From the Clinics to the Capitol Carol Mason,2025 Over the course of the past few decades the right wing politics of abortion have centered on the idea that America is a white Christian nation whose government protects its enemies While these politics profess these ideals they also decry that America has been deprived by Black criminality and welfare dependency and preyed upon by a genocidal state authorized abortion industry Drawing on primary sources from antiabortion militants white supremacists and pro life women from the 1970s to the present right wing studies scholar Carol Mason shows how white nationalism and authoritarian populism have for decades made inroads in the American imagination under the guise of opposing abortion Bringing white poverty and precarity into revealing dialog with right wing organizing religion and race thought

From the Clinics to the Capitol elucidates the disturbing reality of US politics today

Crash! Phillip G.
