Driven To The Edge A Biblical Examination Of Suicide:

Driven to the Edge Randy Raynes, 1999 **Biblical researches, a tabulated analysis and investigation of 'the sacred writings.'** Vol.1 John Anderson (M.R.C.S.), 1893 *Death and Love* Julie Reshe, Todd McGowan, 2025-05-22 *Death and Love* brings together notable psychoanalytic and philosophical theorists to explore the connection between death and love. The book examines how these phenomena shape human existence and relationships challenging the conventional dichotomy between life affirming and death driven dimensions. The volume features contributions from international scholars who illustrate these ideas through various lenses including literature, film, and theology. The chapters consider the role of the death drive in shaping social bonds, the transformative power of love beyond individual existence, and the notion that both philosophically and psychoanalytically, love aligns with the realm of death. *Death and Love* will be essential reading for academics and students of philosophy, psychoanalysis, existentialism, theology, and psychology. It will also be of interest to psychoanalysts in practice and in training, and to all readers wishing to explore this thought provoking topic. **John the Baptist in Life and Death** Gary Yamasaki, 1998-11-01 In a narrative about Jesus, a character like John the Baptist would not be expected to play a role much beyond that of providing a baptism for Jesus. Yet the Matthaean narrator finds several other uses for John in the development of the narrative, not only while he is still alive but also after he is dead. In examining John's role, Yamasaki deploys an audience oriented critical methodology, an approach that chronicles the narrator's efforts to influence first time readers' experience of the narrative as they proceed sequentially through the text. He traces John's characterization as forerunner from a glowing introduction in ch. 3, albeit with a slight flaw in his ideological point of view on Jesus, through a progressive exacerbation of this flaw to a rehabilitation of John in ch. 11. As a result of this rehabilitation, the narrator is able to continue to use John in his role as forerunner in the second half of the narrative, even after John's death has removed him from the story line. **Strategic Threat: A Men in Uniform Christian Romantic Suspense** Laura Scott, 2023-08-17 A men in uniform Christian romantic suspense from USA Today Bestselling Author Laura Scott. Walking the line between danger and love. Targeted by a killer. While paying their last respects to her father, widower Shelby Copeland and her daughter Eva are targeted by a gunman during the graveside service. If not for staff sergeant Aiden Finnegan, they'd both be dead. Especially since they are found again at Shelby's home. Shelby teaches fourth graders; there's no reason for anyone to harm her. Unless this is related to her deceased husband or father. A young mother and her daughter should never be in harm's way, and Aiden is determined to keep them both safe. Yet it soon becomes clear that someone within the army national guard is responsible for these attacks and will not hesitate to kill anyone who gets in his way. Shelby has no love for the army, even less so now that the truth has been revealed. Is it possible for these opposites to find common ground and a future together? A men in uniform Christian romantic suspense featuring the Finnegan family of first responders who put their lives on the line for those they love. Fans of Lynn Shannon, Christy Barritt, and Lisa Phillips will enjoy this story. Empire's

"Born Again": A Portrait and Analysis of the Doctrine of Regeneration within Evangelical Protestantism Stephen J. Hamilton,2017-04-03 Stephen J Hamilton

attempts to create a portrait of born again Christianity by providing a general introduction to the doctrine of regeneration including its development in modernity as well as short exegeses of relevant scriptural texts followed by a close reading of four theologians Philipp Jakob Spener Jonathan Edwards Friedrich D E Schleiermacher and Charles G Finney who all associate the doctrine of regeneration with an experience of presence in the individual believer In light of these analyses he

then traces a general theological structure of the born again understanding of regeneration including a catalogue of theological issues over which there is significant disagreement in order to create a topography of born again theologies In the final section he applies these results to contemporary conversion narratives of non theologians It is in such conversion narratives the author argues that theologians can discover an implicit lived theology that reveals how doctrines are perceived and put into practice among Christians Accordingly this is to be understood as the result of the creative reciprocity between often tacit theological convictions and the experiences of the Christian life The final chapter as a coda to the entire work offers some concluding reflections on the present cultural and political situation in the USA pertaining to born again Christianity and argues against any oversimplifications of the relationship between born again theologies culture and politics
