Access French

Darcie Fontaine

Access French:

Access French: Student Book Bernard Grosz, Henriette Harnisch, 2014-01-09 Access is the major new language series designed with the needs of today's generation of students firmly in mind. Whether learning for leisure or business purposes or working towards a curriculum qualification, Access French is specially designed for adults of all ages and gives students a thorough grounding in all the skills required to understand, speak, read and write contemporary French from scratch. The coursebook consists of 10 units covering different topic areas, each of which includes Language Focus panels explaining the structures covered and a comprehensive glossary. Learning tips and assessment checklists help students to achieve a sense of autonomy while at the end of each unit a *Découverte de la Francophonie* section presents short texts of cultural interest. Numerous references to web-based activities which will be an invaluable support to students learning add significantly to the course. The accompanying free Website gives direct access to additional internet-based activities for students plus teacher support and guidance.

Access French B. Grosz, 2003 *Modern France and the World* Darcie Fontaine, 2023-02-27 *Modern France and the World* provides an engaging global history of the key events of modern France and its empire. It moves beyond the traditional political narrative of the development of the French Republican nation-state to offer both national and international perspectives of its evolution. The volume illustrates the integral exchanges that have taken place between France and the modern world from global trade in the eighteenth century to the impact of postcolonial immigration and globalization on French identity and on France's diverse population. It includes the voices of women, colonized populations and those who both embraced and challenged the spread of French ideas and values around the globe. Drawing on methodologies of social, cultural and gender history, this textbook integrates a wide range of analytical tools to entice readers to engage more deeply in France's dynamic global history. By presenting the history of France and its global engagements from the mid-seventeenth century to the present, this volume is an essential resource for all students who study the history, politics and culture of modern France.

Access to Oil Fern R. Gold, United States. Congress. Senate. Committee on Energy and Natural Resources, 1977 *Learn French for Beginners* Pro Language Learning, The Ultimate Beginners Guide on Learning French from Scratch in a Matter of Days. French Emigration to Great Britain in Response to the French Revolution Juliette Reboul,2017-08-25 This book examines diverse encounters between the British community and the thousands of French individuals who sought haven in the British Isles as they left revolutionary and Imperial France This painstaking research into the emigrant archival and memorial presence in Britain uncovers a wealth of underused and alternative sources on this controversial population displacement These include open letters and classified advertisements published in British newspapers insurance contracts as well as lists of addresses and passports drawn up by local authorities These sources question the construction by British loyalists and French migr elites of a stereotyped emigrant figure and their use of the trauma of forced displacement to advance ideological agendas In fact public and private discourses on governmental systems foreigners political and religious dissent and the economic survival of French emigrants demonstrate the heterogeneity of the responses to emigration in Britain Ultimately this book narrates a story in which the emigrant community and its host have been often unnoticeably yet fundamentally transformed by their encounter in both practical and ideological domains
