Most Evil Is Done by Good People Who Do Not Know That They Are Not Good Ferd L. Wagner, 2010-05 This book takes the view that Christian truth is the basis for all answers to social issues and that there are not two opposing but equal answers within Christian truth that are equally valid and equally acceptable to God Any so called truth or right that circumvents or undercuts the required sacrifices disciplines and self denial demanded by God in any given social or moral issue ceases to be truth ceases to be right the moment it becomes a force unto itself outside of or independent of the Scripturally required obedience Human history has shown over the millennia that when the letter and spirit of God s laws are not obeyed the truth is abused nations become confused and people are used Many of our political and social issues are rooted in our misplaced belief that tolerance inclusion equal respect for unequal truth and live and let live is the way to greater peace and prosperity They are all wrong Each individual government and nation is judged by their response to Christ The Christian nation or one which ascribes to being one is tasked to set the Christian standard as every nation s point of reference It is the Christian s duty to show that the valid rule of God s law the letter of God s law and the spirit of God s law are superior to any other alternative standard The biggest obstacle to Christianity today is the undisciplined misinformed and unfaithful lifestyles of professing Christians

The Church has become so indoctrinated in its aversion to any form of discrimination that it has placed a higher priority on keeping the peace by compromising than by keeping the truth by discriminating. By accepting a false peace and rejecting a hard truth that resists compromise it begets neither peace nor truth. An Impartial Exposition of the Evidences and Doctrines of the Christian Religion James Haines McCulloh, 1836 Foundations of the World Christian Movement: A Larger Perspective, Reader, **Exploring the Evidence for Creation** Henry M. Morris, 2012-09-01 In *Exploring the Evidence for Creation* Henry Morris III merges years of meticulous research alongside the latest findings of science to present powerful evidence that upholds the biblical account of the earth's beginnings. In response to the growing number of Christians who attempt to wed evolutionary theories with the biblical account of creation, Morris ably demonstrates the two worldviews are entirely incompatible. In this survey of the evidence for creation, he answers these crucial questions: What does the natural world teach us about creation? Can we observe evolution happening today? Can we believe in a Creator and still be true to science? Morris lays out evidence that is rational, scientific, and biblical. Readers will marvel as they discover the many ways that scientific research points with stunning clarity to a Creator and Designer whose glory is very much on display in the cosmos. The World and the Word: Making Sense of Social Science in an Age of Conflict, Opposition, and Grace Dr. Herbert L. Green Jr., 2017-08-24 Jesus' very presence as the New Testament age unfolded, 1st century A.D., engendered opposition, created conflict while ushering in grace. His ideas were considered radical. Why is this so? The NIV Archeological Study Bible 2005, NIV Student Bible et al., and corroborating Extra-Biblical evidence provide a context for the Word view about Jesus in Biblical history and supports aspects of the social and physical sciences in terms of cultural, socio-economic, political, historical, archeological, and philosophical/apologetics evidence. As the pages of this book unfold, there is an internal consistency with social science and The Bible. However, where such consistency appeared to diverge, this author attempts to filter out the noise by applying critical thinking criteria to a Worldview that may not be consistent with the Word view. The goal of this book, therefore, is to provide some exposition/Greek apologia of the Word and see how the World fits. Born-again Christians can be credible scientists and not compromise God's Word. After thoughtful reading, please send reflective comments to Dr. Herb Green Jr. at docgreen48@outlook.com. Paperbound Books in Print, 1991 **RELIGIOUS SYNCRETISM IN AFRICAN CHRISTIANITY** ISAAH OLUWAJEMIRIYE OLATOYAN, 2024-04-18 Christianity among the African people, whether on the soil of Africa or in diaspora, is perceived and defined differently by different people. For instance, among African traditional religious people and Muslims, Christianity is a foreign religion that must not be allowed to thrive in Africa. To several Africans who profess Jesus, Christianity is good, but it is not adequate and effective enough to handle all human needs. Still, among some Western Christians and missionaries, African Christianity is superficial and lacks total commitment to Christ. Of course, the Africans are a cultural people with profound religious inclinations. Their traditional religion, ATR, has tremendously shaped their worldviews and socioeconomic and political activities. Consequently, when

traditional Africans are converted to Christianity they do not break ties with their traditional religions completely The examination of relevant biblical texts on syncretism however reveals that God condemns the worship of many gods and places a curse on anyone who offers sacrifices to carved images and bows to them in worship Therefore this work investigates the root cause of religious syncretism among African people In the attempt to find answers to why the average African Christian finds it difficult if not impossible to abandon his her traditional religious belief systems completely to embrace Christianity the author concludes that unless the issues surrounding the African forgotten and secret covenants are exposed and decisively addressed in the light of biblical teaching syncretism will continue to be a stigma on the fabric of African Christianity Therefore to overcome the threats of syncretism in African Christianity there is a need to establish a sound theological and missiological framework that can address the problems associated with the African worldviews and belief systems This task must be carried out under the searchlight of Scriptures

