

VALUE CREATION DIMENSIONS

Creating Environmental Business Value

Don Argus, Danny Samson

Creating Environmental Business Value:

Creating Environmental Business Value Stephen Poltorzycki, 2001 This book examines the two shades of green that are business and values While the former constitutes the colour of money as a means of measuring business value the later concerns those things a company does to have less impact on the environment The purpose of this text is to explain how these two values can be merged enabling those

Creating Business Value and Competitive Advantage With Social Entrepreneurship Iyigun, N. Oyku, 2018-07-20 The field of social entrepreneurship is attracting attention from multiple industries Social entrepreneurs are responsible for finding ways to creatively contribute to society by providing affordable products and services Creating Business Value and Competitive Advantage With Social Entrepreneurship is a useful scholarly resource that examines the broad topic of social entrepreneurship by looking at relevant theoretical frameworks and fundamental terms Focused on topics such as creating business value promoting social entrepreneurship and enacting programs of social change this book provides the latest research and practical solutions concerning social entrepreneurship The source proves valuable to academicians researchers entrepreneurship practitioners and individuals interested in learning more about social entrepreneurship

Sustainable Value Chris Laszlo, Patrick Cescas, 2017-09-08 A small but influential group of mainstream global industry leaders are now reinventing the role of business in society They are shifting the focus away from minimizing negative impacts to offering new solutions to global problems that the public sector has been unable to tackle alone In this new competitive environment societal challenges such as climate change or the alleviation of global poverty are not only risks but huge business opportunities not only for niche players but for mainstream business These leaders are creating Sustainable Value They are creating it through the provision of value to both their shareholders and their stakeholders an ever growing list of diverse constituents impacted by the social environmental and financial performance of global business In short they are doing well by doing good In this outstanding book Chris Laszlo defines illustrates and shows how business can action Sustainable Value in three profoundly different ways First a management fable looks at the experiences of a dynamic business leader as she grapples with the new business realities of managing stakeholder as well as shareholder pressures Second with the real thing inside stories from some of the largest corporations in the world that are successfully integrating sustainability into their core activities not only from a sense of moral correctness but because it makes good business sense And finally with frameworks tools and methods that will make sustainable value creation concrete for business practitioners everywhere This book is a masterful synthesis part novel and part executive briefing a refreshing kind of prophetic pragmatism helping leaders anticipate and see the future in the context of the actual In Sustainable Value Chris Laszlo speaks with resounding clarity to the living challenges the real dilemmas and haunting questions of CEOs everywhere

Business Value and Sustainability Ki-Hoon Lee, Stephan Vachon, 2016-08-17 This book connects business sustainability to supply network based value creation and enhancement and tests a number of key

propositions in complex supply networks to identify key challenges Examining practical issues such as carbon trading green product development worker safety child labour and relations with local communities Business Value and Sustainability advances the understanding of sustainability in supply network management In presenting a supply management perspective including a tighter control of the supply base and the development of supplier capability through collaboration with NGOs the authors contribute to both the theoretical advancement and practical development of this field The book aims to raise the sustainability standards of businesses in an increasingly complex and inter and intra connected global supply network

Managing IT Performance to Create Business Value Jessica Keyes, 2016-09-15 Managing IT Performance to Create Business Value provides examples case histories and current research for critical business issues such as performance measurement and management continuous process improvement knowledge management risk management benchmarking metrics selection and people management It gives IT executives strategies for improving IT performance and delivering value plus it guides them in selecting the right metrics for their IT organizations Additionally it offers knowledge management strategies to mature an organization shows how to manage risks to exploit opportunities and prepare for threats and explains how to baseline an IT organization s performance and measure its improvement Consisting of 10 chapters plus appendices the book begins with an overview of performance based strategic planning after which it discusses the development of a quality improvement QI plan establishing benchmarks and measuring performance improvements It covers how to design IT specific measures and financial metrics as well as the establishment of a software measurement program From there it moves on to designing people improvement systems and discusses such topics as leadership motivation recruitment and employee appraisal The final few chapters show how to use balanced scorecards to manage and measure knowledge based social enterprising and to identify analyze and avoid risks In addition to covering new methods and metrics for measuring and improving IT processes the author looks at strategies for measuring product development and implementing continuous innovation The final chapter considers customer value systems and explains how to use force field analysis to listen to customers with the goal of improving customer satisfaction and operational excellence **Creating Business Value with**

Information Technology Namchul Shin, 2003-01-01 Addressing questions raised by managers and researchers over the last decade on the business value of information technology IT this book provides business professionals with a more precise rationale for making IT investments by detailing how computerization does not automatically create business value but is one essential component that should be coupled with organizational changes such as new strategies new business processes and new organizational structures **Strategic Leadership for Business Value Creation** Don Argus, Danny

Samson, 2021-01-13 This book focuses on leadership and strategy corporate governance operational excellence and corporate social responsibility In doing so it offers both conceptual perspectives and case studies on these topics that are targeted at business executives who want to develop and mature towards being successful value creators in their leadership roles

Authored by the former CEO of National Australia Bank NAB Don Argus and business school professor Danny Samson the book provides insights on the strategic leadership factors that make a significant and positive difference when they are executed effectively and in contrast what happens when ineffective leadership strategy are deployed It proposes and illustrates core leadership axioms and also delves into sustainable development as an element of strategy The authors do this by developing and illustrating core concepts that relate to the two major case study companies of NAB and BHP Readers will be particularly interested in the core elements of leadership and strategy and the grounded reality of how they operated in the case studies The authors bring insiders and leaders perspectives to these topics including tables that document shareholder value creation and the logic behind strategic decisions as well as key organisational leadership and strategic decision processes

Becoming a Sustainable Organization Kristina Kohl, 2016-04-21 Organizations find that a performance gap exists between sustainability vision and benefits realization Effecting transformational change requires incorporating sustainability into organization s culture including policies processes and people Although they are often overlooked project management professionals and HR professionals are valuable

Creating Environmental Business Value Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Creating Environmental Business Value PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Creating Environmental Business Value PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of Creating Environmental Business Value free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Creating Environmental Business Value Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
