Accounting Profession Major Issues Progress And Concerns:

The Accounting Profession: Appendixes to Major issues, progress and concerns United States. General Accounting Office,1996 *The Accounting Profession* Donald H. Chapin,Robert W. Gramling,1996-12 Contains the individual recommendations made by the major study groups affecting the accounting profession from 1972 95 a list of experts on the subject of accounting copies of written comments received from the AICPA FASB the SEC on a draft of this report **The Accounting Profession** Donald H. Chapin,Robert W. Gramling,1996-12 Concerns the status of recommendations made to the accounting profession over the past two decades by major study groups Identifies 1 recommendations made from 1972 95 to improve accounting auditing standards the performance of independent audits under the federal securities laws the actions taken on those recommendations 2 any unresolved issues to determine their impact on the performance of independent audits effective accounting auditing standards setting efforts to expand the scope of business reporting audit services **The Accounting Profession** United States. General Accounting Office,1996

The Accounting Profession United States. General Accounting Office,1996 Public confidence in the fairness of financial reporting is critical to the effective functioning of the securities markets Federal securities laws require public companies to disclose information that accurately describes the financial condition of a company These laws also require that financial statements filed with the Securities and Exchange Commission SEC by public companies be audited by independent public accountants During the past 20 years costly well publicized and unexpected business failures such as the savings and loan crisis and the resulting government bailouts have raised questions about what the public expects from an independent audit of public companies and how well the audit function meets those expectations More recently the globalization of business the increasing complexities of business transactions and advances in information technology have challenged the relevance and usefulness of traditional financial reporting and the auditor s role in serving the public interest These issues along with major litigation involving independent auditors prompted many studies of financial reporting and auditing during the past two decades resulting in hundreds of recommendations to the accounting profession This report 1 identifies recommendations made from 1972 through 1995 and actions taken to strengthen accounting and auditing standards and the performance of independent audits of publicly owned companies required by federal securities laws and 2 identifies unresolved issues and determines their impact on the performance of independent auditors the setting of effective accounting and auditing standards and the scope of business reporting and audit services GAO found that although the accounting profession has made changes to improve financial reporting and auditing of public companies several major issues remain unresolved These issues include auditor independence auditor responsibility for detecting fraud and reporting on internal controls public participation in standard setting the timeliness and relevance of accounting standards and maintaining the independence of the Financial Accounting Standards Board The appendices to this report can be found in

GAO AIMD 96 98A **The Accounting Profession** ,2002-10 Report after the sudden failure of Enron Corp Concerns the status of recommendations made by the Panel on Audit Effectiveness PAE to enhance the accounting profession s self regulatory system The accounting profession maintains a voluntary self regulatory system that includes establishing and monitoring compliance with professional standards disciplining members for improper acts and substandard performance and conducting oversight of the system The report determines the status of the recommendations by the PAE to address limitations of the self regulatory system and identifies any gaps in actions taken to implement the Panel s recommend and their likely impact on overcoming the limitations of the self regulatory system **Current Issues Before the Financial Accounting Standards Board** United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Commerce, Trade, and Consumer Protection,2001 **The accounting profession status of panel on audit effectiveness recommendations to enhance the selfregulatory system** ,2002 The accounting profession maintains a voluntary self regulatory system through the American Institute of Certified Public Accountants AICPA that includes establishing professional standards monitoring compliance with professional standards disciplining members for improper acts and substandard performance and conducting oversight of the system You expressed concern about the effectiveness of the self regulatory system and whether the Panel s recommendations would be implemented fully Specifically you requested that we

- 1 determine the status of the Panel s recommendations to address limitations of the self regulatory system and
- 2 identify any gaps in actions taken to implement the Panel s recommendations and their likely impact on overcoming the limitations of the self regulatory system identified by the Panel
