Abroad With Two Yanks:

A History of the Hal Roach Studios Richard Lewis Ward, 2006-08-15 Once labeled the lot that laughter built the Hal Roach Studios launched the comedic careers of such screen icons as Harold Lloyd Our Gang and Laurel and Hardy With this stable of stars the Roach enterprise operated for forty six years on the fringes of the Hollywood studio system during a golden age of cinema and gained notoriety as a producer of short comedies independent features and weekly television series Many of its productions are better remembered today than those by its larger contemporaries In *A History of the Hal Roach Studios* Richard Lewis Ward meticulously follows the timeline of the company's existence from its humble inception in 1914 to its close in 1960 and through both its obscure and famous productions traces its resilience to larger trends in the entertainment business In the first few decades of the twentieth century the motion picture industry was controlled by an elite handful of powerful firms that allowed very little room for new competition outside of their established cartel The few independents that garnered some measure of success despite their outsider status usually did so by specializing in underserved or ignored niche markets Here Ward chronicles how the Roach Studios at the mercy of exclusive distribution practices managed to repeatedly redefine itself in order to survive for nearly a half century in a cutthroat environment Hal Roach's tactic was to nurture talent rather than exhaust it and his star players spent the prime of their careers shooting productions on his lot Even during periods of decline or misdirection the Roach Studios turned out genuinely original material such as the screwball classic *Topper* 1937 the brutally frank *Of Mice and Men* 1940 and the silent experiment *One Million B.C.* 1940 Ward's exploration yields insight into the production and marketing strategies of an organization on the periphery of the theatrical film industry and calls attention to the interconnected nature of the studio system during the classic era The volume also looks to the early days of television when the prolific Roach Studios embraced the new medium to become for a time the premier telefilm producer Aided by a comprehensive filmography and twenty seven illustrations *A History of the Hal Roach Studios* recounts an overlooked chapter in American cinema not only detailing the business operations of Roach's productions but also exposing the intricate workings of Hollywood's rivalrous moviemaking establishment **Anna Lee** Anna Lee, Barbara Roisman Cooper, 2015-02-16 Born Joan Boniface Winnifrid on January 2 1913 Anna Lee is best known for her portrayal of General Hospital's Lila Quartermaine a character who she brought to life for over two decades From her early years in England to her final days in Hollywood she recounts details of her extraordinary life in her memoir Expressed in her energetic style Anna Lee tells of her childhood as the daughter of an English clergyman and her early determination to become an actress She writes of her teenage struggles to realize her dream two failed marriages and the difficulties she faced raising a family while maintaining her career Finally we see the picture of a mature Anna Lee a successful actress playing a role she loved while enjoying an ideal marriage to writer Robert Nathan Personal remembrances from her family and General Hospital co stars round out this touching entertaining self portrait of the actress life A complete filmography and

