DRY VICTORIES

BY JUNE JORDAN

Dry Victories

William Thomas

Dry Victories:

Reports of the Tax Court of the United States United States. Tax Court,1947 Final issue of each volume includes table of cases reported in the volume *Daily Report, Foreign Radio Broadcasts* United States. Central Intelligence Agency,1967 **Reports of the United States Tax Court** United States. Tax Court,1947 *Drying Foods for Victory Meals* ,1942 **An Assessment of Mass Meetings as a Method of Evangelism** William Thomas,2024-09-16

Pathways to Prohibition Ann-Marie E. Szymanski,2003-08-21 Szymanski uses the Prohibition movement as an example of the challenges facing all social reform movements Captured Documents and Interrogation Reports United States. Embassy (Vietnam),19?? **Intoxicating Pleasures** Lisa Sheryl Jacobson,2024 In popular memory the repeal of US Prohibition in 1933 signaled alcohol's decisive triumph in a decades long culture war But as Lisa Jacobson reveals alcohol's respectability and mass market success were neither sudden nor assured It took a world war and a battalion of public relations experts and tastemakers to transform wine beer and whiskey into emblems of the American good life Alcohol producers and their allies a group that included scientists trade associations restaurateurs home economists cookbook authors and New Deal planners powered a publicity machine that linked alcohol to wartime food crusades and new ideas about the place of pleasure in modern American life In this deeply researched and engagingly written book Jacobson shows how the yearnings of ordinary consumers and military personnel shaped alcohol's cultural reinvention and put intoxicating pleasures at the center of broader debates about the rights and obligations of citizens **From Demon to Darling** Richard Mendelson,2010-11-08 Reflecting America's complicated and often confused cultural identity laws have long regulated who can and cannot make sell distribute purchase and drink wine Richard Mendelson's compelling legal history is detailed but never dry because it reveals as much about Americans attitudes towards themselves as about their understanding of wine Paul Lukacs author of *American Vintage The Rise of American Wine and The Great Wines of America* This concise yet well documented history of how the wine industry has fared and ultimately triumphed through temperance Prohibition and convoluted control systems makes an enjoyable read for any serious oenophile Philip J Cook author of *Paying the Tab The Costs and Benefits of Alcohol Control* **Photography in Children's Literature** Elina Druker,Bettina Kümmerling-Meibauer,2023-10-15 Photography in Children's Literature is the first study that examines the wide array of artistic techniques topics and genres used within photographic books for children Covering a time period from the 1870s to the 1980s the collection offers multifaceted insights into changing perceptions of children and childhood during an era when the world changed in unprecedented ways More than sixty full color illustrations demonstrate an impressive variety of genres from ABC books concept books and country portraits to photo reportage and poetry By discussing photographic books from ten countries and three continents the collection offers an international scope providing a glimpse into the production and reception of photography in children's literature in a range of contexts and cultures Photographic books for children thus

open up new vistas for scholars interested in an interdisciplinary and transnational investigation of children's literature text and images across the centuries

Still Seeking an Attitude Valerie Kinloch, Margret Grebowicz, 2005-07-01 From her activism to her passionate writings June Jordan 1936-2002 is one of the most revered American poets of our time Jordan's writing simultaneously provokes delight and energy while urging reflection on American society and its injustices In *Still Seeking an Attitude* the first reflection on her legacy Jordan's life and works are explored in depth and detail focusing on subjects ranging from her use of language and linguistics to her political activism and role in children's literature These critical examinations elucidate the power and poetry of Jordan's words serving as an exciting supplement for those already familiar with Jordan and an excellent guide for anyone discovering her works for the first time

Haruko/Love Poems June Jordan, 2023-01-26 Selected by Sen Hewitt as a Granta Book of the Year In trailblazing poet essayist teacher and activist June Jordan's poems love is a vision of revolutionary solidarity crossing borders both emotional and literal with an outstretched hand Haruko traces the faltering arc of a passionate love affair with another woman while Love Poems encompasses relationships with men and women political resistance the need for self care in a demanding uncaring world and apocalyptic visions of the eruption of Mount Vesuvius that destroyed Pompeii and Herculaneum A contemporary of Alice Walker Toni Morrison and Audre Lorde June Jordan's spectacular poetry remains profoundly politically potent lyrically inventive and breathtakingly romantic First published in 1994 Haruko Love Poems is a vitally important modern classic

Literary Cultures and Twentieth-Century Childhoods Rachel Conrad, L. Brown Kennedy, 2020-09-12 This collection of essays offers innovative methodological and disciplinary approaches to the intersection of Anglophone literary cultures with children and childhoods across the twentieth century In two acts of re-centering the volume focuses both on the multiplicity of childhoods and literary cultures and on child agency Looking at classic texts for young audiences and at less widely read and unpublished material across genres including poetry fiction historical fiction or biography picturebooks and children's television essays foreground the representation of child voices and subjectivities within texts explore challenges to received notions of childhood and emphasize the role of child-oriented texts in larger cultural and political projects Chapters frame themes of spectacle self and specularity across the twentieth century question tropes of childhood explore identity and displacement in narrating history and culture and elevate children as makers of literary culture A major intent of the volume is to approach literary culture not just as produced by adults for consumption by children but also as co-created by young people through their actions as speakers artists readers and writers

Civil Wars June Jordan, 1995-09 From renowned poet and activist June Jordan comes the reissue of her classic collection of essays about love power violence and the condition of race relations in America A major and indispensable reading experience Alice Walker

The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia

lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer s current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study

Black Authors and Illustrators of Books for Children and Young Adults Barbara Thrash Murphy, 1999 The Third Edition of this renowned reference work illuminates African American contributions to the genre of books for children and young adults with the biographies of 274 authors and artists including 121 new biographies not included in previous editions The book presents the user with a rich source of accessible in depth biographical data on each individual author or artist including birthplace education their approach to art or literature career development and awards and honors received Over 160 photographs of the subjects bring the biographies to life and 46 covers of important children s books are reproduced Also included is a comprehensive index of books an index of authors and illustrators and useful listings of publishers distributors and bookstores arranged by state

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1974

The American Issue, 1915

Civil Rights Childhood Katharine Capshaw, 2014-12-01 Childhood joy pleasure and creativity are not often associated with the civil rights movement Their ties to the movement may have faded from historical memory but these qualities received considerable photographic attention in that tumultuous era Katharine Capshaw s *Civil Rights Childhood* reveals how the black child has been and continues to be a social agent that demands change Because children carry a compelling aura of human value and potential images of African American children in the wake of Brown v Board of Education had a powerful effect on the fight for civil rights In the iconography of Emmett Till and the girls murdered in the 1963 Birmingham church bombings Capshaw explores the function of children s photographic books and the image of the black child in social justice campaigns for school integration and the civil rights movement Drawing on works ranging from documentary photography coffee table and art books and popular historical narratives and photographic picture books for the very young *Civil Rights Childhood* sheds new light on images of the child and family that portrayed liberatory models of blackness but it also considers the role photographs played in the desire for consensus and closure with the rise of multiculturalism Offering rich analysis Capshaw recovers many obscure texts and photographs while

at the same time placing major names like Langston Hughes June Jordan and Toni Morrison in dialogue with lesser known writers An important addition to thinking about representation and politics Civil Rights Childhood ultimately shows how the photobook and the aspirations of childhood itself encourage cultural transformation Alcohol and Public Policy National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Assembly of Behavioral and Social Sciences, Committee on Substance Abuse and Habitual Behavior, Panel on Alternative Policies Affecting the Prevention of Alcohol Abuse and Alcoholism, 1981-02-01
