Cheadle,2018-08-09 Listened to by huge congregations in Britain and perhaps the most recognizable British Methodist voice in the mid twentieth century W E Sangster was in anyone s estimation a giant of Methodism A preacher without peer in the world a prince of preachers are just two of the labels attached to this preacher theologian of the Methodist tradition This volume captures the preaching of Sangster in his prime on the occasion of the 1956 World Methodist Conference in Junaluska North Carolina Cheadle s research brings into the public domain ten sermons nine previously unpublished in this form delivered by Sangster at that great gathering of World Methodism These sermons being transcripts from recordings picked up Sangster in the raw at his most powerful engaging with his listeners This book is a resource therefore that aids students of homiletics and pastors in encountering a master at work without the editorial polish of his extant sermons The sermons on aspects of Christian holiness would be Sangster s first and last sequential series on the subject placing before the reader some of his most mature thought on holiness and its application in daily life **How Effective Sermons End** Ben Awbrey,2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher s greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness How Effective Sermons End provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light

Preaching in High Definition Dr. Ryan Mustered,2025-05-29 Our enemies the world the flesh and the devil are ravaging humankind like biological weapons You hold the antidote the Word of God The only challenge is convincing stubborn humans to take the antidote As a warrior you will have to use every weapon in your communication arsenal We live in a high definition culture Video audio pictures and crystal clear messages flood our eyes ears minds and hearts Social media the internet television radio and printed content have the potential for either great good or great evil So what is high definition preaching It is simply this clearly communicating God s word to transform lives using every weapon the Lord

provides God's word is living and active sharper than any two edged sword Hebrews 4:12 So why are some preachers able to brandish it like a lightsaber but others seem to swing it around like a butter knife Why do some sermons come across like a fuzzy 13 inch black and white analog TV buy it now for 10 at Goodwill while other sermons come alive like your buddy's new 75 inch Neo QLED 8K TV buy it now on Amazon for 1,998 That's the difference that high definition preaching makes The child of God preaching the Word of God with clarity empowered by the Spirit of God will be an effective weapon in this battle for the souls of humankind It's time to level up and put some new weapons in your communication arsenal We have to preach in high definition to reach a high definition culture Evangelistic Preaching Lloyd M. Perry, John R. Strubhar, 2000-02-05