list of television appearances is also included Hollywood's War with Poland, 1939-1945 M.B.B. Biskupski, 2010-01-08 This passionate carefully researched richly detailed well written study reveals the political motives behind WWII Hollywood's portrayal of Poles Choice During World War II Hollywood studios supported the war effort by making patriotic movies designed to raise the nation's morale Often the characterizations were as black and white as the movies themselves Americans and their allies were heroes while everyone else was a villain The peoples of Norway France Czechoslovakia and England were all good because they had been invaded or victimized by Nazi Germany Yet Poland the first country to be invaded by the Third Reich was repeatedly represented in a negative light In this prize winning study Polish historian M B B Biskupski explores why Biskupski presents a close critical study of prewar and wartime films such as *To Be or Not to Be* In Our Time and *None Shall Escape* Through memoirs letters diaries and memoranda written by screenwriters directors studio heads and actors Biskupski examines how the political climate and especially pro Soviet sentiment influenced Hollywood films of the time Winner of the Oscar Halecki Prize A Choice Outstanding Academic Title *Film Genre Reader IV* Barry Keith Grant, 2012-12-01 From reviews of the third edition *Film Genre Reader III* lives up to the high expectations set by its predecessors providing an accessible and relatively comprehensive look at genre studies The anthology's consideration of the advantages and challenges of genre studies as well as its inclusion of various film genres and methodological approaches presents a pedagogically useful overview Scope Since 1986 *Film Genre Reader* has been the standard reference and classroom text for the study of genre in film with more than 25 000 copies sold Barry Keith Grant has again revised and updated the book to reflect the most recent developments in genre study This fourth edition adds new essays on genre definition and cycles action movies science fiction and heritage films along with a comprehensive and updated bibliography The volume includes more than thirty essays by some of film's most distinguished critics and scholars of popular cinema including Charles Ram rez Berg John G Cawelti Celestino Deleyto David Desser Thomas Elsaesser Steve Neale Thomas Schatz Paul Schrader Vivian Sobchack Janet Staiger Linda Williams and Robin Wood We'll Always Have the Movies Robert L. McLaughlin, Sally E. Parry, 2006-03-03 An essential study of what Americans watched during wartime and how films shaped their understanding of events Publishers Weekly During the highly charged years of World War II movies perhaps best communicated to Americans who they were and why they were fighting These films were more than just an explanation of historical events they asked audiences to consider the Nazi threat they put a face on both our enemies and allies and they explored changing wartime gender roles *We'll Always Have the Movies* shows how film after film repeated the narratives character types and rhetoric that made the war and each American's role in it comprehensible Robert L McLaughlin and Sally E Parry have watched more than six hundred films made between 1937 and 1946 including many never before discussed in this context and have analyzed the cultural and historical importance of these films in explaining the war to moviegoers This extensive study shows how filmmakers made the chaotic elements of wartime familiar while actual events

became film history and film history became myth A terrific book that explores not only the themes of hundreds of films but also their impact on patriotism and national will in a time of war WWII History **Stardust and Shadows** Charles Foster,2000-09 A Hollywood insider brings together the stories of 18 Canadians who were celebrities during Hollywood's formative years **Yank** ,1942 *Military Comedy Films* Hal Erickson,2012-08-02 Beginning with Charlie Chaplin's *Shoulder Arms* released in America near the end of World War I the military comedy film has been one of Hollywood's most durable genres This generously illustrated history examines over 225 Army Navy and Marine related comedies produced between 1918 and 2009 including the abundance of laughspinners released during World War II in the wake of Abbott and Costello's phenomenally successful *Buck Privates* 1941 and the many lighthearted service films of the immediate postwar era among them *Mister Roberts* 1955 and *No Time for Sergeants* 1958 Also included are discussions of such subgenres as silent films The General military academy farces *Brother Rat* women in uniform *Private Benjamin* misfits making good *Stripes* anti war comedies *MASH* and fact based films *The Men Who Stare at Goats* A closing filmography is included in this richly detailed volume *Gunmen and Gangsters* Michael Schlossheimer,2018-08-03 Gangsters such as Al Capone and Lucky Luciano were considered by many people to be the most exciting personalities of the 1920s and 1930s The public was hungry for press coverage about these mysterious and dangerous men Most reports about them were sketchy as the reporters did not want to get on the bad side of the racket bosses Hollywood's response to the public's fascination was to portray the lives of gangsters on the movie screen using actors such as Humphrey Bogart James Cagney and Edward G Robinson Perhaps surprisingly these men received not so favorable reviews from the Academy Award voters and as their popularity grew with the public censorship dictated other actors be brought in to play the roles That's what this book is about the personal and professional lives of William Bendix Charles Bickford Ward Bond Broderick Crawford Brian Donlevy Paul Douglas William Gargan Barton MacLane and Lloyd Nolan second string actors who replaced the big names and did a memorable job A filmography is supplied for each actor *Film Composers in America* Clifford McCarty,2000 *Film Composers in America* is a landmark in the history of film Here renowned film scholar Clifford McCarty has attempted to identify every known composer who wrote background musical scores for films in the United States between 1911 and 1970 With information on roughly 20 000 films the book is an essential tool for serious students of film and a treasure trove for film fans It spans all types of American films from features shorts cartoons and documentaries to nontheatrical works avant garde films and even trailers Meticulously researched over 45 years the book documents the work of more than 1 500 composers from Robert Abramson to Josiah Zuro including the first to score an American film Walter C Simon It includes not only Hollywood professionals but also many composers of concert music as well as popular music and other genres whose cinematic work has never before been fully catalogued The book also features an index that lets readers quickly find the composer for any American film through 1970 To recover this history much of which was lost or never recorded McCarty corresponded with or interviewed

hundreds of composers arrangers orchestrators musical directors and music librarians He also conducted extensive research in the archives of the seven largest film studios Columbia MGM Paramount RKO 20th Century Fox Universal and Warner Bros and wherever possible he based his findings on the most reliable evidence that of the manuscript scores and cue sheets as opposed to less accurate screen credits The result is the definitive guide to the composers and musical scores for the first 60 years of American film

