**Harper's Young People** ,1887      **Christian Register and Boston Observer...** ,1899      **Don't Bother To Dress Up** Maly Sayle,2020-08-11 Lizzie was an army child She went on to marry an army officer and believed a life of routine and order would follow But after 34 years of relatively happy married life she received the bombshell that her overweight balding husband was leaving her for a Polish woman 20 years her junior Within a month Lizzie was single penniless about to be homeless and very very angry It was also becoming obvious her mother was fast heading towards full dementia The stability and help that Lizzie had hoped to give her aging parents was heading out the window along with her husband's clothes and possessions After the sale of her home Lizzie moves into the spare room of her daughter Lucy's flat A situation somewhat complicated by Lucy at the same time setting up a sex party business For the next six months Lizzie shared the room with condoms sex toys and champagne When life could not seem to be any stranger Lucy then decided to sign her mother up on Times Encounters an on line dating service And then the fun really began It was time of chaos laughter tears and a lot of very interesting encounters      **Our games** Mary Hamilton (writer for children.),1874      **A Life of Bright Ideas** Sandra Kring,2012-02-07 A secret tore best friends Evelyn Button Peters and Winnalee Malone apart Now nearly a decade later a secret brings them back together Nine years ago Button and Winnalee began recording observations in their Book of Bright Ideas a tome they believed would solve the mystery of how to live a mistake free life Now it's 1970 a time of peace love war and personal heartbreak Button's mother is dead and her grieving father has all but abandoned his children Quiet thoughtful Button has traded college for a sewing job in her mother's bridal shop to help her Aunt Verdella raise her whirlwind six year old brother In Button's free time she writes letters to the boy she loved from afar through high school hoping he will come to love her as more than a friend Then like that magical Wisconsin summer of 61 Button is greeted with the wild gusty arrival of Winnalee Now a beautiful flower child Winnalee is everything Button is not She's been to Woodstock and enjoys free love but their steadfast bond of friendship is tested as Button begins to notice the cracks in Winnalee's carefree facade And then Winnalee's mother arrives with a surprise that Button never sees coming and the fiery determination to put things right in both families once and for all      Morality and the Market in Victorian Britain Geoffrey Russell Searle,1998 In this lively and interesting study G R Searle tackles the conundrum at the heart of Victorian life how could capitalist values be harmonized with Christian beliefs and with concepts of public morality and social duty Middle class Victorians who broadly welcomed industrial growth and embraced the doctrines of political economy were sensitive to the charge that theirs was a selfish and materialistic creed Consequently if public morality was to be reconciled with the market wage labour had to be distinguished from slavery investment from speculation and entrepreneurial acumen from dishonesty and fraud These ideas about citizenship and public virtue offered a greater challenge to rampant capitalism than any pressing need to alleviate poverty

Through its exploration of Victorian values this book provides lessons for all those engaged in the present day debate about the moral and social consequences of unleashing free market forces
