Create Yourself An Experience Waiting Just For You:

Unlocking Your Soul's Consciousness Terry L Newbegin, 2019-04-29 You have been programmed for centuries to come from a rational persuasive and susceptible mind when it comes to understanding God yourself where you come from why you are here on earth and who created you You do not realize that you were personally part of the story of creation written by the prophets in Genesis It is just that you have forgotten because of your many lifetimes on Earth So allow yourself to open up to what you have been taught about God Unlocking Your Soul's Consciousness is a groundbreaking book that takes you all the way back to the first creation known as the Garden of Eden and how it relates to your own evolution as a god in your own right When you live and make choices from the mind of reason from others long established interpretations of God's written words and from what the experts assert what is best for you your soul cannot bring forth the wisdom that you hold deep within your consciousness Thus you become more and more susceptible to turbulent experiences If you are looking for clarity in life and how to overcome your suffering pain and anger then it becomes very important to understand who you truly are where you truly come from how miracles are created and why you do the things you do Without realizing it your soul has been hiding from you for many lifetimes and by choosing to open your heart and mind putting aside your dogmatic beliefs for a while your soul will reveal all the whys of you choosing sin physicality earth forgetfulness and suffering as the means to remember who you are Know that being aware of who you truly are is more important than all the treasures education and power in the world
