Driving the Heart and Other Stories James Brown, Jason Brown, 2000-01-01      *Patterns of the Heart and Other Stories* Ch'oe Myŏngik, 2024-04-09 Korean writer Ch'oe Myŏngik was a lifelong resident of Pyongyang a city his short stories masterfully evoke in exquisite modernist prose His career spanned decades of tumult from his debut in the 1930s while Korea was under Japanese colonial rule through the Asia Pacific and Korean Wars and the early years of the Democratic People's Republic As Pyongyang transformed from Korea's second city peripheral to the Seoul centered literary scene into a socialist capital in the late 1940s Ch'oe briefly ascended to the center of North Korean culture Despite the vitality and originality of Ch'oe's writing Cold War politics and censorship including South Korea's anticommunist laws consigned his work to obscurity *Patterns of the Heart and Other Stories* presents a selection of Ch'oe's short fiction in translation including later works from hard to find North Korean publications These cinematic keenly observed tales explore Pyongyang in meticulous detail depicting the city's transformations and the conflicts between old and new They pay close attention to the lives of the disaffected and the marginalized a drifter confronts a former revolutionary dying of opium addiction a sex worker is trafficked across the border aboard a train amid the indifference of her fellow passengers Later stories provide a striking glimpse of the Korean War the occupation of Pyongyang U.S. fighter jets bombing civilian refugees guerrilla heroics from a North Korean perspective Hidden treasures of world literature these stories offer new perspectives on Korea's turbulent twentieth century across political divides still in place today      **Driving the Heart** Jason Brown, 1999-04 A stunningly elegant and highly original debut collection of stories at once dark and poignant funny and bleak Brown plumbs the hearts and minds of characters trying to make sense of their lives      A Study Guide for Jason Brown's "Animal Stories" Gale, Cengage Learning, 2016-07-14 A Study Guide for Jason Brown's *Animal Stories* excerpted from Gale's acclaimed *Short Stories for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Short Stories for Students* for all of your research needs      **Short Story Index**, 2004      **Stories to Warm Your Heart and Make You Smile** Putz Ballard, 2010-03-18 We all have been blessed with having a God-given memory and in this volume I have opened up the stored memories of my youth Some are tales that have been shared with me but most are simple stories about me and my family and are snippets from my life There is humor and sadness contained in these stories some of which are very short and have a deeper meaning and application It is my hope those who read will sense how special life and the memories held dear to our hearts will be a source of comfort and joy Written simply in a folksy way it is with great joy I share with all who will read      **Une Vie, Or, The History Of A Heart; And Other Stories** Guy de Maupassant, 2025-08-31 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      You Are My Heart

and Other Stories Jay Neugeboren, 2011-05-17 Jay Neugeboren's *You Are My Heart* is an object lesson in imaginative empathy and observational intelligence. His fiction for years now has had the courage to be quiet and careful and comprehensively humane but it's in no way slight. One of his great subjects has been the damage that even the most caring and thoughtful can inflict and though these stories take place all over the world they're at heart about the difference between the America to which we aspire and the America in which we live. Jim Shepard. Jay Neugeboren is an award-winning short story writer who has been applauded as one of the most distinguished writers of our time. With this his fourth collection of short stories he returns to the form that earned him the reputation as a master storyteller. From the secluded villages in the south of France to the cattle crawl in the Valley of a Thousand Hills in South Africa to the hard knock adolescent streets of Brooklyn Neugeboren examines the great mysteries and complexities that unsettle and comprise human relationships. In works that are as memorable engrossing and exciting as they are gorgeously crafted Neugeboren delivers on his reputation as one of our pre-eminent American writers. Jay Neugeboren is the author of seventeen books including two prize-winning novels *The Stolen Jew* *Before My Life Began* two award-winning books of nonfiction *Imagining Robert* *Transforming Madness* and three collections of award-winning stories. His stories have appeared in *The Atlantic* *Esquire* *Virginia Quarterly Review* *Best American Short Stories* *The O. Henry Prize Stories* and *Penguin Modern Stories*. He is the only author to have won six consecutive Syndicated Fiction Prizes. He lives in New York City. Heart Songs and Other Stories Annie Proulx, 2007-12-01 Before she wrote the bestselling *Brokeback Mountain* Annie Proulx was already producing some of the finest short fiction in the country. Here are her collected stories including two new works never before anthologized. These stories reverberate with rural tradition the rites of nature and the rituals of small town life. The country is blue collar New England the characters are native families and the dispossessed working class whose heritage is challenged by the neorural bourgeoisie from the city and the themes are as elemental as the landscape revenge malice greed passion. Told with skill and profundity and crafted by a master storyteller these are lean tough tales of an extraordinary place and its people. **Heart of Darkness and Other Stories** Joseph Conrad, 1995 Generally regarded as the pre-eminent work of Conrad's shorter fiction *Heart of Darkness* is a chilling tale of horror which as the author intended is capable of many interpretations. *More Stories to Touch the Heart* Russ Lawson, 2008-02-01 This book is full of stories some true happenings some just good stories. Each of these short devotional lessons are a sermon unto themselves. I have had preachers write and tell me that they use them as sermon starters or for devotional lessons. Mostly they are written with the hopes that they will touch something in your heart and help you in your daily walk with Christ. *Boston Noir 2* Dennis Lehane, Mary Cotton, Jaime Clarke, 2012 In keeping with the tradition of the *Noir* series *Boston Noir 2* is made up of the works of several celebrated authors whose work is tied together by a common setting. After the massive success of the first *Boston Noir* bestselling author Dennis Lehane is back as curator for another anthology of crime stories set in Boston. The *Boston Noir 2* collection features reprints of the classic chilling short

stories and novel excerpts that brought the world of noir to its knees Contributors include Pulitzer winners Joyce Carol Oates and John Updike The Company with the Heart of Gold, and Other Stories Stuart Cloete,1973 *Heart wins, and the Australian aunt, by mrs.
