Drug User Documents 18401960:

Edgework Stephen Lyng, 2005 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company

Cocaine Paul Gootenberg, 2002-01-04 Cocaine examines the rise and fall of this notorious substance from its legitimate use by scientists and medics in the nineteenth century to the international prohibitionist regimes and drug gangs of today Themes explored include Amsterdam s complex cocaine culture the manufacture sale and control of cocaine in the United States Japan and the Southeast Asian cocaine industry export of cocaine prohibitions to Peru sex drugs and race in early modern London Cocaine unveils new primary sources and covert social cultural and political transformations to shed light on cocaine s hidden history On Drugs David Lenson, Jeff Land, 1999-03-01 It has been more than twenty years since President Nixon declared the War on Drugs In On Drugs David Lenson delivers a scathing indictment of this war as an effort based like all attempts to eradicate getting high on an incomplete understanding of human nature From lotus eaters to hippies to crackheads he contends history has shown the state s inability to legislate the bloodstreams of its citizens Lenson ventures beyond conventional genres to view the drug debate from the largely forgotten perspective of those who use drugs In successfully walking the fine line between the antidrug hysteria of the 1980s and an advocacy of drug use Lenson shatters the ban on debate regarding drugs enforced in the Just Say No campaign and reveals the myriad ways straight society demonizes the drug user After considering several specific issues associated with drug use including sex violence and money Lenson concludes with his vision of the end of the Drug War by questioning the sense in condemning millions of Americans to lives of concealment and deceit **Drug War Heresies** Robert J. MacCoun, Peter Reuter, 2001-08-27 This book provides the first multidisciplinary and nonpartisan analysis of how the United States should decide on the legal status of cocaine heroin and marijuana It draws on data about the experiences of Western European nations with less punitive drug policies as well as new analyses of America s experience with legal cocaine and heroin a century ago and of America s efforts to regulate gambling prostitution alcohol and cigarettes It offers projections on the likely consequences of a number of different legalization regimes and shows that the choice about how to regulate drugs involves complicated tradeoffs among goals and conflict among social groups The book presents a sophisticated discussion of how society should deal with the uncertainty about the consequences of legal change Finally it explains in terms of individual attitudes toward risk why it is so difficult to accomplish substantial reform of drug policy in America Andean Cocaine Paul Gootenberg, 2009-06-01 Illuminating a hidden and fascinating chapter in the history of globalization Paul Gootenberg chronicles the rise of one of the most spectacular and now illegal Latin American exports cocaine Gootenberg traces cocaine s history from its origins as a medical commodity in the nineteenth century to its repression during the early twentieth century and its dramatic reemergence as an illicit good after World War II Connecting the story of the drug s transformations is a host of people products and processes Sigmund Freud Coca Cola and Pablo Escobar all make appearances exemplifying the global influences that have shaped the

history of cocaine But Gootenberg decenters the familiar story to uncover the roles played by hitherto obscure but vital Andean actors as well for example the Peruvian pharmacist who developed the techniques for refining cocaine on an industrial scale and the creators of the original drug smuggling networks that decades later would be taken over by Colombian traffickers Andean Cocaine proves indispensable to understanding one of the most vexing social dilemmas of the late twentieth century Americas the American cocaine epidemic of the 1980s and in its wake the seemingly endless U S drug war in the Andes

Victorian Medicine and Popular Culture Louise Penner,2015-07-28 This collection of essays explores the rise of scientific medicine and its impact on Victorian popular culture Chapters include an examination of Dickens s involvement with hospital funding concerns over milk purity and the theatrical portrayal of drug addiction plus a whole section devoted to medicine in crime fiction

Clinical Topics in Addiction Ed Day,2007-10 Ed Day brings together 23 papers from the Royal College of Psychiatrist s popular journal *Advances in Psychiatric Treatment* which have been updated to give systematic authoritative and well referenced accounts of key clinical topics relating to substance misuse

The Drug User John Strausbaugh,Donald Blaise,1991

Pleasures and Pains Milligan,2012-11-07 Use front of jacket for front paperback cover Back paperback cover camera ready copy on sheet 1 Paperback title page and copyright page included to substitute for cloth edition pages Please call Mark Saunders at 434 924 6064 if questions arise

