Drugs Crime And Politics:

Handbook of Organised Crime and Politics Felia Allum, Stan Gilmour, 2019 This multidisciplinary Handbook examines the interactions that develop between organised crime groups and politics across the globe This exciting original collection highlights the difficulties involved in researching such relationships and shines a new light on how they evolve to become pervasive and destructive This new Handbook brings together a unique group of international academics from sociology criminology political science anthropology European and international studies

The Politics of Controlling Organized Crime in Greater China Sonny Shiu-Hing Lo, 2015-12-14 In China the central government has the political will to control organized crime which is seen as a national security threat The crux of the problem is how to control local governments that have demonstrated lax enforcement without sufficient regulation from the provincial governments The development of prostitution underground gambling and narcotics production has become so serious that the central government has to rely on anti crime campaigns to combat these three evils This book explores the specific role of government institutions and agencies notably the police in controlling organised and cross border crime in Greater China Drawing heavily on original empirical data it compares the both the states of the People s Republic of China and Taiwan as well as city states Hong Kong and Macao This region has become increasingly economically integrated and human interactions have been enhanced through improved trade relations tourism and increased individual freedom The book argues that the regime capacity of crime control across Greater China has been expanded through regional and international police cooperation as well as anti crime campaigns It suggests that a strong central state in China is necessary to rein in the local states and to prevent the risk of deteriorating into a political criminal nexus Focusing on regime capacity in crime control regime autonomy from crime groups and regime legitimacy in the fight against organized crime this thought provoking book will be of great interest to students and scholars of Chinese politics and criminology more broadly

Drug Politics David C. Jordan, 2016-01-22 The growing and manufacturing of drugs is at the core of the international drug trade but there is much more to the drug problem than that The trade is protected culturally and politically throughout the world Indeed the financial scientific social and political impact of the drug culture threatens democratic stability and the international political environment Book jacket

Criminal Politics and Botched Development in Contemporary Latin America Andreas E. Feldmann, Juan Pablo Luna, 2023-08-10 This Element investigates the relationship between the narcotics industry and politics and assesses how it influences domestic political dynamics including economic development prospects in Latin America It argues that links between criminal organizations politicians and state agents give rise to criminal politics i e the interrelated activity of politicians organized crime actors and state agents in pursuing their respective agendas and goals Criminal politics is upending how countries function politically and consequently impacting the prospects and nature of their social and economic development The Element claims that diverse manifestations of criminal politics arise depending on how different

phases of drug trafficking activity e g production trafficking and money laundering interact with countries distinct politico institutional endowments The argument is probed through the systematic examination of four cases that have received scant attention in the specialized literature Chile Paraguay Peru and Uruguay

The Political Roots of Racial Tracking in American Criminal Justice Nina M. Moore,2015-01-26 This book examines the role of the public and policy makers in enabling the race problem in the American criminal justice system

Noncoercive Threats to Academic, Political, and Economic Freedom Akeel Bilgrami,Jonathan R. Cole,2025-12-02 States and institutions in both conventionally authoritarian and formally democratic societies overtly circumscribe freedom in any number of ways Yet there are also subtler forms by which authorities and cultural forces compromise the choices of individuals in ways that do not seem at first glance to be coercive This book brings together a distinguished set of scholars to examine covert constraints on academic political and economic freedom from a variety of angles developing surprising and timely new insights Ranging across philosophy economics law health science art and the media luminaries from different fields expose threats to freedom within avowedly liberal and democratic institutions and cultures Their incisive essays both analytical and historical emphasize how economic inequality academic orthodoxy media control racism and gender roles undermine the potential for human flourishing By considering such multifarious noncoercive threats they illuminate the vexed notion of freedom Lively and learned this book offers a provocative and urgent understanding of the often unacknowledged forces that restrict our choices Contributors include David Bromwich Eric Foner Robert Gooding Williams Michael Ignatieff Laura Kipnis Anya Schiffrin Joseph E Stiglitz and Geoffrey R Stone In an essay and an interview with the volume editors Noam Chomsky addresses the neoliberal assault on academic freedom

