**An Absolute Sort of Certainty** Stephen J. Nichols, 2003 Reveals the contours of Edwards's apologetics by exploring his view of the Spirit's work in inspiration regeneration illumination and especially assurance **The Legacy of Jonathan Edwards in the Theology of Andrew Fuller** Chris Chun, 2012-04-03 This study positions itself in the transatlantic early modern period between American Congregationalist Jonathan Edwards 1703-1758 and English Baptist Andrew Fuller 1754-1815 and their attempts to express *au fait* understanding of reformed soteriological ideas in the age of reason *The Jonathan Edwards Encyclopedia* Harry S. Stout, 2017-11-30 Jonathan Edwards 1703-1758 is widely acknowledged as one of the most brilliant religious thinkers and multifaceted figures in American history A fountainhead of modern evangelicalism Edwards wore many hats during his lifetime theologian philosopher pastor and town leader preacher missionary college president family man among others With nearly four hundred entries this encyclopedia provides a wide ranging perspective on Edwards offering succinct synopses of topics large and small from his life thought and work Summaries of Edwards's ideas as well as descriptions of the people and events of his times are all easy to find and suggestions for further reading point to ways to explore topics in greater depth Comprehensive and reliable with contributions by 169 premier Edwards scholars from throughout the world The Jonathan Edwards Encyclopedia will long stand as the standard reference work on this significant extraordinary person Jonathan Edwards and Justification by Faith Michael McClenahan, 2016-05-06 Jonathan Edwards 1703-1758 is widely regarded as North America's most influential theologian Throughout the early decades of his ministry he engaged in a public and sustained debate with Arminian theology a crusade that contributed significantly to the events of the Great Awakening This book investigates the contours and substance of this theological war In establishing a clearer historical context for this polemic McClenahan seeks to overturn the scholarly consensus that Edwards' own theology was a twisting of the Reformed tradition By demonstrating that Edwards' interlocutor was the dead English Archbishop John Tillotson McClenahan provides the hermeneutical key for many of Edwards' most significant works Justification by faith is one of the most contested doctrines in contemporary theology and Jonathan Edwards referred to as America's Augustine wrote extensively on this area His is a voice that many people are keen to hear **God is a Communicative Being** William M. Schweitzer, 2012-03-29 Over the past half century there has been a proliferation of scholarship on the great American theologian Jonathan Edwards However the vast majority of this output confines itself to the details of his work With some welcome exceptions the forest has often been missed for the trees In this ground breaking study William Schweitzer presents a new reading of Edwards He starts with the question what is distinctive in Edwards' theology The answer comes in Edwards' insight into Trinitarian life God is eternally communicative of his knowledge love and joy among the Three Persons of the Trinity and this divine communicativeness was for Edwards the explanation for why God created the universe More specifically however Edwards believed that God's communication carries with it the Trinitarian

hallmark of harmony This hallmark is not always easy to discern even for the regenerate Edwards lifelong project as demonstrated by the common purpose of all three unfinished Great Works was to interpret the harmony found in and among the several media of revelation

**Jonathan Edwards as Contemporary** Don Schweitzer, 2010 Bibliography of the works of Sang Hyun Lee on Jonathan Edwards P

**Renewing Spiritual Perception with Jonathan Edwards** Ray S. Yeo, 2016-06-17 Jonathan Edwards theologically sophisticated psychology of grace remains one of the deepest and most fertile theological psychologies in the Protestant tradition The heart of his account lies in his foundational doctrine of spiritual perception where he locates the psychological core of the engrafted Christian life This work revisits Edwards doctrine from the perspective of recent work in the philosophy of emotions and other related philosophical sub disciplines The aim is to recover this often neglected theme in contemporary theology and renew it by bringing Edwards theological insights into conversation with various spheres of contemporary philosophical discussion The account of spiritual perception that emerges from this interdisciplinary dialogue is one that seeks to revise update and deepen Edwards own thinking on the matter in five major ways The book concludes by arguing that the capacity for spiritual and emotional perception of the supreme good is grounded upon a wisdom like seminal virtue centred upon the incarnate Christ i e Christocentric wisdom Such wisdom on the renewed account is considered the psychological core of transforming grace and the foundational basis upon which all other Christian virtues are formed

