Drug Wars The Final Battle Rescuing America From Drug Violence:

The Fight to Save Juárez Ricardo C. Ainslie, 2013-04-01 A deeply reported razor sharp up close account of the Great Drug War Absolutely courageous in its fairness and search for answers William Booth Washington Post Bureau Chief for Mexico Central America and the Caribbean The city of Ju rez is ground zero for the drug war that is raging across Mexico and has claimed close to 60 000 lives since 2007 Almost a quarter of the federal forces that former President Felipe Calder n deployed in the war were sent to Ju rez and nearly twenty percent of the country s drug related executions have taken place in the city a city that can be as unforgiving as the hardest places on earth It is here that the Mexican government came to turn the tide Whatever happens in Ju rez will have lasting repercussions for both Mexico and the United States Ricardo Ainslie went to Ju rez to try to understand what was taking place behind the headlines of cartel executions and other acts of horrific brutality In *The Fight to Save Ju rez* he takes us into the heart of Mexico s bloodiest city through the lives of four people who experienced the drug war from very different perspectives Mayor Jos Reyes Ferriz a mid level cartel player s mistress a human rights activist and a photojournalist Ainslie also interviewed top Mexican government strategists including members of Calder n s security cabinet as well as individuals within US law enforcement The dual perspective of life on the ground in the drug war and the big picture views of officials who are responsible for the war s strategy creates a powerful intimate portrait of an embattled city its people and the efforts to rescue Ju rez from the abyss **Subject Guide to Books in Print**, 1991

Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 Drug Wars Don E. Miller, 1994-06-01 Drug violence cannot be stopped by locking up our drug addicted criminals Many keep using drugs in jail Some first become addicted in jail Nobody does anything about their drug problem in or out of jail There is proof that substance abuse fuels almost all crimes violence When criminals stop drugs they stop their violence crime America is the world s only industrialized nation which tries to solve its social problems with jails Education all other services have been cut to the bone to pay for more jails The solution is to get our drug violent criminals off drugs The failsafe plan for the final battle in the drug wars is presented in complete detail in this book We can guarantee sobriety for a small fraction of the money that we now spend to lock up these addicts The Sober Forever program outlined in this book must be implemented immediately before it is too late Speranza Productions 815 Third Ave Suite 307 Chula Vista CA 91911 1399 619 422 1905 Write or call for discount schedule
