Driving Over Lemons Chris Stewart, 2020-07-09 Meet Chris Stewart the eternal optimist A man who flies to Spain sees a peasant farm on the wrong side of the river and with scarcely a second thought hands over a cash deposit And then finds he has acquired not just the farm but the farmer too who has no intention of leaving Not to mention the lack of running water electricity or even a bridge It would be enough to send most people straight back home But Chris and his wife Ana are made of stronger stuff and besides they have sunk all their savings into their farm El Valero and buying a flock of sheep So there is no turning back Life gets tough but it also gets good *Driving Over Lemons* is that rare thing a funny insightful book that charms you from the first sun lit page to the last And one that makes running an Andalucian mountain farm seem like a half decent career move It has been a major bestseller both in Britain and Spain

Jamón and Halal Christina Civantos, 2022-05-03 Contemporary Spain reflects broader patterns of globalization and has been the site of tensions between nationalists and immigrants This case study examines a rural town in Spain s Andaluc a in order to shed light on the workings of coexistence

The town of rgiva s diverse population includes hippies from across Europe European converts to Sufi Islam and immigrants from North Africa Christina Civantos combines the analysis of written and visual cultural texts with oral narratives from residents In this book we see that although written and especially televisual narratives about the town highlight tolerance and multiculturalism they mask tensions and power differentials Toleration is an ongoing negotiation and this book shows us how we can identify the points of contact that create robust respect based tolerance This is a book that is both a personal account and a rigorous academic study It is a model for the kind of engaged humanistic work we are now beginning to see as a hallmark of the post theory moment and one that remembers the hard lessons of ethnographic fieldwork as well as the challenging foundational work from philosophically tinged theory Debra A Castillo Cornell University Filled with rich descriptions and interwoven personal anecdotes of both Civantos and her interlocuters that complement scholarly analysis Jessica R Boll Carroll University
