Drowning Little Fireflies:

Drowning Little Fireflies Rick Lawley,2002-08-01 **Music Box** Moan Lisa,2014-06-08 These are poems of love and despair death and the afterlife rejection and acceptance they hinge on my anxieties after experiencing some recent nightmares This volume contains some of the deepest love poems I ve written as yet Is it Ana? Moan Lisa,2014-06-08 A discourse on love hate religion sexuality and much more these are poems set in darkness and with the pain of depression as well as lighter feelings of love **Courting Morrow Little** Laura Frantz,2010-07-01 Morrow Little is haunted by the memory of the day her family was torn apart by raiding Shawnee warriors Now that she is nearly a grown woman and her father is ailing she must make difficult choices about the future Several men ranging from the undesired to the unthinkable vie for her attentions but she finds herself inexplicably drawn to a forbidden love that both terrifies and intrigues her Can she betray the memory of her lost loved ones and garner suspicion from her friends by pursuing a life with him Or should she seal her own misery by marrying a man she doesn t love This sweeping tale of romance and forgiveness will envelop readers as it takes them from a Kentucky fort through the vast wilderness to the west in search of true love *Shadow of the Firefly* M S Khokhar,2016-11-28 Shadow of the Firefly is an abstract depiction of M S Khokhar s challenges as a young brain haemorrhage survivor and the ensuing journey that comes to define his life Finding himself lost alone and disoriented he has to rapidly learn how to manage his newly acquired disability and reinterpret everything that he previously took for granted to make sense of what has happened The journey takes him to foreign lands and seemingly primitive places where he encounters a host of fellow travellers With the help and camaraderie of his new companions a sense of confidence starts to develop generating a new sense of purpose to help and assist his new friends in their cause A cause which instinctively becomes his own The path gradually congeals before him leading towards the ultimate goal and into the midst of a seemingly blissful state But before he can react his new utopia inexplicably begins to fall apart One safe haven remains an unexpected bastion of calm and balance that leads him into a familiar space and the light of the fireflies But with the world disintegrating outside confusion abounds once more Except for one thing Another presence Something that was lost to him Something that meant the world to him And now it has returned to remind him of the significance of his fantastic journey allowing him to emerge from its shadow and accept his new reality For anyone who feels lost that the world is against them and whatever they do nothing quite seems to go according to plan Shadow of the Firefly is an example of how by adopting a different perspective and daring to venture beyond the self imposed boundaries of the modern world it can all be seen to have a deeper more satisfying purpose *Anne of Windy Poplars* L. Firefly Rain Richard Dansky, 2010-04-06 When Jacob left home for a new life he pretty much forgot all about Maryfield North Carolina But Maryfield never forgot him Or forgave him After a failed business venture in Boston Jacob Logan comes back to the small Southern town of his childhood and takes up residence in the isolated house he grew up in Here the air is still The nights are black And his parents are buried close by It should feel like home but something is terribly wrong Jacob loses all his belongings in a highway accident His car is stolen from his driveway yet he never hears a sound The townspeople seem guarded and suspicious And Carl the property caretaker with so many secrets is unnervingly accommodating Then there are the fireflies that light the night skies and die as they come near Jacob's home If it weren't for the creaking sounds after dark or the feeling that he is being watched Jacob would feel so alone He shouldn't worry He's not And whatever's with him isn't going to let him leave home ever again
