Dancing Under the Moon Celia Anderson, 2025-05-17 An engaging totally relatable and feel good read from TOP TEN bestselling author Celia Anderson Celia tells a story with warmth and heart you'll be rooting for her wonderfully vivid characters and want them to be your friends too Fiona Gibson Forty something Molly is starting to realise with growing

horror that life isn't just passing her by it has completely gone without her. Her husband, four children, and large collection of animals are chaotic and demanding, and her job as a playgroup assistant has lost its power to inspire her. When temptation strikes and Molly is desperately attracted to the charismatic village headmaster, she is outraged to discover that her husband Jake has beaten her to a fling and even worse has done this with one of Molly's closest friends. With the whole family plunged into turmoil for a variety of reasons, Molly is forced out of her comfort zone to make decisions that will affect her marriage, her children, her parents, and her friends. Can she reclaim her life and learn to love it again as she does so? This warm, wise, and thought-provoking novel is perfect for fans of Milly Johnson, Cathy Bramley, and Judy Leigh. Following a lead south to find a missing female shifter, Greer and Calder land in the middle of unfamiliar territory: Enigma Falls, South Carolina. To be exact, everything there seems innocent enough until their questions begin to ruffle fur, and their oddball waitress at the local diner has a meltdown. Leaving Greer covered in an order of chili cheese fries and obsessed with one curvy but clearly unstable woman, Lily Hale fled to the small southern town to get as far away from her bleak Alaskan backwoods family as she could. All she wants is a little color in her life and a taste of freedom. Getting involved with a wolf shifter seems like the last thing she should do. Except she kissed him, and now he won't go away. She also can't shake the feeling her life is about to implode. Is Greer the kind of man who'd stand up to her family of savage werebears and protect her? Or just maybe she can become the woman who stands on her own. *Seven Voices*. North Fork Writers Group, 2022-03-23. I picked up this book out of curiosity; I found I couldn't lay it down.