Hollywood War Films, 1937-1945 Michael S. Shull, David Edward Wilt, 2015-09-03 From 1937 through 1945 Hollywood produced over 1 000 films relating to the war This enormous and exhaustive reference work first analyzes the war films as sociopolitical documents Part one entitled The Crisis Abroad 1937 1941 focuses on movies that reflected America s increasing uneasiness Part two Waging War 1942 1945 reveals that many movies made from 1942 through 1945 included at least some allusion to World War II

Hollywood's Hard-Luck Ladies Laura Wagner, 2020-02-10 In the era of Hollywood now considered its Golden Age there was no shortage of hard luck stories movie stars succumbed to mental illness addiction accidents suicide early death and more This book profiles 23 actresses who achieved a measure of success before fate dealt them losing hands in full public view Overviews of their lives and careers provide a wealth of previously unpublished information and set the record straight on long standing inaccuracies Actresses covered include Lynne Baggett Suzan Ball Helen Burgess Susan Cabot Mary Castle Mae Clarke Dorothy Comingore Patricia Dane Dorothy Dell Sidney Fox Charlotte Henry Rita Johnson Mayo Methot Marjie Millar Mary Nolan Susan Peters Lyda Roberti Peggy Shannon Rosa Stradner Judy Tyler Karen Verne Helen Walker and Constance Worth

Femme Noir Karen Burroughs Hannsberry, 2012-10-26 Though often thought of as primarily a male vehicle the film noir offered some of the most complex female roles of any movies of the 1940s and 1950s Stars such as Barbara Stanwyck Gene Tierney and Joan Crawford produced some of their finest performances in noir movies while such lesser known actresses as Peggie Castle Hope Emerson and Helen Walker made a lasting impression with their roles in the genre These six women and 43 others who were most frequently featured in films noirs are profiled here focusing primarily on their work in the genre and its impact on their careers A filmography of all noir appearances is provided for each actress

Motion Pictures From the Fabulous 1940's Terry Rowan, 2016-01-06 In Europe the war was already old but while feeding nickels into roadhouse jukeboxes the Presidential conventions where the biggest question would be whether That Man in the White House would shatter yet another precedent and run for a third term To many Americans there seemed little else worth worrying about As with all time periods the 1940s had a set of specific fads that were popular around the country Read this book and find out about the films of this decade and more

Allan Dwan and the Rise and Decline of the Hollywood Studios Frederic Lombardi, 2013-03-05 It could be said that the career of Canadian born film director Allan Dwan 1885 1981 began at the dawn of the American motion picture industry Originally a

scriptwriter Dwan became a director purely by accident Even so his creativity and problem solving skills propelled him to the top of his profession He achieved success with numerous silent film performers most spectacularly with Douglas Fairbanks Sr and Gloria Swanson and later with such legendary stars as Shirley Temple and John Wayne Though his star waned in the sound era Dwan managed to survive through pluck and ingenuity Considering himself better off without the fame he enjoyed during the silent era he went on to do some of his best work for second echelon studios notably Republic Pictures Sands of Iwo Jima and such independent producers as Edward Small Along the way Dwan also found personal happiness in an unconventional manner Rich in detail with two columns of text in each of its nearly 400 pages and with more than 150 photographs this book presents a thorough examination of Allan Dwan and separates myth from truth in his life and films

Abroad With Two Yanks Introduction

In today's digital age, the availability of Abroad With Two Yanks books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Abroad With Two Yanks books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Abroad With Two Yanks books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Abroad With Two Yanks versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Abroad With Two Yanks books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Abroad With Two Yanks books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Abroad With Two Yanks books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Abroad With Two Yanks books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Abroad With Two Yanks books and manuals for download and embark on your journey of knowledge?
