Accidental Explorers Rebecca Stefoff,1992 Discusses the role of chance in the discoveries of such explorers as Columbus Ponce de Leon Dr David Livingstone and Jedediah Smith **The Accidental Explorers** Rebecca Stefoff,2011-07-30

Discusses the role of chance in the discoveries of such explorers as Columbus Ponce de Leon Dr David Livingstone and Jedediah Smith *Biographies of the New World* Britannica Educational Publishing,2012-06-01 With their eyes set on distant horizons explorers from across Europe including Leif Eriksson Sir Francis Drake and Alexander von Humboldt voyaged to the New World They discovered the lands that would later be known as the Americas motivated by curiosity commercial interests or scientific inquiry These adventurers charted previously unknown territories encountered and often tragically exploited native peoples and changed the fate of the global landscape The stories of these trailblazers and their remarkable journeys comprise this compelling volume **Christopher Columbus** Martha Kneib,2002-12-15 A biography of the fifteenth century explorer describing his lifelong interest in the sea and his voyages of discovery to the New World

America's Story ,1997 **Readers Theatre for Global Explorers** Doraine Bennett,2010-12-16 This exciting compilation of readers theatre scripts for the 4th to 8th grade social studies classroom brings history to life via the adventures of explorers across the globe Throughout history powerful kings and queens have sent their emissaries on quests for land and wealth to expand their empires But what about those emissaries A man who ventures to sail into uncharted seas knowing he may never return A woman who disguises herself and walks into forbidden lands What gave them the courage and the strength to face many daunting challenges How did they feel during the worst and best times in their adventures Readers Theatre for Global Explorers gives social studies teachers and school librarians a tool to introduce students to the determined men and women who ventured into unknown territory This collection of short scripts for 4th 8th grade students teaches about explorers their native cultures and the lands they found Just as importantly they make learning fun **Stories**

in Time ,1997 *Explorers of North America* Brendan January,2000 Ideal for today s young investigative reader each A True Book includes lively sidebars a glossary and index plus a comprehensive To Find Out More section listing books organizations and Internet sites A staple of library collections since the 1950s the new A True Book series is the definitive nonfiction series for elementary school readers **Conflict in the Early Americas** Rebecca M. Seaman,2013-08-27 This detailed study is the only reference work of its kind to address Spain s conquest of Central and South America providing in depth coverage of native and European ideologies political motivations and cultural practices of the region As the study of world history evolves from a Eurocentric perspective to a more global viewpoint formerly marginalized groups are now the focus of discussion revealing a background rich with important military political social and economic achievements This book examines the once prosperous and powerful native civilizations in Central and South America discussing the key individuals strategies and politics that made these countries strong and indomitable In spite of this the author shows how in only a few

generations Spain defeated these mini empires eventually dominating much of the Western Hemisphere Conflict in the Early Americas An Encyclopedia of the Spanish Empire s Aztec Incan and Mayan Conquests focuses primarily on the defeat of the Aztec Incan and Mayan civilizations but also includes Spanish interactions with lesser known native groups Supporting documents including primary sources maps and visual aids provide necessary context to this once untold story The British Library Companion to Maps and Mapmaking Rebecca Stefoff,1995 This guide to maps and map making combines dictionary and encyclopaedia formats to provide a comprehensive accessible reference to geography and mapping Over 350 entries are arranged alphabetically for ease of use and illustrations include maps from all periods portraits and drawings or diagrams illustrating technical topics Biographical entries include colourful details and anecdotes as well as the important facts about each individual s contribution to cartography Most entries include suggestions for further reading and are cross referenced to other articles **Good Stuff** Rebecca Rupp,1993 British Book News British Council,1993 Includes no 53a British wartime books for young people *The Himalayas* Andrew J. Hund,James A. Wren,2018-06-15 A thorough and detailed resource that describes the history culture and geography of the Himalayan region providing an indispensable reference work to both general readers and seasoned scholars in the field *The Himalayas An Encyclopedia of Geography History and Culture* serves as a convenient and authoritative reference for anyone exploring the region and seeking to better understand the history events peoples and geopolitical details of this unique area of the world It explores the geography and details of the demographics discusses relevant historical events and addresses socioeconomic movements political intrigues and controversies and cultural details as to give an overarching impression of the region as a coherent and cohesive whole Readers will come away with a vastly heightened understanding of the geographical region we recognize as the Himalayas and grasp the issues of geography history and culture that are central to contemporary understandings of the human culture in the region The alphabetically arranged and succinct entries provide easy access to detailed authoritative information Additionally sidebars throughout the book relate compelling facts that point readers to new and interesting avenues of exploration The volume also includes a chronological overview of the region ten primary source documents and a comprehensive bibliography of supporting works U.S. History Through Children's Literature Wanda Miller,1997-03-15 Allow students to step back in time to experience the thoughts feelings dilemmas and actions of people from history For each history topic Miller suggests two titles one for use with the entire class and one for use with small reading groups Summaries of the books author information activities and topics for discussion are supplemented with vocabulary lists and ideas for research topics and further reading This integrated approach makes history meaningful to students and helps them retain historical details and facts The Horn Book Guide to Children's and Young Adult Books ,1992 **Children's Books in Print** R R Bowker Publishing,Bowker,1999-12 **The Planet Earth** Kenneth C. Davis,2001 The author uses a question and answer format to explain many things about Earth s geography and peoples He includes interesting facts about rivers deserts

continents and countries **Social Studies and the Young Learner** ,1995 A quarterly for creative teaching in grades K 6
