# THE ACCOUNTABLE CORPORATION

VOLUME 1

CORPORATE GOVERNANCE

EDITED BY MARC J. EPSTEIN AND KIRK O. HANSON

# Accountable Corporation

**Sage Publications**

## **Accountable Corporation:**

**The Accountable Corporation: Business ethics** Marc J. Epstein, Kirk O. Hanson, 2006 A collection of essays on the role of business in society This book provides provocative analysis cultural and historical context and solutions from the public private and non profit sectors toward more responsible ethical and accountable business It features articles by the world's leading scholars executives and practitioners

**Accountability and Corporate Human Rights Violations in Tort and International Law** Emmanuel Nartey, 2021-10-04 This volume identifies a coherent legal principle in order to establish a novel duty of care for corporate human rights violations and environmental damages It examines whether tort and civil law offer better accountability and remedies for victims of corporate human rights abuses and carries out an in depth and critical analysis of the concept of corporate accountability Moreover a fundamental part of this book is devoted to examining the extent to which international criminal law influences international human rights law in its use of tort law and civil law remedies Finally the book sets out a theoretical mechanism for duty of care as well as a proposal for the establishment of a Hybrid International Transnational Corporation Court that would have the potential to effectively interpret the concept of the corporate duty of care under tort law

**Fair Trade, Corporate Accountability and Beyond** Shelley Marshall, 2016-04-15 As trade and production have increasingly crossed international boundaries private bodies and governments alike have sought new ways to regulate labour standards and advance goals of fairness and social justice Governments are harnessing social and market forces to advance corporate accountability while private bodies are employing techniques drawn from command and control regulation to shape the behaviour of business This collection brings together the research and reflections of a diverse international mix of academics activists and practitioners in the fields of fair trade and corporate accountability representing perspectives from both the industrialized and developing worlds Contributors provide detailed case studies of a range of social justice governance initiatives documenting the evolution of established strategies of advocacy and social mobilization and evaluating the strengths and limitations of voluntary initiatives compared with legally enforceable instruments

**The Constitutional Corporation** Stephen Bottomley, 2007-01-01 This book argues that instead of consigning shareholders to a passive role they should be given opportunities to be active members of corporations The ideas of accountability deliberation and contestability provide a valuable framework for assessing corporate structures and process and for encouraging greater shareholder participation

**Board Accountability in Corporate Governance** Andrew Keay, 2015-05-15 Within corporate governance the accountability of the board of directors is identified as a major issue by governments international bodies professional associations and academic literature Boards are given significant power in companies and as a consequence it is argued that they should be accountable for their actions Drawing on political science public administration accounting and ethics literature this book examines the concept of accountability and its meaning in the corporate governance context It examines the rationale for making boards accountable and outlines the obstacles and

drawbacks involved in providing for accountability The book goes on to examine how current mechanisms for ensuring accountability are assessed in terms of fairness justice transparency practicality effectiveness and efficiency before discussing the ways that accountability might be improved Andrew Keay argues that enhanced accountability can provide better corporate governance helping to reduce the frequency and severity of financial crises and improve confidence in company practice As an in depth study of a key element within the exercise of authority and management in corporate entities this book will be of great use and interest to researchers and students of corporate governance business and management and corporate social responsibility

**Corporate Governance** Chris A. Mallin, 2019 The most accessible introduction to corporate governance providing broad international coverage whilst illustrating real world governance in action

SAGE Brief Guide to Corporate Social Responsibility Sage Publications, 2012 Designed to serve as a supplemental text for courses in business ethics corporate social responsibility corporate strategy and organizational behaviour this text is also an indispensable companion text for business students to use throughout their full programme of study It provides objective coverage of key issues in corporate social responsibility the obligation of companies to various stakeholder groups the contribution of business to society and culture and the relationship between organizations and the quality of the environment Key features of the text include the following A Reader's Guide that explains how to use the volume Keyword entries featuring comprehensive essays on such crucial topics as strategic corporate social responsibility strategic philanthropy corporate social performance and social audits A listing of references and suggested readings for each entry so that readers can find more information on topics of particular interest

Kindred Strangers David Vogel, 2016-10-18

Notwithstanding the myriad forms of government assistance to American business the relationship of business to politics in the United States remains a highly antagonistic one characterized by substantial mutual distrust This adversarial relationship is both reflected and reinforced not only in American business ideology but also in America's unique legalistic and confrontational style of regulation the political strategies of the public interest movement the American approach to American industrial policy and the distinctive way Americans think about the subject of business ethics This volume brings together more than two decades of scholarship on business and politics by one of the leading authorities on this subject These essays also explore a number of critical contemporary issues including the ongoing debate over the scope and extent of business power in America the growth of shareholder protests and consumer boycotts the changing politics of consumer and environmental regulation and the emergence of both public and business interest in business ethics In addition they place the contemporary dynamics of American business government relations in both an historical and comparative context Finally these essays demonstrate the importance of integrating the study of business by political scientists with the study of politics by students of management Originally published in 1996 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton

