Dual Discourse Single Judaism:

Dual Discourse, Single Judaism Jacob Neusner, 2001 The dual discourse tells a continuous story **BOOK JACKET** **The Talmud's Theological Language-Game** Eugene B. Borowitz, 2012-02-01 In this pioneering effort noted Jewish philosopher Eugene B. Borowitz opens up the rules by which the language game of aggadic discourse is carried on in the Talmud the foundational document of rabbinic and all later Judaism These findings are compared with the aggadah the realm in which almost all explicit statements about classic Jewish religious belief occur of some other early rabbinic writings Two issues drive Borowitz's inquiry What if anything constrains the unprecedented freedom of this realm and How might one positively characterize the aggadah Borowitz introduces us to the rabbis not only in their amazing profundity but also in their unguarded humanity He concludes with a reflection on how this old Jewish language game should influence contemporary Jewish thought and perhaps other religious thought as well Judaism's Story of Creation Jacob Neusner, 2021-09-06 During the formative age of Judaism the first seven centuries CE the great rabbis thought deeply about beginnings in light of endings They imposed upon their sequential reading of each passage the accumulated results of their reflection about all passages Thus they encompassed Scripture so as to describe the world as God had intended it to be This act of intellect resulted in two distinct ahistorical media of thought and expression the Halakhah law and Aggadah lore The author provides three systematic accounts of the Halakhic reading and two Aggadic accounts The Halakhic accounts cover 1 Work and Rest 2 Ownership and Possession Eden and the Land and 3 Ownership and Possession in the Household The Aggadic accounts pertain to 1 the Six Days of Creation and 2 Adam and Eve *The Theology of the Halakhah* Jacob Neusner, 2001-10-01 Neusner proves that the law of normative Judaism the Halakhah viewed whole with its category formations read in logical sequence tells a coherent story He demonstrates that details of the law contribute to making a single statement one that moreover complements and corresponds with that of the Aggadah the lore and scriptural exegesis of Judaism The theology that animates the Halakhah records the result of the Rabbinic sages systematic generalizing universalizing reading of the narratives exhortations and laws of Scripture From their comprehensive definition of those results in the form of practical norms for the construction of holy Israel's social order Neusner derives this account of the theological structure that sustains the Halakhic system He furthermore correlates the category formations of the Halakhah with those of the Aggadah the lore and exegesis of Judaism already set forth in his landmark study *The Theology of the Oral Torah* 1999 Thus he has now portrayed for the first time the way in which Aggadah and Halakhah attitude and action belief and behavior join together to set forth normative Judaism the vast system for holy Israel's social order of the Mishnah Talmud and Midrash of late antiquity *The Modes of Thought of Rabbinic Judaism* Jacob Neusner, 2000 **The Mishnah in Contemporary Perspective** Alan Avery-Peck, Jacob Neusner, 2015-11-02 The authors of the studies on the Mishnah collected in the present volumes represent the best of contemporary scholarship on that document In the past thirty years the Mishnah seen as a document on its own

terms has taken its place as a principal focus in the academic study of religion and of Judaism. Many university scholars have participated in the contemporary revolution in the description, analysis, and interpretation of the Mishnah. Nearly all the publishing scholars of the academy, as distinct from the yeshiva or rabbinical seminary who are now at work, are represented in this project ultimately planned for three volumes. In this and the companion volumes, the editors place on display a broad selection of approaches to the study of the Mishnah in the contemporary academy. What they prove in diverse ways is that the Mishnah defines the critical focus of the study of Judaism. It is a document that rewards study in the academic humanities. Because many viewpoints register here, this is the most representative selection of contemporary Mishnah study available in any state of the question collection in a Western language.

Formative Judaism Jacob Neusner, 2000. Examines the history, philosophy, and hermeneutics and law and literature of formative Judaism.

Rabbinic Categories Jacob Neusner, 2005-09-01. A systematic study of the canonical construction of Rabbinic categories: Halakhic then Aggadic, followed by a comparison of the theological category formations in Rabbinic Judaism: generative vs. inert, primary vs. subordinate. The book provides a systematic and thorough account of the rules of making connections and drawing conclusions that govern in classes of documents for the Halakhah from the Mishnah through the Bavli, for the Aggadah from Scripture through the Midrash compilations: Genesis Rabbah, Leviticus Rabbah, and Pesiqta de Rab Kahana, for both the Mishnah and Scripture through the Bavli. The book then compares and contrasts theological category formations of the Rabbinic Aggadic writings by the criteria indicated in the title: generative vs. inert, primary vs. subordinate.

