Fallgatter,2017-01-19 It is an interesting topic to discuss addiction and love in the context of reward In this e book we begin with an animal study of comparison between drug and natural reward Then some papers aim to understand the reward

system underlying behavioral addiction focusing on technology for example Internet addiction and mobile phone dependence The third part of this e book addresses the topic of love Considered as a whole this e book demonstrates that drug and behavioral addictions are frequently related with negative consequences while romantic love is related with a positive consequence That s why romantic love may be considered as a natural addiction We think that the notion of romantic love as a positive addiction may offer a new view for future research in the field DESIRE OR GUILT Lamiya Siraj,2022-10-11 His burning desires flowing with emotions led him to strive for anything beyond the ordinary The mission of enthusiastic passionate Ryan was to be successful and leave the middle class tag behind He was happily married to the girl of his dreams until Covid 19 happened and disaster took over His wife was a front line fighter during the pandemic He with work from home in the lockdown decided to join an online course to enhance his knowledge and skills and climb the ladder of success adding a feather to his resume But little did he know that despite being madly in love with his wife he would get attracted to his classmate during the course turning his life upside down Would she be His Lesson or His Forever Check it out for yourself This is a story about perfect people with imperfect situations *Love's Mystery Solved* Joseph A. Smith,2006-08 Literally all healthy relationships will benefit by understanding and appreciating this historically first true clarification of love eliminating confusion over what it is and how to find and build upon it This useful descriptive definition of love is invaluable for those interested in increasing the success of any relationship One of a host of interesting insights is that genuine love is more than emotion Janet Ackerman Smith BSN MA MS During a fifty year ministry this is one of my very few absolute endorsements because Dr Joseph Smith has put together a manuscript of such thoughtful and practical concern Most of the books on the counters of our local bookstores are not of the same caliber that he offers Reading this manuscript was for me an adventure of discovery I find his book not only fulfilling but exciting The organization quickly brings the reader to an appreciation that love defined can really have an impact on not only the way we understand and then react with others but how we may do this responsibly This is the secret genius of this book Reverend William J Murphey *Nietzsche's Voices* John Sallis,2023-01-17 Nietzsche s Voices a much anticipated volume of the Collected Writings of John Sallis presents his two semester lecture course on Nietzsche offered in the Philosophy Department of Duquesne University during the school year 1971 72 Nietzsche is easy to read his is apparently the easiest of all the great philosophies Yet the easy intelligibility is deceptive Nietzsche s writings make us believe we have understood when in fact we have not His philosophy is actually the exact opposite of easy says Sallis With this warning always in mind Sallis first discusses Nietzsche s life and the relevance of the ancient Greeks to his thought and then analyzes Nietzsche s views on truth history morality and the death of God The entire second half of the book is devoted to Nietzsche s main work the tragic comedic poetic Thus Spoke Zarathustra Nietzsche s Voices offers a sensitive and brilliant introduction to the thought of Friedrich Nietzsche as presented by one of today s most significant philosophers The Lioness in Bloom Susan Fulop Kepner,2023-07-28 Kepner s selection shows the many ways fiction has
