining how we all make the other through projection blaming and shaming the other outside ourselves our enemy with whom we prefer not to dialogue All of us are faced daily with individual and collective manifestations of the Shadow all that we fear despise and makes us feel ashamed Carl Jung's concept of the Shadow emerging as it did from his personal confrontation with the realms of his unconscious self is one of the most important contributions he made to the understanding of humanity and to depth psychology that realm where the focus is on unconscious processes The contributors to this book reframe his concept in the context of contemporary Jungian thinking exploring how the Shadow develops in an individual's infancy and adolescence and its culmination where collective manifestations of the Shadow are addressed The book offers a voyage through a series of fundamental Shadow concepts and themes including couples relationships disease organizations Evil fundamentalism ecology and boundary violation before ending with a chapter designed to help us integrate the Shadow and hold contra positions with patience and a tilt towards mutual understanding rather than being locked in polarities This fascinating new book will be of considerable interest to the general public Jungian analysts trainees scholars and therapists both in training and practice with an interest in the inner world

Shame and Creativity Vibeke Skov, 2017-08-23 Shame and Creativity From Affect Towards Individuation is about shame and the ways in which we can use creative methods to transform shame into a lifelong process of self development Using a Jungian understanding of the personal and collective unconscious shame is described as a key affect in relation to self worth and quality of life The book is divided into three parts Part One is about shame based on affect theory Jungian psychology and psychological creativity Part Two discusses shame in relation to seven primary affects introducing the Blue Diamante model to describe how shame is often hidden behind other affects and suggesting that all affects must be involved in processing shame Part Three identifies the steps in the Blue Diamante model with the ancient myth of Inanna's descent to the underworld it discusses the development of the original self behind shame and presents a new model for transforming the relationship between the masculine and feminine aspects of the psyche together with art therapy methods The originality of Shame and Creativity lies in its combination of affect theory Jungian psychology and a creative methodology It aims to inspire clinicians to recognize shame and to work more directly with shame as it appears in

therapy The book will be of great interest to art therapists and students of art therapy It will also appeal to all readers interested in creativity shame Jungian analysis and affect theory **The Permaculture Activist** ,2004 **Backbone** David H. Wagner,2016-10-18 A practical step by step guide to help men know themselves deeply root out weaknesses enhance strengths and upgrade their experience of life So many self help books encourage men to get in touch with their feminine side if they truly want to embrace change This book blows this theory out of the water enabling men to transform themselves entirely to find their mission to live a life of strength wisdom and honor while working with their positive masculinity instead of against it Straight talking down to earth and humorous life coach David Wagner addresses the challenges that modern men typically face He asks the reader to join him in a series of profound self examination exercises and questions covering life purpose male identity spirituality self limitation sexuality relationships fatherhood and more Every chapter offers practical advice and also includes observations and examples from David s own life as well as insights gained from the many clients and men s groups he has worked with over the years Combining no nonsense wisdom with brutally honest exercises Backbone is the ultimate man s handbook to understanding himself his purpose his passion and his power The Survival Papers Daryl Sharp,1988 Lost your mate your energy peace of mind Welcome to midlife crisis Jung s basis concepts persona shadow anima animus complexes projection and typology come alive as one man s plight is dramatically portrayed with humor compassion and ruthless clarity Our Sunday Visitor's Family Guide to Movies and Videos Our Sunday Visitor, inc,United States Catholic Conference,1999 This giant reference is the only book that tells you whether a movie is really healthy to watch for a Catholic family Includes both MPAA and USCC ratings plus plot descriptions and reviews from a Christian perspective