The Three Questions of Formative Judaism Jacob Neusner, 2002-01-01. Bringing nearly fifty years of research to bear on these fundamental questions, Jacob Neusner challenges his readers to face the difficult, often unasked or neglected questions about the nature, background, and purposes of Rabbinic Judaism, and rewards them with an enriched understanding and a stronger foundation for tackling the even more elusive questions concerning the theology of formative Judaism.

BOOK JACKET *Handbook of Rabbinic Theology* Jacob Neusner, 2021-12-28. From his extensive and intensive study of the rabbinic literature, Jacob Neusner shows how the rabbinic documents give expression to a very real, if implicit, theological system. While the rabbinic literature is often seen as a collection of miscellaneous responses to questions arising from study of the Hebrew Bible and its application to contemporary life, Neusner sees a system behind and embodied in the various writings. He discusses the ways in which the divine thought and the human thinking that sought faithfully to interpret it actually came to expression and treats what he calls the grammar of the divine self-expression in order to help us see the theological structure that it implies. Then he shows how this implicit system is expressed in the rules for the life of the people that God has chosen as his own. Citing passages from almost all of the mishnaic tractates, Neusner shows how they fit into and give expression to the system. The Review of Rabbinic Judaism Alan Avery-Peck, 2005-07. The Review of Rabbinic Judaism, the first and only annual to focus upon Rabbinic Judaism in particular.

will publish principal articles essays on method and criticism systematic debates Auseinandersetzungen occasional notes long book reviews reviews of issues of scholarly journals assessments of textbooks and instructional materials and other media of academic discourse scholarly and educational alike The Review fills the gap in the study of Judaism which is left by the prevailing division of Rabbinic Judaism among the standard historical periods ancient medieval modern that in fact do not apply and by the common treatment of the Judaism in bits and pieces philosophy mysticism law homiletics institutional history for example No annual in Jewish studies focuses upon the study of religion let alone upon the single most important Judaism of all time

Rabbinic Judaism's Generative Logic, Volume One Jacob Neusner, 2002 What are the rules of cogency of coherent discourse that everybody in the normative documents takes for granted that is what defines the self evidence of the intellectual system of Rabbinic Judaism embodied in the formative canon Mishnah through Bavli In these two volumes Neusner explains how the authoritative canonical documents of Rabbinic Judaism in its formative age signal self evidence the generative logic that animates all active thought embodied in those writings This project condenses two monographs on the foundations of self evidence in Rabbinic Judaism The Making of the Mind of Judaism and The Formation of the Jewish Intellect Making Connections and Drawing Conclusions in the Traditional System of Judaism The studies are connected with the second carrying forward the problem of the first and they are meant to be read in sequence

The Unity of Rabbinic Discourse: Halakhah and aggadah in concert Jacob Neusner, 2001 Viewed as ideal types the Halakhah defines the norm setting forth what is obligatory the Aggadah specifies what exceeds the norm and goes beyond the measure of the law The striking differences of style and substance that differentiate the two categories of discourse present the question of how they intersect in a single coherent statement a system that holds together its two distinct media of thought and expression When we have in hand systematic data on how Aggadah contributes to the Halakhah and where Halakhah serves the purposes of the Aggadah we find possible the logical next step where do the two intersect and at what points do the respective complexes of category formations stand autonomous of one another and that leads to the question how do Aggadah and Halakhah constitute a coherent religious structure and make in common a single systemic statement Where within the formative literature of Normative Judaism they join together what affect the one exercises upon the other and how the whole Rabbinic Judaism exceeds and transcends the sum of the parts the Halakhah the Aggadah is spelled out

Isaac Abravanel Isaac Abravanel, 2007 Almost five hundred years after his death Don Isaac Abravanel 1437 1508 remains a legendary figure of Sephardic history and above all of the Expulsion of 1492 There are numerous portraits that have been painted of him by pre modern and modern scholars And still we hesitate and cannot discern which is the true one This first critical edition of Abravanel s Portuguese and Hebrew letters opens a unique window on a complex cultural process of assimilation and dissimulation of humanism among the fifteenth century Jewish elite On the one hand it establishes Abravanel s assimilation of Iberian humanism and of major aspects of the Petrarchian consolatio on the other hand it points

at the strategies used by him to dissimulate and adapt humanism to Jewish leadership The duality of Jewish humanists like Don Isaac was obviously a great richness but it indicated as well their difficulty in expressing themselves coherently and comprehensively in one of the two agoras Jewish or Christian in which they were involved as literati and writers The present edition and study of Abravanel's Portuguese and Hebrew letters sheds a new light on the complexity of this new figure of the Jewish humanist