**Jonathan Edwards and the Trinitarian Shape of Beauty** John Cunningham, 2015-06-02 This dissertation is a theological analysis of the trinitarian shape of Jonathan Edwards aesthetics of beauty The contributions of this dissertation lie chiefly in three areas The primary aim of this study is to advance the burgeoning field of the study of Jonathan Edwards by elucidating his views of beauty In so doing I present him as a rich source for the theological engagement of beauty which could serve not only the field of Edwards studies but also that of theological aesthetics more broadly

**Jonathan Edwards's Bible** Stephen R. C. Nichols, 2013-08-21 New England colonial pastor and theologian Jonathan Edwards 1703-58 was well aware of the threat that Deist philosophy posed to the unity of the Bible as Christian Scriptures yet remarkably his own theology of the Bible has never before been examined In the context of his entire corpus this study pays particular attention to the detailed notes Edwards left for The Harmony of the Old and New Testament a great work hitherto largely ignored by scholars Following examination of his Harmony notes a case study of salvation in the Old Testament challenges the current dispositional account of Edwards soteriology and argues instead that the colonial Reformed theologian held there to be one object of saving faith in Old and New Testaments namely Christ

**The Oxford Handbook of Jonathan Edwards** Douglas A. Sweeney, Jan Stievermann, 2021 Offers a state of the art summary of scholarship on Edwards Features 37 contributions by a diverse interdisciplinary cast of scholars Includes articles on Edwards s reception on every major continent written by leading Edwards scholars Book jacket

**Reading Jonathan Edwards** M.X. Lesser, 2008-02-13 This compilation of reader response to Jonathan Edwards spanning 276 years includes a

reprint of two earlier works Jonathan Edwards A Reference Guide 1981 and Jonathan Edwards An Annotated Bibliography 1994 and the publication of a third a gathering of commentary from 1994 to 2005 Nearly 140 essays have been added to the first and second works while the last new gathering which includes a celebration of the tercentenary of Edwards s birth adds another 700 to the whole The text preserves the pattern of arranging items alphabetically within a given year and of recording cross references Essays in a collection are annotated serially rather than alphabetically Each of the three sections is self contained with an introduction and annotated bibliography of its own Adding to the immense value of this work to Edwards scholars are the chronology of Edwards s works listed by date and by short and long title which precedes the entire work and the three comprehensive indexes of authors and titles of subjects and additions to the previous volumes **The**

**Unified Operations of the Human Soul** Jeffrey C. Waddington,2015-07-24 This book endeavors to examine and critically assess the theological anthropology of Jonathan Edwards with a view to considering how this anthropology coheres with his apologetic methodology Specifically the question has been raised whether Edwards doctrine of man is consistent with the picture painted of Jonathan Edwards by John Gerstner that he was the epitome of the classical apologist It is argued that Edwards practiced an eclectic apologetic sans apologetic self awareness In other words Edwards was a child of his training and time **America's Theologian Beyond America** Victor Zhu,2022-12-22 In America s Theologian Beyond America

Victor Zhu provides a nuanced investigation of Edwards s anticipation of the millennium Zhu shows that Edwards s millennialism is neither America centric nor politically utopian Rather Zhu revisits Edwards s belief in Israel s restoration to the Promised Land and highlights his eschatological hope for China and the rest of the heathen world **Themelios,**

