unions Publishers Weekly Nowhere in the world has organized crime infiltrated the labor movement as effectively as in the United States Yet the government the AFL CIO and the civil liberties community all but ignored the situation for most of the twentieth century Since 1975 however the FBI Department of Justice and the federal judiciary have relentlessly battled against labor racketeering even in some of the nation s most powerful unions Mobsters Unions and Feds is the first book to document organized crime s exploitation of organized labor and the massive federal cleanup effort A renowned criminologist who for twenty years has been assessing the government s attack on the Mafia James B Jacobs explains how Cosa Nostra families first gained a foothold in the labor movement then consolidated their power through patronage fraud and violence and finally used this power to become part of the political and economic power structure of twentieth century urban America Since FBI Director J Edgar Hoover s death in 1972 federal law enforcement has aggressively investigated and prosecuted labor racketeers as well as utilized the civil remedies provided for by the Racketeer Influenced and Corrupt Organization RICO statute to impose long term court supervised remedial trusteeships on mobbed up unions There have been some impressive victories including substantial progress toward liberating the four most racketeer ridden national unions from the grip of organized crime but victory cannot yet be claimed A must read book for anyone interested in the problem of union corruption and what to do about it Industrial and Labor Relations Review *Robert Kennedy* Evan Thomas,2013-02-05 He was Good Bobby who as his brother Ted eulogized him saw wrong and tried to right it saw suffering and tried to heal it And Bad Bobby the ruthless and manipulative bully of countless conspiracy theories Thomas s unvarnished but sympathetic and fair minded portrayal is packed with new details about Kennedy s early life and his behind the scenes machinations including new revelations about the 1960 and 1968 presidential campaigns the Cuban Missile Crisis and his long struggles with J Edgar Hoover and Lyndon Johnson **Menace to Society** Roy Godson,2017-12-02 One of the more dangerous contemporary threats to the quality of life is the collaboration of the political establishment with the criminal underworld the political criminal nexus PCN This active partnership increasingly undermines the rule of law human rights and economic development in many parts of the world States in transition are especially at risk Despite the magnitude of the threat there is little understanding of the security threats by the PCNs and how and why political criminal relationships are formed and maintained Menace to Society is the first attempt to develop an analytical framework for making generalizations about this contemporary scourge Case studies of Colombia Hong Kong Taiwan Italy Mexico Nigeria Russia and Ukraine and the United States by leading scholars and practitioners included here answer such key questions as How do PCNs get established How is a PCN maintained and destroyed What do the participants want from each other in a PCN What can be learned from those who have successfully countered the PCN The findings indicate that political economic and cultural factors play a significant role in the formation and evolution of PCNs When the institutions of the state are weak as in Nigeria and Colombia it is difficult for the state to prevent political criminal collaboration A lack of checks and balances either from civil society or

opposition political parties such as described in the cases of Mexico and Russia is a key factor Cultural patterns tend to facilitate this kind of collaboration Markets and economics too bear on the PCN issue The supply and demand for illegal goods and services not only drugs in many countries creates a market controlled by criminals who need political help to run their business Menace to Society will be critical reading for security planners foreign and military policymakers and political scientists *To Kill a Country* Pamela J.
