Drop Into Hell

Ezekiel Hopkins

Drop Into Hell:

The Whole Works of John Bunyan John Bunyan,1865 *Solomon's Temple Spiritualized: Or, Gospel Light Fetched Out of the Temple at Jerusalem, to Let Us More Easily Into the Glory of New Testament Truths* John Bunyan,1805 *A Practical Discourse concerning a Future Judgment ... A new edition corrected* William Sherlock,1776 *The Curse Removed* Dan Salter,2021-08-18 The atonement is the central doctrine of our Christian faith Today s most popular model penal substitution presumes Jesus took on the guilt of sins to pay for them with his death But that courtroom scenario lacking justice and open armed forgiveness is riddled with questions of how guilt is transferred and why punishing another for a crime is just The recent revival of Christus Victor and mimetic atonement theories may properly deny the Father to Son wrath of penal substitution but they too fall short in explaining the transference of the victory of Jesus s atonement to the sinner who needs rescue Addressing these problems Dan Salter s biblically faithful recast of a redemptive atonement highlights both our human physical essence and our spiritual identity as the beneficiaries of God s restoration True justice and forgiveness can occur only with *The Curse Removed*

American Terror Paul Hurh,2015-06-09 If America is a nation founded upon Enlightenment ideals then why are so many of its most celebrated pieces of literature so dark American Terror returns to the question of American literature s distinctive tone of terror through a close study of three authors Jonathan Edwards Edgar Allan Poe and Herman Melville who not only wrote works of terror but who defended theorized and championed it Combining updated historical perspectives with close reading Paul Hurh shows how these authors developed terror as a special literary affect informed by the way the concept of thinking becomes in the wake of Enlightenment empiricism increasingly defined by a set of austere mechanic processes such as the scientific method and the algebraic functions of analytical logic Rather than trying to find a feeling that would transcend thinking by subtending reason to emotion these writers found in terror the feeling of thinking the peculiar feeling of reason s authority over emotional schemes In so doing they grappled with a shared set of enduring questions What is the difference between thinking and feeling Why does it seem impossible to reason oneself out of an irrational fear And what becomes of the freedom of the will when we discover that affects can push it around
