Accidental Pope:

The Accidental Pope Ray Flynn, Robin Moore, 2015-07-14 The former US Ambassador to the Vatican and the bestselling author of *The French Connection* join forces to write an unforgettable compelling novel about a humble fisherman who is elected as the next Pope Locked in a stalemate after days of voting the College of Cardinals struggles through the arduous process of electing a new pope after the death of Pope John Paul II In an effort to break the impasse at the conclave Brian Comiskey Cardinal Primate of All Ireland in a stunning surprise development withdraws from the race Explaining his decision he offers an anecdote about being among a boat load of clerics who were caught in an unexpected storm then miraculously rescued by his friend Bill Kelly a former priest and now a Cape Cod fisherman The next day at the Sistine Chapel still undecided about who they should vote for the Cardinals smile to themselves as they cast what they think are throw away symbolic votes for Bill Kelly but no one is laughing when he is elected Pope Meanwhile in Massachusetts Bill Kelly is on his boat at sea when he has a very clear and disturbing revelation God is once again calling him to serve his Church Thus begins the reign of the first American Pope Written with the style of bestselling novelist Robin Moore and the political brilliance and authority of former U S Ambassador Raymond Flynn *The Accidental Pope* is not a religious book about politics nor a political book about religion but a story that gives insight into the Vatican and the role of the Holy See in world events *The Accidental Pope* is a globetrotting tale full of suspense drama and humor *The Accidental Pope* Raymond L. Flynn, 2000 [The Unexpected Death of Father Wilfred](#) Julius Falconer, 2009-09-09 One February evening in the year 1968 Fr Wilfred the parish priest of the Sacred Heart Catholic church in Droitwich tumbles out of his confessional stabbed to death His older sister demands the best detective in the force and Stan Wickfield is appointed to the case Unfortunately he cannot identify either the means or the motive of the murder much less the perpetrator His investigation leads him through the highways and byways of tensions in the Catholic Church in the wake of the Second Vatican Council and brings him face to face with anti Catholic sentiment in the local population His suspects include an eccentric and learned septuagenarian spinster who quotes d Azeglio every time they meet a school technician rejected for the priesthood because of his sexuality the custodian of Kenilworth Castle and a bookmaker with a taste for anti papal sentiment Motives for the priest s death waver confusingly between contempt for his office disapproval of a teenage indiscretion personal hatred and suicide Wickfield is at his wits end until his wife s reading a novella by Nicholas Montserrat prods him towards a triumphant solution The story comes to a dramatic climax in two sermons preached by the dead priest s curate Fr Gabriel Julius Falconer never fails to write serious and stimulating stories with humour a wealth of researched detail and subtle plots Book reviews online PublishedBestsellers website **Pope, Print, and Meaning** J. private life in confronting his opponents A Basilisk Glance Robert Templer,2024-09-03 Poison invisible unknown hard to detect and deadly taps into hard wired anxieties about the risks of the world around us From ancient times to the modern age it has always created more fear than any other threats In *A Basilisk Glance Poisoners from Plato to Putin* author Robert Templer takes us through the dark maze of poison He traces its path from when Hercules dipped his arrows in the blood from the severed head of the Hydra to the use of chemical weapons in the Iran Iraq War in 1980s from the death of Socrates to the use of toxins as a weapon of assassination from the mass suicide of Jonestown in 1979 to the sarin attack in the Tokyo metro system Today as the war in Ukraine rages we are reminded of the use of radioactive and nerve weapons by Russian President Vladimir Putin to kill his opponents His targets like other victims of poison through the ages know that they are never safe a cup of tea a door handle or even their own underwear might be tainted with a deadly toxin *The Templars at War* Zvonimir Grbasic,2022-08-11 The Poor Fellow Soldiers of Christ and the Temple of Solomon better known as the Knights Templar or simply the Templars are the most famous of the Crusading knightly orders Formed in 1119 to protect Christian pilgrims to the Holy Land this curious hybrid of military unit and monastic brotherhood were the staunchest defenders of the Crusader States of Outremer for nearly two centuries Knights joining the Templars renounced their worldly possessions and vowed to follow a strict code which included the command to fight the infidel enemy bravely regardless of the odds They provided Christian armies with a lethal cutting edge in open battle launching fanatical charges to break the enemy formations as well as garrisoning a network of forts as a stubborn bulwark against reconquest Zvonimir Grbasic outlines their history narrating many of their greatest victories and defeats in detail such as Montgisard and the Horns of Hattin describes their organization and hierarchy training and daily life These elite warriors both the knights and the lowlier ranks are illustrated with the author's beautiful original paintings and drawings **Pope's Common Sense** Jettie Irving Felps,1958 The Texas Court of Appeals Reports Texas.
