Accounting And Finance In China A Review Of Current Practice:

Accounting and Finance in China Yunwei Tang, Lynne Chow, Barry J. Cooper, 2003 **Perspectives on Accounting and Finance in China (RLE Accounting)** John Blake, Simon S. Gao, 2013-12-04 The rush of entrepreneurial activity in China has been watched with interest by the financial world This book the result of an international symposium on Chinese accounting and financial management assesses the little known accounting scene in China which up until 1978 remained behind closed doors Divided into four sections the volume covers Chinese perspectives on accounting the business and financial structure of China including the re emergence of a Chinese stock market the regulatory framework of accounting in China and comparisons with international accounting standards the impact of current reforms in Chinese accounting practice the emergence of a new accounting profession in China The concluding chapter provides an overview of the cultural context of the reforms which took place in the 1990s By using comparisons with other Asian countries accounting systems like Taiwan the contributors to the volume give an analysis of the state of accountancy in China during the 1990s **Accounting in China in Transition, 1949-2000** Allen Huang, Ronald Ma, 2001 The history of the People s Republic of China can be classified into two distinctive periods Mao s China 1949OCo1978 and Deng s China from 1979 to the present Each period contains a number of sub periods or phases and each phase is characterised by one or more major political or economic events This book gives an outline of the major events and the associated accounting changes over time During the period of Mao s rule China experienced two violent political mass movements which inflicted great suffering on the nation There were few accounting developments in this period In contrast Deng s China set itself the ambitious task of transforming the centrally planned and centrally controlled economy into a market economy OC with Chinese characteristicsOCO There has been an accompanying development in Chinese accounting in which its key role of serving the Government s planning and control needs is transformed into serving the information needs of decision makers in the market place The economic reform in Deng s China has made considerable progress which is particularly evident in the urban and coastal regions The transition from a planned economy to a market economy is incomplete and certain vexatious problems have yet to be resolved The resolution of the state owned enterprise reform issues will set a precedent for the further reform of Chinese accounting Contents Brief History of Accounting in China up to 1949 Accounting in Mao s China Establishment Phase 1949OCo1957 Great Leap Forward 1958OCo1962 Recovery Phase 1963OCo1965 Cultural Revolution 1966OCo1978 Accounting in Deng s China Political Scene in Deng s China Initial Economic Reform 1978OCo1984 Planned Commodity Economy 1984OCo1991 Socialist Market Economy Since 1992 Towards a Successful Outcome for SOE Reform Readership Undergraduate and graduate students academics businessmen and readers with an interest in Asian economic and financial affairs *Taxation in Modern China* Donald J.
