Driven By The Spirit:

Driven By The Spirit t. salzer,2018-02-05 When we think of ourselves as children of God we tend to imagine ourselves as small children dependent and trusting A better analogy would be to think of ourselves as adolescents Anyone who has raised a child to adulthood can understand the dilemma of wanting our children to become independent successful members of society but realizing as they make their way in the world they will make mistakes They will get hurt God did not create us as robots programmed for total obedience He knows that we will make poor choices as we grow We will face trials and we will at times question His love for us Just as the parent of an adolescent God wants us to come to Him for advice consolation and love He wants us to remember all He has taught us all He has done for us and how much He loves us He wants our love and devotion in spite of the hardships we face or successes we achieve When I think about those who don t believe they need God in their lives it brings to mind the lonely widow who sits in her home day after day hoping for the moment when her child will call or come to see her Some never will How sad is that *The Fire-baptism of All Flesh, Or, The Coming Spiritual Crisis of the Dispensation* Samuel Borton Brown,1882 **The Spiritual Life of the Sunday School** John Wilbur Chapman,1899 *The Work and the Person of the Holy Spirit* Riaan Engelbrecht,2023-01-27 This is an in depth study into the Holy Spirit who is not a mere force He is not energy The Holy Spirit is a person and part of the Trinity along with the Father and the Son God is Sovereign and just so God wills and moves according to His will Just so the Spirit of the Lord moves and acts never out of His own accord but always follows the leading of the Father So the Spirit is interdependent as there is a mutual dependency within the Trinity The work of the Spirit is far greater in scope than merely the spiritual gifts for the Spirit of the Lord leads us in our calling on the narrow path to the glory of the Lord It is of utmost necessity for the Church to be one that is utterly and completely Spirit filled and not led by the flesh For only in the Spirit can we fulfil the Great Commission be true disciples and walk in His truth His way and His life [Text-Driven Preaching](#) Daniel L. Wo-Man Ron Blackman, 2024-07-25 Astounding revelations from a simple story of a woman a man Jesus a well 3 cities and a rich man Written from the perspectives of the dimensions of which God and man are comprised Spirit Soul and Body this simple story reveals the complexity of what s hidden in plain sight when observed from these 3 perspectives These approaches may cause you to observe life and your own through new eyes Not only were there spiritual observations but Jesus used this text to address Mental Health Religion Financial and Social and Political ideologies then and now The Word Bible is God s inspired Word made flesh and so it is too subject to Spirit Soul and Body in its analysis and interpretation It informs how we show up in the world and drives how we interact with it if we choose to do so at all I hope that you re intrigued to experience what s hidden beneath the innocuous layers in this unassuming chapter of John 4 You ll be pleasantly surprised and delighted You should have this in your library and you ll want to share with friends and family **Spirit Teachings** William Stainton Moses, 1898 Spirit Teachings by William Stainton Moses first published in 1898 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it *Most Evil Is Done by Good People Who Do Not Know That They Are Not Good* Ferd L. Wagner, 2010-05 This book takes the view that Christian truth is the basis for all answers to social issues and that there are not two opposing but equal answers within Christian truth that are equally valid and equally acceptable to God Any so called truth or right that circumvents or undercuts the required sacrifices disciplines and self denial demanded by God in any given social or moral issue ceases to be truth ceases to be right the moment it becomes a force unto itself outside of or independent of the Scripturally required obedience Human history has shown over the millennia that when the letter and spirit of God s laws are not obeyed the truth is abused nations become confused and people are used Many of our political and social issues are rooted in our misplaced belief that tolerance inclusion equal respect for unequal truth and live and let live is the way to greater peace and prosperity They are all wrong Each individual government and nation is judged by their response to Christ The Christian nation or one which ascribes to being one is tasked to set the Christian standard as every nation s point of reference It is the Christian s duty to show that the valid rule of God s law the letter of God s law and the spirit of God s law are superior to any other alternative standard The biggest obstacle to Christianity today is the undisciplined misinformed and unfaithful lifestyles of professing Christians The Church has become so indoctrinated in its aversion to any form of discrimination that it has placed a higher priority on keeping the peace by compromising than by keeping the truth by discriminating By accepting a false peace and rejecting a hard truth that resists compromise it begets neither peace nor truth *Characteristics in Action* Jackie Vuong, Characteristics in