Generation Ecstasy Simon Reynolds,2013-06-19 Traces the continuum of hardcore that runs from the most machinized forms of house music through British and European rave styles like bleep and bass breakbeat house Belgian hardcore jungle gabba speed garage and big beat

The Making of Addiction Louise Foxcroft,2016-03-03 What does drug addiction mean to us What did it mean to others in the past And how are these meanings connected In modern society the idea of drug addiction is a given and commonly understood concept yet this was not always the case in the past This book uncovers the original influences that shaped the creation and the various interpretations of addiction as a disease and of addiction to opiates in particular It delves into the treatments regimes and prejudices that surrounded the condition a newly emerging pathological entity and a form of moral insanity during the nineteenth century The source material for this book is rich and surprising Letters and diaries provide the most moving material detailing personal struggles with addiction and the trials of those who cared and despaired Confessions of shame deceit misery and terror sit alongside those of deep sensual pleasure visionary manifestations and blissful freedom from care The reader can follow the lifelong opium careers of literary figures artists and politicians glimpse a raw underworld of hidden drug use or see the bleakness of urban and rural poverty alleviated by daily doses of opium Delving into diaries letters and confessions this book exposes the medical case histories and the physician s mad lazy commercial contemptuous desperate altruistic and frustrated attempts to deal with drug addiction It demonstrates that many of the stigmatising prejudices arose from false facts and semi mythical beliefs and thus has significant implications not only for the history of addiction but also for how we view the condition today

Substance and Shadow Stephen R.

Kandall,1996 This work uncovers the history of women and addiction in America and how dependent women have been treated The author is critical of doctors who have often been quick to prescribe narcotics to female patients **Noise, Water, Meat** Douglas Kahn,2001-08-24 An examination of the role of sound in twentieth century arts This interdisciplinary history and theory of sound in the arts reads the twentieth century by listening to it to the emphatic and exceptional sounds of modernism and those on the cusp of postmodernism recorded sound noise silence the fluid sounds of immersion and dripping and the meat voices of viruses screams and bestial cries Focusing on Europe in the first half of the century and the United States in the postwar years Douglas Kahn explores aural activities in literature music visual arts theater and film Placing aurality at the center of the history of the arts he revisits key artistic questions listening to the sounds that drown out the politics and poetics that generated them Artists discussed include Antonin Artaud George Brecht William Burroughs John Cage Sergei Eisenstein Fluxus Allan Kaprow Michael McClure Yoko Ono Jackson Pollock Luigi Russolo and Dziga Vertov

Turn Off Your Mind Gary Lachman,2011 How did a decade that dawned with the Age of Aquarius end in Altamont and the Manson Family bloodbath The 1960s were a time of revolution political social psychedelic sexual But there was another revolution that many historians forget the rise of a powerful current that permeated pop culture and has been a central influence on it ever since It was a magical revolution a revival of the occult Previously rejected and ridiculed beliefs took centre stage reaching the Beatles and the Rolling Stones saturating the the hippies and flower power hitting the big screen with Rosemary s Baby and the bookshelves with Lord of the Rings The Tarot I Ching astrology Kabbala yogis witchcraft UFOs Aleister Crowley Yin Yang and the Tibetan Book of the Dead now became the common currency they are today But the vibes went bad the auras darkened Did that darker undercurrent win out Gary Lachman here charts this explosion its rise and fall and its enduring legacy This text refers to an out of print or unavailable edition of this title **Bob Dylan** Jeffrey Edward Green,2024 In Bob Dylan Prophet Without God Jeffrey Edward Green defends the idea of Bob Dylan as a modern day prophet albeit a prophet of an unprecedented type Placing Dylan into conversation with a wide array of intellectual figures Green argues that Dylan is not a prophet of salvation but rather a prophet without God Dylan speaks to the ideals that have animated earlier prophets but breaks from past tradition by testifying to the conflicts between these ideals leading him to make novel contributions to the meaning of self reliance the quest for rapprochement between the religious and non religious and the problem of how ordinary people might operate in a fallen political world Can't Find My Way Home Martin Torgoff,2004-05-13 Can t Find My Way Home is a history of illicit drug use in America in the second half of the twentieth century and a personal journey through the drug experience It s the remarkable story of how America got high the epic tale of how the American Century transformed into the Great Stoned Age Martin Torgoff begins with the avant garde worlds of bebop jazz and the emerging Beat writers who embraced the consciousness altering properties of marijuana and other underground drugs These musicians and writers midwived the age of marijuana in the 1960s even as Timothy Leary and