University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Corporate Governance and Risk Management**, Corporate Environmental Accountability in Nigeria Felix Moses Edoho,2023-10-18 This book examines the imperative role of global environmental governance and the need to incorporate corporate environmental accountability and mechanisms for enforcement to effectively address the global environmental crisis The author Felix Moses Edoho Sr examines the issues at the various global national and regional levels In Part I the book examines the issues at the global level and looks at the impact of transnational corporations TNCs and globalization on the global environmental crisis Furthermore it also examines the efforts of the United Nations in initiating global environmental architecture to tackle the crisis Part II considers the issues at the national level and focuses on Nigeria The author explores Nigeria s regulatory and institutional framework for environmental governance and implementation Lastly at the regional level in Part III the discourse centers on how decades of oil exploration and production have unleashed monumental ecological tragedies in the Niger Delta region of Nigeria due to the lack of corporate environmental accountability This book will be of great interest to academics and students who are interested in broadening their knowledge of environmental governance and policy in developing countries It will also be of value to environmental regulatory agencies and public administrators development professionals and TNCs

*Corporate Accountability in the Context of Transitional Justice* Sabine Michalowski,2014-06-23 Corporate Accountability in the Context of Transitional Justice explores how corporations can be held accountable for their role in past human rights violations when a country is making a transition from conflict or repression to peace and democracy It breaks new ground in theorizing the linkages between the areas of transitional justice and corporate accountability and analyzing problems frequently arising where the two fields meet in practice for example where the role of corporations in past human rights violations is examined by truth and reconciliation commissions or in the course of litigation The book provides an overview of the current trends in law and in legal and political discussion relating to both areas as well as in depth analysis of how tools of corporate accountability and transitional justice can complement each other in order to achieve the best outcomes for bringing justice to victims and lasting peace to societies The authors bring extensive experience from diverse professional backgrounds and jurisdictions to provide the first sustained attempt to address this link The book will be of interest to scholars practitioners policymakers and activists working in the areas of transitional justice corporate accountability and business and human rights

Corporations, Crime and Accountability Brent Fisse,John Braithwaite,1993 Explaining why accountability for corporate crime is rarely imposed under the present law this text proposes solutions that would help to extend responsibility to a wide range of actors It develops an Accountability Model under which the courts and corporations work together to achieve

accountability across a broad front      Corporate Integrity and Accountability George G. Brenkert, 2004-06-30 The ethical and legal scandals at Enron WorldCom Tyco and many other businesses in the United States Europe and Asia have shaken people's confidence in business Corporate Integrity and Accountability seeks to address questions of corporate integrity as they arise for financial reporting executive compensation globalization and business ethics itself In so doing it asks the following questions What is the current meaning of corporate integrity How should we go about analyzing and responding to unethical and corrupt behavior both at home and abroad What measures can be undertaken by corporations within their own walls to address these problems What groups and perspectives need to be taken into account with regard to CEO compensation These are a few of the many topics that the chapters in this book discuss under the heading of corporate integrity and accountability The chapters are the product of leading business ethicists both academic and practitioner in the U S and Europe resulting in the application of different methodologies sources and forms of argument This gives the reader a sense not only of the complexity of some of the ethical issues business faces but also the richness of the various resources that are available to address these issues Corporate Integrity and Accountability is ideally suited as a text for courses in the following business ethics corporate social responsibility current ethical issues in business and corporate citizenship

Belgian Yearbook Corporate Finance 2004 R. Aernoudt, E. Verbaere, 2003 The Belgian Yearbook of Corporate Finance presents the reader an overview of the corporate finance business in Belgium This yearbook will assist entrepreneurs and financial officers in finding investors to further develop their business Each year different topics in the area of corporate finance are discussed by different leading academics and practitioners The articles in yearbook 2004 cover the following topics Basle II what does it mean and what is the impact on small and medium sized companies IFRS the new leading accounting standards Demystifying derivatives capabilities and risks of a powerful financial instrument Private Equity a catalyst for collaborative growth environments in Belgium Contributions from P Praet C Achmadi V Weets L van Liedekerke D Cassimon and J Konings      Analysis of the Demand side of Accountability in the Urban Sector A Study of Chennai City Dr. R.S.Murali,      Corporate Governance and Accountability Jill Solomon, 2007-03-16 Courses in corporate governance and corporate social responsibility are growing in number at universities in many countries This textbook covers corporate governance for the UK market      Statement of Disbursements of the Architect of the Capitol for the Period ... United States. Architect of the Capitol, 2016      Single Accountability for the Company Officer , 1984      *Semiannual Report of the Architect of the Capitol* ,      *Semiannual Report of the Architect of the Capitol for the Period ... Pursuant to Section 105(b), Public Law 454, Eighty-eighth Congress* United States. Architect of the Capitol, 2003
