Academic Advising An Annotated Bibliography

Stephen H. Aby, James Kuhn

Academic Advising An Annotated Bibliography:

Academic Advising ,1994-05-25 The literature about academic advising has proliferated at a rapid rate during the past decade This volume cites and annotates some 350 items on that topic While most of the works were published in the 1980s and 1990s a few classic books and articles from the past have also been included Entries are grouped in topical chapters and each overviews the contents of the work cited Academic advising is one of the most important services on campuses today No longer viewed as simple course scheduling this subject is seen as a vital process that assists students in setting goals and negotiating the college experience in a positive way Advising has evolved as a critical function because of the increasing complexity of curricula the competitiveness of the job market and the changing nature of the student population The literature on academic advising has consequently proliferated during the past decade and this book provides valuable guidance in that area It contains some 350 entries for books and articles on academic advising and closely related topics Entries are grouped in topical chapters and each includes a short annotation While most of the works cited were published in the 1980s and 1990s a few classic articles and books from the past have also been included to give the collection an historical perspective Resources in Education ,1998 **Teaching Through Academic Advising** ,1995 **First-year Academic Advising** M. Lee Upcraft,Gary L. Kramer,1995 This monograph is designed to provide a blueprint to educators on how to improve academic advising for first year college students **Developing and Sustaining Successful First-Year Programs** Gerald M. Greenfield,Jennifer R. Keup,John N. Gardner,2013-06-26 Developing and Sustaining Successful First Year Programs First year programs and interventions have become critical launching pads for student success and retention in higher education However these programs often flounder not because of what they are trying to do but because of the ways in which they are implemented Developing and Sustaining Successful First Year Programs offers faculty academic administrators and student affairs professionals a comprehensive and practical resource that includes step by step guidance for developing new first year programs and enhancing existing programs The book explores the key elements that contribute to sustained student success and the programs that have the capacity to continue to meet student needs while making the most of scarce resources The authors show how to create and sustain critical partnerships put in place the needed organizational structures and include strategies for developing effective assessments and evaluations Developing and Sustaining Successful First Year Programs is filled with illustrative examples and profiles of successful programs from a range of institutions that vary in size type selectivity and culture Examples of common programs and interventions include summer bridge programs student orientation first year seminars learning communities residential programs developmental education and many more Based in scholarly literature theory and practice the book highlights the initiatives that facilitate the transition learning development and success of new college students **American Reference Books Annual** Juneal M. Chenoweth,1995-04-15 With more than 1600 descriptive and evaluative entries ARBA continues its 26 year tradition as a

comprehensive review source for reference works published or distributed in the US ARBA 95 encompasses the subject spectrum covering such broad areas as general reference history education economics and business and science and technology Of special note in this edition is increased coverage of CD ROM products More than 350 reviewers provide reviews that cover strengths and weaknesses of the reference works *Intelligent Information Technologies and Applications* Sugumaran, Vijayan, 2007-11-30 With the inundation of emergent online and Web centered technologies there has been an increased focus on intelligent information technologies that are designed to enable users to accomplish complex tasks with relative ease *Intelligent Information Technologies and Applications* provides cutting edge research on the modeling implementation and financial environmental and organizational implications of this dynamic topic to researchers and practitioners in fields such as information systems intelligent agents artificial intelligence and Web engineering

Academic Freedom Stephen H. Aby, James Kuhn, 2000-02-28 The freedom of academics to pursue knowledge and truth in their research writing and teaching is a fundamental principle of contemporary higher education in the United States But this freedom has been hard won and regularly abridged reinterpreted and violated Academic freedom has been central to many issues and controversies in higher education and has thus generated literature in a variety of disciplines This book provides access to that literature Included are entries for nearly 500 books chapters articles reports web sites and other sources of information about academic freedom Each entry includes a descriptive annotation and the entries are grouped in topical chapters While most of the works cited were published since the 1940 American Association of University Professors Statement of Principles on Academic Freedom and Tenure some older studies have also been included Though the volume focuses primarily on higher education in the U S it also includes a chapter on academic freedom in other countries

Research in Education, 1970-12 **Choice**, 1995 **Writing the Modern Research Paper** Robert Dees, 2003 Writing the Modern Research Paper is a practical and contemporary guide to writing research papers offering students advice on how to think critically throughout the research process Designed as a complete reference this book offers a step by step guide to research encouraging students to think carefully and critically about such issues as audience topic and thesis as well as evaluating integrating and citing sources appropriately The text covers both informative and argumentative purposes for doing research including a full chapter on reasoning and evidence in argumentative research papers Original and realistic student examples throughout show various approaches to the methods of planning and researching This contemporary book offers full coverage of computer research technologies extensive attention to the prewriting and planning stages of the assignment and pedagogy designed to encourage students to work collaboratively There is also unparalleled coverage of the major disciplinary documentation forms MLA APA CBE and Chicago The book also features examples from modern research sources Citation Indexes the Internet not covered in other texts **Professional Development** Sally Shake Gaff, Conrad Festa, Jerry G. Gaff, **Human Computer Interaction: Concepts, Methodologies, Tools, and Applications** Ang, Chee

Siang,Zaphiris, Panayiotis,2008-10-31 Penetrates the human computer interaction HCI field with breadth and depth of comprehensive research *NACADA Journal* ,1998 **Music Career Advising** Eric Branscome,2013-05-02 As students begin finalizing college and career decisions they are faced with tough choices that impact the next 2 to 42 years of their lives While career decisions can be challenging for anyone they seem more difficult for students who are considering careers in music Although there are many viable music career options there is considerable uncertainty regarding the types of jobs available and the skills and other traits that help student musicians determine if they will be a good fit in their chosen careers As a result music students commonly feel lost regarding music career decisions turning to parents and teachers who feel just as ill equipped to provide insight Music Career Advising A Guide for Parents Students and Teachers answers the most common music career questions through research based career advising strategies a comprehensive inventory of music careers bibliography of print and on line music career resources and additional information gathered through interviews with leading musicians in the field and faculty members in some of the most prestigious university music programs in the country *Resources in Education* ,1996 **The Book of Professional Standards for Higher Education** Council for the Advancement of Standards in Higher Education,2003 Standards to guide the practice by student affairs student development and student support service providers employed by institutions of higher learning page 7 *American Educational Research Association Annual Meeting Program* American Educational Research Association,1994 **Sociological and Psychological Aspects of Information Literacy in Higher Education** Teresa Y. Neely,2002-04-23 This illuminating resource presents an alternative more holistic approach to information literacy that is not commonly explored Neely investigates a number of sociological and psychological factors believed to affect college level students ability to make judgements including exposure to and experience in information environments and subsequent performance in such environments Sociological and Psychological Aspects of Information Literacy in Higher Education describes Neely s investigation her data collection methods as well as her data analysis and explains how her thesis research led her to create guidelines on how academic institutions can improve their approach to information literacy Included are several recommendations for those exploring future research options on information literacy as well as guidelines on how academic institutions can better serve students in information literacy *Academic Advising for Student Success and Retention* Michael Hovland,Edward C. Anderson,William McGuire,David Crockett,1997