New Crime in China Ronald Keith,Zhiqiu Lin,2005-12-16 Examining crimes which are of great concern in China New Crime in China assesses the imbalance between public order and human rights in the way the Chinese legal system deals with them

Criminal Politics Chris Albin-Lackey,Human Rights Watch (Organization),2007 Nigeria is mired in a crisis of governance For decades Nigeria s governing elite have been widely implicated in acts of violence corruption and electoral fraud so pervasive as to resemble criminal activity more han democratic governance Not only has Nigeria s federal government failed to hold these politicians to account but Nigeria s system of politics has actively rewarded corruption and violence with control governorships parliamentary seats and other positions of public trust

Votes, Drugs, and Violence Guillermo Trejo,Sandra Ley,2020-09-03 When widespread state criminal collusion persists in transitions from autocracy to democracy electoral competition becomes a catalyst of large scale criminal violence

Transforming the War on Drugs Annette Idler,Juan Carlos Garzón Vergara,2021-12-01 A stark reassessment of the merits of conventional anti drugs policies for dealing with narcotics

Prisoners of Politics Rachel Elise Barkow,2019-03-04 A CounterPunch Best Book of the Year A Lone Star Policy Institute Recommended Book If you care as I do about disrupting the perverse politics of criminal justice there is no better place to start than Prisoners of Politics James Forman Jr author of Locking Up Our Own

The United States has the highest rate of incarceration in the world The social consequences of this fact recycling people who commit crimes through an overwhelmed system and creating a growing class of permanently criminalized citizens are devastating A leading criminal justice reformer who has successfully rewritten sentencing guidelines Rachel Barkow argues that we would be safer and have fewer people in prison if we relied more on expertise and evidence and worried less about being tough on crime A groundbreaking work that is transforming our national conversation on crime and punishment Prisoners of Politics shows how problematic it is to base criminal justice policy on the whims of the electorate and argues for an overdue shift that could upend our prison problem and make America a more equitable society A critically important exploration of the political dynamics that have made us one of the most punitive societies in human history A must read by one of our most thoughtful scholars of crime and punishment Bryan Stevenson author of Just Mercy Barkow's analysis suggests that it is not enough to slash police budgets if we want to ensure lasting reform We also need to find ways to insulate the process from political winds David Cole New York Review of Books A cogent and provocative argument about how to achieve true institutional reform and fix our broken system Emily Bazelon author of Charged *Government of the Shadows* Eric Wilson, 2009-01-20 This book uncovers the activities of clandestine governments It explores how covert political activity and transnational organised crime are linked and how they ultimately work to the advantage of state and corporate power Using a variety of case studies from the mafia in Italy to programmes for food and reconstruction in Iraq the authors illustrate that parapolitical structures are not deviant but central to the operation of global governments The creation of this parallel world economy the source of huge political and economic potential entices states to undertake new forms of regulation either through their own intelligence agencies or through the more shadowy world of criminal cartels

Criminal Finance: The Political Economy of Money Laundering in a Comparative Legal Context Kris

Hinterseer, 2002-05-13 As the first cross disciplinary analysis of money laundering fully recognizing the activity's economic political and juridical dimensions Criminal Finance clearly identifies a useful array of appropriate criteria that may be used to develop and implement effective control strategies The book will be of immeasurable and immediate value to bankers legislators regulators law enforcement authorities and concerned lawyers and academics everywhere **Political Science**

Abstracts, 2012-12-06 Political Science Abstracts is an annual supplement to the Political Science Government and Public Policy Series of The Universal Reference System which was first published in 1967 All back issues are still available

Making Crime Pay Katherine Beckett, 1999-11-18 Most Americans are not aware that the US prison population has tripled over the past two decades nor that the US has the highest rate of incarceration in the industrialized world Despite these facts politicians from across the ideological spectrum continue to campaign on law and order platforms and to propose three strikes and even two strikes sentencing laws Why is this the case How have crime drugs and delinquency come to be such salient political issues and why have enhanced punishment and social control been defined as the most appropriate

responses to these complex social problems Making Crime Pay Law and Order in Contemporary American Politics provides original fascinating and persuasive answers to these questions According to conventional wisdom the worsening of the crime and drug problems has led the public to become more punitive and tough anti crime policies are politicians collective response to this popular sentiment Katherine Beckett challenges this interpretation arguing instead that the origins of the punitive shift in crime control policy lie in the political rather than the penal realm particularly in the tumultuous period of the 1960s

