Drummer Girl Girl Talk:

Drummer Girl Karen Bass,2011-08-01 More than anything Sid wants to be a drummer in a band When she gets the chance to try out for the best high school band in the area she finds out that there is a lot more involved than just being a great drummer How much will Sid give up to get what she wants The Fourth Down needs a drummer and Sid s the best in the school But right from the start the all male band makes her struggle One member outright votes against a girl in the group And as for the lead singer Rocklin if Sid s going to make it in his band she s going to have to start dressing the part of a girl Accustomed to being invisible Sid quickly discovers the consequences of the makeover she undergoes at the hands of her cousin who knows exactly how the girl game is played It s not only that playing kit in a skirt is impractical As someone who was once taunted about her sexuality for being a drum playing girl who likes shop class Sid is now forced to deal with guys who think her new look makes her fair game Frustrated with the two stereotypes forced on her and other girls gay or slut Sid turns even more to her music The band can t deny she s the best but as Sid soon discovers sometimes being good still isn t good enough *Drummer Girl* tackles the dangerous side of peer pressure and the politics of identity in high school and ultimately what it means to march to the beat of your own drum *Drummer Girl* Ginger Scott,2019-07-24 Arizona Wakefield was a beat without a melody Living a half breathing life in a half finished neighborhood with parents who always wore half hearted smiles the high school senior only had one thing that let her color outside her family s perfectly drawn lines her drums Jesse Barringer was a song without a chorus The son of a washed up rock star who s also one hell of a deadbeat dad he was given two things from his father musical genius and a genetic link to the bipolar disorder that drives him mad One night in a garage at the end of a cul de sac in the middle of a bankrupt California neighborhood Jesse s melody found Arizona s rhythm An angry boy with storm colored eyes found a blonde angel in Doc Martens with missing lines in her own story Where her rhythm stopped his words took over and together they wrote one hell of a story *Drummer Girl* is a mature YA New Adult romance that touches on mental health drug abuse and includes mature sexual situations

Drummergirl Kim Flowers,2020-09-23 Seventeen year old drummer Amy Parks has been in band since fifth grade is now the percussion section leader and belongs to a garage band called The Maniacs After her first crush on another girl at the age of ten she swore to keep that part of herself hidden even from herself and never let it out again Her band director is rumored to be gay but other than that Amy knows no other gay people and thinks the word lesbian can t possibly apply to her even though her younger sister Erin constantly calls her gay and Amy has a half naked poster of JLo on her wall But still she can t be gay right Then Amy meets the new girl fellow band member Becca Amy is afraid of the thoughts and feelings she experiences and thinks if she gets a boyfriend maybe she ll stop being so attracted to Becca When the first boyfriend doesn t work out she jumps to the next guy but is still unsatisfied Amy begins to go to the lesbian chat room online and befriends a mentor named WhiskeyMind who tells her for the first time that being a lesbian is about love When Amy finally decides to tell

Becca how she feels she must face the choice of being true to herself and losing everything or hiding in the closet just to keep her friends and her position in The Maniacs Is coming out the right thing to do Is Becca really the girl of her dreams or is there someone else out there for her **Drums, Girls, and Dangerous Pie** Jordan Sonnenblick,2010-01-01 A brave and beautiful story that will make readers laugh and break their hearts at the same time Now with a special note from the author Steven has a totally normal life well almost He plays drums in the All City Jazz Band whose members call him the Peasant has a crush on the hottest girl in school who doesn't even know he's alive and is constantly annoyed by his younger brother Jeffrey who is cuter than cute which is also pretty annoying But when Jeffrey gets sick Steven's world is turned upside down and he is forced to deal with his brother's illness his parents attempts to keep the family in one piece his homework the band girls and Dangerous Pie yes you'll have to read the book to find out what that is *New York Magazine* ,1984-10-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Sundown Effect** Robert E. Hill,2015-01-01 Ever wonder who the person is that you are sitting next to on a plane Sure they are polite and introduce themselves and make small talk but who are they really Why are they going on this plane trip Are they running from something Are they fleeing their past in search of a better life Maybe they're a hitman heading to meet their next victim Or maybe they are one of the most powerful people in the world Of course it could be just some dude heading to a party But what if it's the person you've always dreamt about meeting and you fall madly in love with them in the short five hour flight that you sit next to them What if falling in love with them puts you in the middle of a deadly cover up that involves some of the most powerful people in the government What if what they are trying to cover up could start an epidemic that wipes out mankind Daughter of Drum Mountain Gail Pilley Harris,2023-11-08 This is the story of a brilliant woman who struggled to understand Christianity in the midst of war loss and depression *New York Magazine* ,1984-10-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1984-10-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Diary of a
