Couples That Work Jennifer Petriglieri,2019-10-08 Finding fulfillment in both love and work isn t easy but it s possible The majority of couples today are two career couples As anyone who s part of such a relationship knows this presents big challenges Yet most advice for two career couples fails because it treats the challenges as a zero sum game in which one partner s gain is the other s loss This pits partner against partner and frames solutions in the language of sacrifice and trade offs This book is different In **Couples That Work** INSEAD professor Jennifer Petriglieri shifts away from conventional one size fits all solutions for two career couples and instead focuses on how couples can tackle and resolve the challenges they will face throughout their lives together She identifies three key phases of exploration and personal growth in every couple s work life journey showing how couples must navigate these together in order to strengthen their bond Each phase is crystallized with a question How can we make this work The first phase focuses on the logistics of combining two busy lives and often involves the demands of young children What do we really want In the second phase couples learn to navigate their midlife crises in ways that allow each partner to continue to feel happy and fulfilled Who are we now With careers winding down and kids grown up this last phase offers new freedoms and uncertainties Based on a five year research project including interviews with couples from over thirty countries from executives to entrepreneurs and from twentysomething newlyweds to two career grandparents **Couples That Work** is filled with vivid real life stories as well as keen analytical insights There are also engaging exercises and activities designed to help couples develop their own unique answers to that most pressing question How can we successfully combine love and work