The Torah and the Halakhah Jacob Neusner, 2003 Neusner Bard College the compiler of The Halakhah An Encyclopedia of the Law of Judaism 1999 compares and contrasts selections of Scripture to study relationships between the normative rules in the written religious laws of the Pentateuch the first five books of Scripture and those set forth in the oral Torah of Mishnah Yerushalmi Bavli The four relationships to propositional category formations analyzed are dependent with Halakhah amplifying the Scripture's laws autonomous interstitial though derivative and interstitial but original There is no index Annotation c 2003 Book News Inc Portland OR booknews.com

Benjamin Disraeli Bernard Glassman, 2003 Discusses Disraeli's image in his lifetime and the myth of the Jewish Prime Minister after his death During his life Disraeli was proud of his belonging to the noble Jewish race His friends and enemies as well never forgot that he was born a Jew When attacking him his political adversaries Gladstone and others first of all attacked his Jewish origins They questioned the sincerity of his baptism and his British patriotism The antisemitic campaign against Disraeli peaked in 1875-78 in the time of the Turkish atrocities when he was blamed for promoting Jewish interests Disraeli's death 1881 coincided with the beginning of a mass Jewish immigration to Britain and a revival of antisemitism in the country With the rise of political antisemitism throughout the Western world Disraeli became an example of the international Jew pushing for world power After World War I his image was also used by radical antisemites and especially the Nazis and their sympathizers as a demonstration of the world Jewish conspiracy

The Rabbis and the Prophets Jacob Neusner, 2011 The Prophets of Scripture are subverted by the Rabbis of the Talmud and Midrash In the Rabbinic canon the Prophets are represented as a miscellaneous mass of proof texts made up of one clause or sentence at a time The Scripture's prophetic writings cited in clauses and phrases in the Rabbinic canon lose their integrity and cease to speak in fully coherent paragraphs and chapters The same prophets however came to whole and coherent expression in other venues established by those same Rabbis So the Rabbis of late antiquity took over writings from what they recognized as ancient times and of divine origin and they re-presented selections of those writings in accord with their own project's requirements glossing clauses of the prophetic Scriptures but not whole propositional discourses This monograph shows how they did so It portrays the formal patterns of the Rabbis' subversive glosses Why impose the chaos of glosses on the orderly declaration of Scripture It was to take possession of Scriptural prophecy that the Rabbinic authors imposed their characteristic forms and distinctive topics the characteristic categories and tasks and propositions The Rabbinic canonical writings took over imparting upon the received heritage of Scripture and tradition whatever they chose to treat as authoritative They did with these selected compositions whatever they wanted They

Rabbinized Scripture in full awareness of how in the process they recast Scripture's own forms and purposes. The Rabbis were perfectly capable of recapitulating prophetic writings as coherent statements. This they did in providing for lections for Sabbaths and festivals. *A Theological Commentary to the Midrash: Genesis Rabbah* Jacob Neusner, 2001. This theological commentary to the Rabbinic Midrash explores a simple proposition in three parts. I. The reading of Scripture by principal parts of the Rabbinic Midrash is formed by compositions and composites that are animated by a cogent theological system. II. These primary components of the Midrash compilations further are in part aimed at systematic demonstrations of theorems of a theological character. III. While forming a principal part of a large theological structure and system, each document is unique. *Theological Dictionary of Rabbinic Judaism* Jacob Neusner, 2005. Rabbinic theological language has made possible a vast range of discourse on many subjects over long spans of recorded time and in diverse cultural settings. This theological dictionary defines the principal theological usages of Rabbinic Judaism as set forth in the Rabbinic canon of late antiquity: Mishnah, Talmuds, and Midrash compilations. It systematically lays out: 1. the theological categories that are native to those writings; 2. cogent statements that can be made with them; 3. coherent propositions that those statements set forth and within their own terms and framework logically demonstrate as true and self-evident. Both Volume One of this dictionary covers vocabulary that permits the classification of religious knowledge and experience and the organization and categorization of those data into intelligible and cogent sense units. Volume Two shows how these classifications combine and recombine in sentences. We may deem these rules of theological discourse concerning religious experience to be the counterpart of syntax, which words combine or do not combine with which other words in what inflection or signaled relationship and why. Volume Three shows how the theology accomplishes its goals of analysis, explanation, and anticipation in order to make sense of and impose meaning upon a subject. That marks the point at which constructive theology commences and systematic theology will find its language. **How Not to Study Judaism: Parables, rabbinic narratives, rabbis' biographies, rabbis' disputes** Jacob Neusner, 2004. In *How Not to Study Judaism: Examples and Counter Examples* Jacob Neusner presents a collection of essays and book reviews that identify the wrong way of conducting the academic study of Judaism, pointing readers toward the right way to pursue the academic study of Judaism. Neusner's focus is on the study of the literature of Judaism and the culture of the Jewish community.
