Our Journey Through Shattered Faith Mike Newton,2018-03-30 I started writing my feelings early in the morning after my daughter s death not knowing or imagining what our future would be I know many families suffer tragedies I decided to finish this book after 10 220 days from my daughter s death and more future tragedies in order to help families and individuals with sufferings in their lives They say that after the loss of a child 75 percent of marriages end up in divorce I hope from this book people will see the root cause and the remedy for their future I also wrote it to show people that God is the same today tomorrow and in the future We tend to lose track of ourselves after unimaginable losses This book took rivers of tears and didn t come together without the lessons that were taught to me and remembered from my deceased children This journey took me through my shattered faith and the road back I hope people will read and understand that a

shattered heart and mind can be healed to a degree that they will not forget the past but are able to find a brighter future