Richard Alpert later Ram Dass discovered the power of LSD ushering in the psychedelic era While President John Kennedy proclaimed a New Frontier and NASA journeyed to the moon millions of young Americans began discovering their own new frontiers on a voyage to inner space What had been the province of a fringe avant garde only a decade earlier became a mass movement that affected and altered mainstream America And so America sped through the century dropping acid and eating magic mushrooms at home shooting heroin and ingesting amphetamines in Vietnam snorting cocaine in the disco era smoking crack cocaine in the devastated inner cities of the 1980s discovering MDMA Ecstasy in the rave culture of the 1990s Can t Find My Way Home tells this extraordinary story by weaving together first person accounts and historical background into a narrative vast in scope yet rich in intimate detail Among those who describe their experiments with consciousness are Allen Ginsberg Timothy Leary Robert Stone Wavy Gravy Grace Slick Oliver Stone Peter Coyote David Crosby and many others from Haight Ashbury to Studio 54 to housing projects and rave warehouses But Can t Find My Way Home does not neglect the recovery movement the war on drugs and the ongoing debate over drug policy And even as Martin Torgoff tells the story of his own addiction and recovery he neither romanticizes nor demonizes drugs If he finds them less dangerous than the moral crusaders say they are he also finds them less benign than advocates insist Illegal drugs changed the cultural landscape of America and they continue to shape our country with enormous consequences This ambitious fascinating book is the story of how that happened

Culture on drugs Dave Boothroyd,2013-07-19 Never has a reconsideration of the place of drugs in our culture been more urgent than it is today Culture on drugs addresses themes such as the nature of consciousness language and the body alienation selfhood the image and virtuality and the nature culture dyad and everyday life It then explores how these are expressed in the work of key figures such as Freud Benjamin Sartre Derrida Foucault and Deleuze arguing that the ideas and concepts by which modernity has attained its measure of self understanding are themselves in various ways the products of encounters with drugs and their effects In each case the reader is directed to the points at which drugs figure in the formulations of high theory and it is revealed how such thinking is never itself a drug free zone Consequently there is no ground on which to distinguish culture from drug culture in the first place Culture on drugs offers a novel approach and introduction to cultural theory for newcomers to the subject simultaneously presenting an original thesis concerning the articulation of modern thought by drugs and drug culture

The Road of Excess Marcus Boon,2005-03-15 From the antiquity of Homer to yesterday s Naked Lunch writers have found inspiration and readers have lost themselves in a world of the imagination tinged and oftentimes transformed by drugs The age old association of literature and drugs receives its first comprehensive treatment in this far reaching work

The Neuropsychiatric Complications of Stimulant Abuse ,2015-06-05 This well established international series examines major areas of basic and clinical research within neuroscience as well as emerging and promising subfields This volume concentrates on the neuropsychiatric complications of stimulant abuse Brings together cutting edge research on the neuropsychiatric

complications of stimulant abuse Emerging topics stimulants amphetamines legal highs designer drugs neuropsychiatric complications **Blank Fictions** James Annesley, 1998 In this challenging book the author identifies the principle features of this new genre and interprets them as responses to modern society

Uncover the mysteries within is enigmatic creation, Discover the Intrigue in **Drug User Documents 18401960** . This downloadable ebook, shrouded in suspense, is available in a PDF format (PDF Size: *). Dive into a world of uncertainty and anticipation. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Drug User Documents 18401960 full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Drug User Documents 18401960 eBooks, including some popular titles.

FAQs About Drug User Documents 18401960 Books

What is a Drug User Documents 18401960 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to

view or print it. **How do I create a Drug User Documents 18401960 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Drug User Documents 18401960 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Drug User Documents 18401960 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Drug User Documents 18401960 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
