Cornelius has compiled a careful account of these nation to nation treaties in large part in the words of those Indigenous leaders who served as the voices and representatives of their nations Drawing on a rich collection of primary sources Cornelius walks readers through how why and for whom these treaties were made and how the federal government's failure and unwillingness to acknowledge their legitimacy led to the further loss of Indigenous lands The living documents transcribed here testify to the complexity and sovereignty of Indigenous governance then and now making this volume a vital resource for historians and an accessible introduction to Indigenous treaty-making in Wisconsin Winner of the 2024 Wisconsin Historical Society's Book of Merit Award Finalist for the 2023 Foreword INDIES Book of the Year Award for Adult Nonfiction History
