Beautiful Bodies Laura Shaine Cunningham, 2010-05-11 Manhattan the coldest night of the year six best friends rush to attend a celebration Blown by wind and snow the women arrive flushed each caught in midadventure Tonight's the night of nights to rejoice in a new lover leave an unfaithful husband or decide to have a baby on one's own These six in the city professional women fight for their female choices Sparks and zingers fly across the table Love lives secrets and friendships go up in candle flame Who will win the romantics or the realists How can working women triumph in such trying times While the cell phones chime and the biological clocks rewind the friends enact a timeless ceremony Here is our urban friends as family generation Beautiful Bodies is a dazzling comedy of manners in the grand tradition of Dorothy Parker and Mary McCarthy

Stellified! C. Amaranth, 2022-12-07 A sunrise of pink purple splendor A blanketed forest of snow A loving embrace soft

and tender The crunch of our footfalls below I surrender to sweet grey November A dazzling crystalline glow I have danced over frozen pond waters And swam across cold winter skies Preceded by Pleione s daughters And their angst for my glorious rise I will forge my own fate and my fortune Where the stars shine my name in their eyes But our wonderland world of perfection Erupts with the sound of a choir Peaceful silence now met with objection And seven strong voices inquire Self reflection demands a correction Will you repent or will you face the FIRE I m in love with you You re in love with me Stars align and they agree This is our destiny I will not live minimal or diminished I ll give my all and I ll fall when I m finished My heart shall inspire and lift others higher Our beauty will be sanctified In meteor showers and fields of starflowers My love and my life Stellified *Drop Dead Gorgeous* ,2009 *Drop Dead Gorgeous* Patricia Rosemoor,2002 **It's Not About the Sex** **My Ass** Steve Cuno,Joanne Hanks,2012 A former polygamist member of The True and Living Church of Jesus Christ of Saints of the Last Days tells her story of life as a polygamist *The Golden Seashell Necklace* William J. Smith,2017-08-19 A new family has moved into the quiet sleepy town of Springdale New York There one of the residents Susan Smith and her daughter Carol Anne go to meet the family and there little Carol Anne meets Samantha Johnson and they fast become friends but Samantha has a secret she s a mermaid and so are her parents They have come to live amongst us thanks to these golden seashell necklaces One day Carol Anne tries one on and becomes a mermaid Then a Dr Benjamin Langdon finds out about her and wants to use her for experiments so he can win a Nobel Prize in Science and Carol Anne must go live with Samantha and her parents as a mermaid to get out of the evil clutches of Dr Langdon *Different Shades Of Love...* Jaya Mishra,2020-12-13 I never expected myself to become a writer neither I was an avid reader But one thing that triggered me to write this book was my disposition towards sexuality when I was in the first year of my graduation So I decided to explore more about this unexplored arena unaware of the fact that I was entering the grey shade that existed in the world centuries ago but hardly people talked about it Even now too most people avoid talking about sexuality Well the more I probed into this the deeper I dived into it I came across many factors that I thought to put into words and let the world know about the darker side of this arena called sexuality So what now you are holding in your hand is something not filled with several colors but it definitely has some shades And I urge you not to judge the characters without keeping yourself in their shoes This book will take you to the world which you might have heard about it but have not observed it yet Remember Love is love and it needs not any validation about your attributes or your professed sexuality *Who K'new!* Kimberly L. Morgan-Dade,2009-06-25 The book is about a young woman who grew up in a small town and is trying to explain to this generation that the players have changed but the game remains the same What they are going through now their parents went through the same thing and so did their grandparents Life takes us in a big old circle and when you comeback to the beginning where you started hopefully you have learned something through the experiences that you have had so when it is time to startcompleting your circle the rest of your life with the person you started the circle withorwith someone

new You should have learned through life's experiences and the rest of the circle should be completed with joy and happiness