Transnational Organized Crime Jay Albanese, Philip Reichel, 2013-05-07 This unique text explores the expansive topic of transnational organized crime incorporating expert perspectives found throughout the world's six inhabited continents North America Central and South America Europe Africa Asia and Oceania Editors Jay S Albanese and Philip L Reichel gather the knowledge and expertise of numerous authors researchers and practitioners in this field who are either native to each world region have extensively travelled and worked there or are recognized scholars for those regions Through this text readers will begin to understand the geographic cultural and regional similarities and differences underlying the common threat of transnational organized crime as well as how to address the global expansion of organized crime today

Transnational Crimes in the Americas Marshall B. Lloyd, 2018-10-30 Transnational Crimes in the Americas addresses contemporary issues with respect to public institutions that are stakeholders in the fight against globalization of crime Regional public organizations with a primary focus on the Americas constitute a framework for understanding the need for an institutional response within the Western Hemisphere While other authors have addressed the growth of organized crime no one has explained institutional developments in the struggle against transnational crimes Transnational Crimes in the Americas highlights existing organizations emphasizing a regional response to transnational crimes suggestions for a permanent criminal court in the Americas and an appraisal of the current state of institutional developments in the region

Handbook of Urban Politics and Policy Ronald K. Vogel, 2024-07-05 This authoritative Handbook provides a comprehensive overview of research into urban politics and policy in cities across the globe Leading scholars examine the position of urban politics within political science and analyse the critical approaches and interdisciplinary pressures that are broadening the field

The Illusion of Free Markets Bernard E. Harcourt, 2011-05-01 It is widely believed today that the free market is the best mechanism ever invented to efficiently allocate resources in society Just as fundamental as faith in the free market is the belief that government has a legitimate and competent role in policing and the punishment arena This curious incendiary combination of free market efficiency and the Big Brother state has become seemingly obvious but it hinges on the illusion of a supposedly natural order in the economic realm The Illusion of Free Markets argues that our faith in free markets has severely distorted American politics and punishment practices Bernard Harcourt traces the birth of the idea of natural order to eighteenth century economic thought and reveals its gradual evolution through the Chicago School of economics and ultimately into today's myth of the free market The modern category

of liberty emerged in reaction to an earlier integrated vision of punishment and public economy known in the eighteenth century as police This development shaped the dominant belief today that competitive markets are inherently efficient and should be sharply demarcated from a government run penal sphere This modern vision rests on a simple but devastating illusion Superimposing the political categories of freedom or discipline on forms of market organization has the unfortunate effect of obscuring rather than enlightening It obscures by making both the free market and the prison system seem natural and necessary In the process it facilitated the birth of the penitentiary system in the nineteenth century and its ultimate culmination into mass incarceration today Understanding Terrorism Gus Martin, 2013 With a particular emphasis on terrorist incidents this fourth edition has been fully updated to provide readers with a wide ranging and crucial resource on contemporary terrorism

Eventually, you will unconditionally discover a other experience and achievement by spending more cash. nevertheless when? attain you undertake that you require to get those all needs as soon as having significantly cash? Drugs Crime And Politics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Drugs Crime And Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Drugs Crime And Politics has opened up a world of possibilities. Downloading Drugs Crime And Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Drugs Crime And Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Drugs Crime And Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Drugs Crime And Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Drugs Crime And Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Drugs Crime And Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Drugs Crime And Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Drugs Crime And Politics is one of the best book in our library for free trial. We provide copy of Drugs Crime And Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Drugs Crime And Politics. Where to download Drugs Crime And Politics online for free? Are you looking for Drugs Crime And Politics PDF? This is definitely going to save you time and cash in something you should think about.
