Crazy Man Michael:

Crazy Man Michael Jim Lusby, 2011-11-03 McCadden is hotly tipped to take over the all Ireland Murder Squad but that's before an unholy mess lands on his own doorstep The Irish Minister for Justice is about to reform the Murder Squad an elite unit with exclusive responsibility for investigating homicides throughout the Irish state Its first investigation is expected to centre on a cluster of unsolved murders of women and DI Carl McCadden currently stationed at Waterford is hotly tipped to lead the new unit Unfortunately in the weeks leading up to this prestigious assignment an old acquaintance an undercover cop named Rookie Wallace turns up on McCadden's patch in a bad state and with a bizarre story While on undercover work in a block of Dublin flats Wallace and the small time pusher he was cultivating stumbled on a body with the head stove in Next day Wallace saw a photograph of the dead man in the papers along with a report that he had drowned in County Waterford two hundred miles from where Wallace found him The day after Special Branch men tried to kill Wallace It's obvious that Wallace has stumbled into some heavy stuff particularly when the official line turns out to be that Wallace has gone rogue and thrown his lot in with the villains he was supposed to be infiltrating McCadden knows that the smart thing to do is stay out of it and keep his nose clean for a few weeks until he's landed the big job especially when he realises that the Minister for Justice his soon to be boss is showing signs of misusing his privileged position Crazy Man Michael is the fourth in Jim Lusby's complex subtle and compulsive McCadden mysteries

Electric Folk Britta Sweers, 2005-01-13 In the 1960s and 1970s a number of British musicians rediscovered traditional folk ballads fusing the old melodies with rock jazz and blues styles to create a new genre dubbed electric folk or British folk rock This revival featured groups such as Steeleye Span Fairport Convention and Pentangle and individual performers like Shirley Dolly Collins and Richard Thompson While making music in multiple styles they had one thing in common they were all based on traditional English song and dance material These new arrangements of an old repertoire created a unique musical voice within the popular mainstream After reasonable commercial success peaking with Steeleye Span's Top 10 album All Around My Hat Electric Folk disappeared from mainstream notice in the late 1970s yet performers continue to create today In Electric Folk The Changing Face of English Traditional Music Britta Sweers provides an illuminating history and fascinating analysis of the unique features of the electric folk scene exploring its musical styles and cultural implications Drawing on rare historical sources contemporary music journalism and first hand interviews with several of electric folk's most prominent artists Sweers argues that electric folk is both a result of the American folk revival of the early 1960s and a reaction against the dominance of American pop music abroad Young British folk rockers such as Richard Thompson and Maddy Prior turned to traditional musical material as a means of asserting their British cultural identity Yet unlike many American and British folk revivalists they were not as interested in the purity of folk ballads as in the music's potential for lively interaction with modern styles instruments and media The book also delves into the impact of the British folk rock movement on mainstream pop American rock music and

Lost In Yesterday R.W. Glaser, Wayward Daughter Sophie Parkes, 2012 Eliza Carthy is the daughter of Martin Carthy and Norma Waterson The clan has often been rightly described as folk's royal family Martin was in Steeleye Span Albion Dance band and the Watersons as well as holding down a successful solo career Norma was a member of the Watersons folk group Perhaps it was inevitable that Eliza would follow the family trade and become a folk musician She is no pale imitator though and can play just about any stringed instrument like a virtuoso though amazingly she underrates herself This self doubt seems at odds with the public persona of a brassy northern lass who has sometimes been described as difficult though not in our experience Her albums are exceptional slices of traditional and new folk but the stage is her natural home enthralling audiences with a blend of folk jazz rock and music hall 2011 saw her win two out of the three categories she was nominated for in the Radio 2 British Folk Awards to swell an already bulging trophy cabinet At 35 years of age it seems apt to chronicle the first half of an eventful life In addition to extensive interviews with Eliza herself the book contains interviews with her parents and other family members and also many of the people Eliza has worked with Billy Bragg comedian Stewart Lee Richard Thompson Vandyke Parkes and many more were fulsome in their praise of Eliza when interviewed She has toured America with Joan Baez Eliza has an extensive collection of photographs that people have taken of her and she has been exceptionally generous in letting us use them
