Achievement Of Graham Greene:

The Achievement of Graham Greene Grahame Smith, 1986 *A Preface to Greene* Cedric, M.A. Ph.D. (Professor) Watts, 2014-09-25 Lively informed and thorough this survey of the life and works of Graham Greene opens with a biographical account setting the writer in context of his times and describing and exploring the influences tensions and contradictions that occur throughout his work The second half of the book devotes itself to the art of Greene discussing his writing techniques recurring themes and imaginative preoccupations Within this section thorough critical analyses are given of three works Brighton Rock The Power and the Glory and the film The Third Man The book concludes with a reference section which comprises a gazeteer a biographical list and a bibliography Suggestions for further reading and a list of films encourage the student to explore the works of Greene more widely The Cambridge Companion to English Novelists Adrian Poole, 2009-12-10 A survey of the most important British novelists of the past 250 years for students of British fiction

Postmodern Fiction and the Break-Up of Britain Hywel Dix, 2011-11-03 A monograph analysing the symbolic role played by contemporary fiction in the break up of political and cultural consensus in British public life **The Catholic Revival in English Literature, 1845-1961** Ian Turnbull Ker, 2003 A thorough study of the six principal writers of the Catholic revival in English Literature Newman Hopkins Belloc Chesterton Greene and Waugh Beginning with Newman s conversion in 1845 and ending with Waugh s completion of the trilogy The Sword of Honour in 1961 this book explores how Catholicism shaped the work of these six prominent writers Ian Ker is a member of the theology faculty at Oxford University He is well known as one of the leading authorities on the life and work of Cardinal John Henry Newman *Fathers and Mothers in Literature* Henk Hillenaar, Walter Schönau, 1994 Many people as a child dream of having other parents a gentler mother a kinder or stronger father a more illustrious family According to our secret dreams were not most of us born sons or daughters of a king a president a champion Freud termed this the Family Romance We all carry these secret scenarios in ourselves Usually they are long forgotten but nevertheless remain alive in the stories we tell ourselves and relate to others Therefore the Family Romance is one of the keys to the understanding of literature The French literary critic Marthe Robert developed a fundamental theory of Freud In 1972 she presented in her publication *Origins of the Novel* a new method to analyse the novel and to understand its history Her study offers a proof of the relevance of Freud s views and it invites us to expand on its ideas and suggestions It is in this perspective that the authors of this volume write about the historical and mythical figures Mary Medea Electra Kaspar Hauser and Sir Gawain Other articles are devoted to the Family Romance in the works of the following authors Barthes Beckett Camus Drieu la Rochelle Faulkner Flaubert Goethe Claire Goll Jutta Heinrich Gombrowicz Greene Kafka L vy Modiano Petronius Sartre Vigny The 20th Century Go-N Frank N. Magill, 2014-03-05 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and

career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography *The Encyclopedia of Twentieth-Century Fiction, 3 Volume Set* Brian W.

Wandering through Guilt Paola Di Gennaro,2015-06-18 The first comprehensive study on the pattern of guilt and wandering in literature this book examines the relationship between the two complex concepts as they appear in twentieth century novels positing its methodological premises on archetypal criticism and both close and distant reading but also drawing on psychology anthropology mythology and religion This research deciphers a common paradigm and literary representation whose archetype within Western literature is found in the biblical figure of Cain while presenting a critical framework valid for boundary crossing comparative approaches From Graham Greene's *The Power and the Glory* and Malcolm Lowry's *Under the Volcano* to Wolfgang Koeppen's *Death in Rome* and Oka Sh hei's *Fires on the Plain* this book is not merely a thematic study but an analysis of the literary phenomena that appear in those novels where the sense of guilt is controversially subjective or so collective as to be perceived as universal as is often the case with war and postwar literature Di Gennaro goes beyond the analysis of explicit rewritings of the story of Cain in order to uncover the monomyth through its rhetorical structures and mythical methods The wasteland with no religion the lost abandoned garden the classical and religiously corrupted city and the tropical cannibalistic island at war are the respective settings of these narratives where the issue is neither homelessness nor journeying but rather the desperate and futile movement toward self consciousness or self destruction After the Second World War much was silenced rather than left unsaid This study retraces those silent cries over history through the powerful literary marks of myths **Great Achievements by African-American Women vol II** Henry Epps,2012-08-29 Great achievements by african american women is the second installment into this series highlighting the

many achievements by outstanding african american women in america Hitler's Man in Havana Thomas Schoonover,2008-09-12 When Heinz L ning posed as a Jewish refugee to spy for Hitler s Abwehr espionage agency he thought he had discovered the perfect solution to his most pressing problem how to avoid being drafted into Hitler s army L ning was unsympathetic to Fascist ideology but the Nazis tight control over exit visas gave him no chance to escape Germany He could enter Hitler s army either as a soldier or a spy In 1941 he entered the Abwehr academy for spy training and was given the code name Lumann Soon after L ning began the service in Cuba that led to his ultimate fate of being the only German spy executed in Latin America during World War II L ning was not the only spy operating in Cuba at the time Various Allied spies labored in Havana the FBI controlled eighteen Special Intelligence Service operatives and the British counterintelligence section subchief Graham Greene supervised Secret Intelligence Service agents and Ernest Hemingway s private agents supplied inflated and inaccurate information about submarines and spies to the U S ambassador Spruille Braden L ning stumbled into this milieu of heightened suspicion and intrigue Poorly trained and awkward at his work he gathered little information worth reporting was unable to build a working radio and improperly mixed the formulas for his secret inks L ning eventually was discovered by British postal censors and unwittingly provided the inspiration for Graham Greene s *Our Man in Havana* In chronicling L ning s unlikely trajectory from a troubled life in Germany to a Caribbean firing squad Thomas D Schoonover makes brilliant use of untapped documentary sources to reveal the workings of the famed Abwehr and the technical and social aspects of L ning s spycraft Using archival sources from three continents Schoonover offers a narrative rich in atmospheric details to reveal the political upheavals of the time not only tracking L ning s activities but also explaining the broader trends in the region and in local counterespionage Schoonover argues that ambitious Cuban and U S officials turned L ning s capture into a grand victory For at least five months after L ning s arrest U S and Cuban leaders J Edgar Hoover Fulgencio Batista Nelson Rockefeller General Manuel Ben tez Ambassador Spruille Braden and others treated L ning as a dangerous key figure for a Nazi espionage network in the Gulf Caribbean They reworked his image from low level bumbler to master spy using his capture for their own political gain In the sixty years since L ning s execution very little has been written about Nazi espionage in Latin America partly due to the reticence of the U S government Revealing these new historical sources for the first time Schoonover tells a gripping story of L ning s life and capture suggesting that L ning was everyone s man in Havana but his own British Fiction and the Cold War A.