The Bible and Alcohol Use Glen Striemer, 2020-04-18 What does the Bible have to say about drinking wine and alcoholic beverages What are the different Bible words used in the Hebrew and Greek to differentiate between fermented and non fermented wine Did Jesus create fermented wine at the wedding feast Author Glen Striemer brings clarity to this confusing and often misunderstood topic in the Bible He takes the reader on a thought provoking tour from the first pure fruits in the Garden of Eden to the drunken feasts of the Old Testament kings to the warnings of the prophets against wine to the use of wine and what it symbolized in the sanctuary service to the meaning of the Nazarene vow and to the use of wine in the communion service The effects of alcohol on various parts of the body are discussed along with a warning to Christians and about the use of wine and alcoholic beverages Alcohol has been the biggest curse and tool of Satan since creation The author challenges all Christians to remember they are now part of the royal priesthood forbidden to drink alcohol With God's help they are to live a sanctified life without alcohol in the days just prior to Christ's return

What the Bible Says About... Scott Dalton Myers, 2024-02-12 The Bible God's inspired unerring and infallible Word is truly His instruction manual for life and a moral compass for us all to live by It tells us what is good what is bad what is right and what is wrong Unfortunately many people believe that the Bible is no longer relevant today and was only applicable in biblical times The Bible itself tells us quite the opposite The issues and problems we face today are essentially the same as those faced by man in biblical times Human nature has not changed and God has not changed Only the times have changed The Bible has plenty to say about the issues

Crushing Conceptualism in Modern Christianity Andrew Michael Denny,2019-09-18 A heavy spirit of conceptualism has infiltrated the modern Christian establishments Our traditions philosophies theologies etc Everything our beliefs are built upon has been influenced by an elite world class system Have you ever felt like there has to be more to our placement in this world than going through the motions of the Sunday morning ritual called church More to this thing we call Christianity If so this book is what you have been waiting for A truth movement has emerged A remnant of modern Ark Builders endeavors to awaken those who are still asleep Every day we see evidence of what the Bible describes as spiritual

wickedness in high places Ephesians 6 12 Those who secretly govern our world have an agenda to unite and target professing Christians The motive is world dominance and the method is mind control to brainwash the mass into conforming to what is socially acceptable and politically correct But we are not ignorant of the enemy s strategies This book equips its readers with information exposing this deception as it bridges the gap between conspiracy theory and demonic activity You are about to open the door to a world you never knew existed a reality of which you never knew you were a part Prepare yourself Once you see you will never be able to unsee this realm again **A Credible Christianity** Walter Kania, Ph.D.,2010-06-17 A Syrian poet noted that The world holds two classes of men intelligent men without religion and religious men without intelligence A Nobel Prize winning physicist Dr Steven Weinberg said Religion is an insult to human dignity With or without it you would have good people doing good things and evil people doing evil things But for good people to do evil things that takes religion Could they both be right Or is it possible that we could have a Christianity that is intelligible believable and credible In order for that to be true we would need to rescue our traditional notions and practice of the Christian faith from its ancient fraudulent time warp We need to help it remove itself from the cultural trance in which it exists and the faulty beliefs which it holds We continue to survive on and promote an ancient discredited history of Jesus and the Church The secular and Biblical Scholarship of the last 200 years has been largely ignored in today s Christian beliefs and practices What we have today in Christianity is a distorted disfigured and fraudulent hero of the Christian faith We have numbed and parked our mental faculties regarding the historic knowledge of our religion and the truthful accurate and proper exercise or practice of our religion A Credible Christianity provides you with the best and latest scholarship behavioral research and psychological insight Galileo a hero of the Renaissance who was accused of sacrilege in his day said I do not feel obliged to believe that the same God who has endowed us with sense reason and intellect has intended us to forego their use Visit his website walterkaniaphd.com
