Prioritising Business Processes Jens Ohlsson, Shengnan Han, 2017-11-08 This book addresses business process prioritisation a problem in Business Process Management research that is often ill structured and complex The book

introduces and describes the Prioritisation and Categorisation Method PCM a novel approach well aligned with today's business needs and climate. It embraces an explorative approach to facilitating process innovation and designing new processes in dynamic environments. Three classic theories are employed as the basis for PCM and summarised here: Ackhoff's interactive planning, Winograd and Flores network of commitments, and Simon's bounded rationality. In addition, the book features a tutorial on a web-based tool that facilitates the application of PCM together with two industry case studies that illustrate the method in practice and demonstrate its value.

Qualitative Approaches to the Social Psychology of Populism Inari Sakki, 2025-01-24. This edited volume presents a social psychological exploration of populism and provides a unique qualitative understanding of the phenomenon's appeal, bringing together an international mix of experts to interrogate populist attraction worldwide. Featuring contributions from Finland, Greece, and Switzerland, the book offers nuanced theoretical, methodological, and empirical approaches for understanding populism, with chapters investigating topics such as populist communication, lay discourse, social representations of the elite and the people, and the mobilisation of young people. Unmasking the persuasive appeal of populism, the book provides examples of qualitative approaches within social, cultural, and political psychology. It draws from established theoretical traditions such as social representations theory and social identity theory, as well as critical discursive approaches, to demonstrate how to study complex relational phenomena such as populism. With its novel inclusion of innovative qualitative methods for examining the social psychology of populism, providing a useful toolkit for qualitative research across various societal and political topics, this book will appeal to scholars, postgraduate students, and researchers studying social and political psychology, communication, qualitative research methods, and political behaviour more broadly. The Open Access version of this book is available at www.taylorfrancis.com and has been made available under a Creative Commons Attribution Non-Commercial No Derivatives (CC BY-NC-ND 4.0) license.
