Dilemmas Gilbert Ryle,1985 *Dilemma... Ifs & Buts of Life* Rajesh Sood,2020-11-25 Dilemma is a difficult situation in which you have to choose among two or more alternatives This book is about the relevant solutions provided for dilemmas and problems of various persons This will help people to learn more effectively to cope with their problems and crises

theoretical and a practical appeal deriving from our need for ways of making decisions that do not force us to find trade offs between goods or values which are hard to compare The strategies presented in the book are meant to be usable in situations which seem to force decision makers to balance very different quantities and the discussion of them is meant as a contribution to debates about incomparable values moral dilemmas and rational decision *Dilemmas* Gilbert Ryle,1975
