Major General Ian Cardozo's book *Beyond Fear* contains stories that inform the reader that fear is not exceptional. It is common to all human beings. The question is: Do we face fear or run away from it? Through these thirteen stories, he reveals to the reader how military personnel conquer fear. He calls it "biting the bullet." Through the twists and turns of his stories, he brings out how honour, love, courage, trust, hope, faith, and loyalty help the soldier in his quest to conquer fear, and that these very qualities can help the reader deal with fear in their everyday lives. These stories also show that real life can sometimes be stranger than fiction.