College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary      That Which They Can't See David Van Brugge,2025-01-20 In this retrieval study David Van Brugge addresses how the current understanding of a homiletical use of imagination for expository preaching might be strengthened The current need for strengthening becomes apparent when the various understandings of imagination and their implications for practical theology are realized This is compounded as trends in homiletics seem to minimize the imagination or embrace it in modern or postmodern ways The original contribution of this study is recognizing that the homiletical use of imagination can be strengthened by retrieving the Puritan baroque characteristics of Jonathan Edwards imagination as evidenced in his sermons to the Stockbridge Indians of 1751 1758 Edwards drew on a rich background to display an imagination that synthesized thoughts and ideas thought beyond the senses and that by the grace of God transformed thought and practice Through that creative thought Edwards maintained Biblical exposition and appeal to the affections Van Brugge further develops and evaluates the idea of Puritan baroque characteristics concluding that it is a helpful characterization of Edwards Stockbridge Indian sermons In these sermons Edwards imaginatively used imagery light space movement and glorification for the ultimate goal of directing the affections of his audience towards God Such a use of imagination for affective purpose becomes a key for the strengthening of a homiletical use of imagination today      **Revelation in Christian Theologies of Religions** Iain McGee,2024-06-04 What are non Christian religions How is God related to them How do they relate to Christianity In this original book Iain McGee explores five Christian theologians answers to these questions The study spans the history of the church covering figures from four different continents Justin Martyr Augustine John Calvin Jonathan Edwards and Daniel Strange Focusing on the revelation religion interface in the writings of these scholars McGee outlines and analyzes their varied understandings of Logos illumination the prisca theologia and the demonic alongside the relationships between them and their impact on non Christian religion McGee forwards an argument that each theology can be considered a biblically informed contextually reflective and reactive response to significant religious challenges faced by these Christian thinkers in their attempts to demonstrate the uniqueness of the Christian faith      *The Great Work of Providence* Rachel S. Stahle,2010-01-01 Even though Jonathan Edwards is arguably America s greatest theologian the content and value of his work remains a mystery to most Stahle systematizes and summarizes Edwards s biblically grounded thought in contemporary language and makes Edwards accessible to pastors students and church study groups Edwards s conceptions of the Trinity are explained in detail and shown to be the basis for the rest of his theology including his ideas about sin salvation holiness the purpose of history Scripture revivals of religion heaven and hell and the church Reflection and study questions are provided to enrich comprehension and demonstrate the relevance of Edwards s theology for contemporary life The wealth of this Puritan s personal piety and intellectual brilliance is no longer beyond the reach of twenty first century Christians      **To Understand Things as Well as Words** John R. Van Wyk,2025-06-17 One significant way that the influential Puritan minister Jonathan

Edwards 1703 58 remains relevant today is through his approach to teaching His holistic pedagogical approach addressed the total person mind intentions and actions Crucial to Edwards also was mentoring students to assist their spiritual development and to encourage and to help enable their leadership potential This volume fills a significant gap in the academic study of Jonathan Edwards his work as a teacher and educational theorist **Book 3 Authority HC** Kurt Jurgensmeier, 2012-08-22 Is Scripture really our ultimate authority Most Christians answer this question by simply saying The Bible is my final authority But as we explain here such a view forgets that there is a human being between us and the Bible which is why there are a multitude of interpretations of the Bible that people live by Reformed theologians in particular have claimed that a testimony of the Spirit or some sort of an additional revelation of the Spirit confirms to us what is true But again we can demonstrate that there is no biblical or practical support for this Accordingly we are back to our God given reason and the right and responsibility of private judgment as our ultimate subjective authority by which we live by Postmoderns are right then to assert that our own reason is the god we live by But they are wrong to ignore that our ultimate objective authority is God Who our reasoning will be judged by **Salvation in the Flesh** David Tremontozzi, 2018-02-01 David Tremontozzi contends that conservative traditional Christianity has uncritically adopted an intellectualist i e rationally driven view of faith in its understanding and practice of salvation Throughout he maintains that an intellectualist soteriology should be rejected because it prioritizes the rational over other behavioral and affective aspects of faith An intellectualist rendering of salvation is incomplete because human experience is neither abstract nor gnostic it is embodied and experientially relevant An intellectualist soteriology simply cannot account for the dynamic and transforming possibilities of saving grace Salvation in the Flesh offers an innovative perspective on the embodied nature of faith and the centrality of the Holy Spirit in the Christian doctrine of salvation Drawing from the cognitive neurosciences and psychology Tremontozzi argues for a holistic awareness of cognition to better inform an embodied understanding of faith In dialogue with the cognitive sciences he appropriates Jonathan Edwards theology of religious affections early church practices and pentecostal spirituality to highlight the soteriological significance of orthodoxy orthopraxy and orthopathy for a renewal soteriology of embodiment In doing so Tremontozzi offers a vision of salvation that more thoroughly accounts for the multifarious ways God s saving grace interacts with human flesh and blood
