This book is about love hate disappointment and betrayal Eros is represented by Jack's love towards Nikita His attraction to Nikita embodies the force of love The counterpart was hate as Nikita's feelings were all directed to the opposite side killers of her father brother and ex boyfriends Philia and agape helped Jack get along with his destroyers and rivals Jack is also fond of people who do the right thing His case is an example of true forgiveness He saw Dick Gera and Juvenhack as human beings worthy of respect He forgave and loved the very people whose desire was not only to destroy his family but also to annihilate a group of people Though Jack never liked their actions since childhood he still treated them with kindness love and respect Jack's life was marked by a conflict between folly and resignation Folly is portrayed by evils of oppression and dictatorship of Evildoers who ruled the postcolonial Burundi The main character of Dickson Rushatsihori is presented as the symbol of evil the prototype of Evildoers He is a rigid and corrupted individual who would never wish peace to his fellow citizens Rather than seeing Burundians living in harmony with one another this proponent of the status quo would only wish evil chaos and anarchy to his country The theme of folly is also depicted in Jack's relationship with Nikita Chissocco It is illustrated by Nikita's betrayal of his love for her Nikita expresses her folly through abusive language domestic violence infidelities and her collaboration with Evildoers such as Dick Juvenhack Zim and Gera to destroy her husband's dignity Jack

was forced to a war for the liberation of his mind imprisoned in his own house He hoped that folly and resignation would eventually coil up He would not accept that his destiny was to suffer all his life Folly and resignation finally collided forcing Jack to defend his honor and dignity By breaking up with Dick and Nikita s folly he liberated himself from a heavy burden He pulled himself together to reconstruct his life with more strength and courage This captivating story is an account of one s life yet it will touch those of so many Not only does it bring into the fore the injustices of this world it also shows that no matter what life throws at us we all seek love and closeness with another human being **Before I Forget** Wynette Alexander-Greene,2011-09-07 My ancestors went to Guyana only English country in South America by boats from different continents My mother Indian father Negro ate the forbidden fruit I was rejected from conception amidst the hate and confusion Old enough to walk I became my older brothers Datson and Davids keeper They were mute deaf and later blind I was their ears mouth and later eyes Allegedly curse on my mother from her father for marrying a Black man Nothing stopped me from loving caring being proud of them Bigotry hatred ignorance engulfed my childhood in a providently Indian village We were dehumanized like animals freaks and slaves Even the good Madras people of Whim couldnt stop the horror of being Mixed In the house of silence practicing my vocabulary hearing on animals Am an animal lover till today Was told am Indian speak pray in Hindi and Sanskrit keep away from Blacks they eat Indian children with curly hair After ten this barefooted Indian found her other half Allowed to enter their homes gravitated and become a runaway Giant ants deepwater dunce cap ostracized Mommy died Cinderella abuse stopped when my dearest Uncle Bertram set me free on an elephant five dollar bill Like barnacle I clamped to the first man in freedom town He gave me three beautiful children when nothing left to clamp onto he forced me to fly without wings Flew to America cold homeless penniless A Stranger gave me some silver I slept under friends table a kind family made me and mine American Citizens No job was too many Goodwill perfect for low maintenance like us Education and focus 1 priority I thank forgive those haters who looked down at me they gave me the will to rise I have my David and for not eating my young God blessed me with six grandchildren **Being Here** Lindsey Brunette,2022-08-01 What if you lived your entire life by the plan you d laid out when you were thirteen years old Being Here Reflections on Life Love Faith and Turning Thirty tells one woman s journey from living the life she had planned to learning to live each day to the fullest A no holds barred look at author Lindsey Brunette s story of recovery from her own demons it asks the question Who am I if I am not This compelling memoir looks deeply at faith divorce self identity and the idea that we re all just doing the best we can A compulsively readable writer Lauren Miller author of Free to Fall Parallel and All Things New The Routledge Companion to Advertising and Promotional Culture Emily West,Matthew P. Racial Profiling Michael L. Birzer, 2012-11-14 Many racial minority communities claim profiling occurs frequently in their neighborhoods Police authorities for the most part deny that they engage in racially biased police tactics A handful of books have been published on the topic but they tend to offer only anecdotal reports offering little reliable insight Few use a qualitative methodological lens to provide the context of how minority citizens experience racial profiling Racial Profiling They Stopped Me Because I m places minority citizens who believe they have been racially profiled by police authorities at the center of the data Using primary empirical studies and extensive in depth interviews the book draws on nearly two years of field research into how minorities experience racial profiling by police authorities The author interviewed more than 100 racial and ethnic minority citizens Citing 87 of these cases the book examines each individual case and employs a rigorous qualitative phenomenological method to develop dominant themes and determine their associated meaning Through an exploration of these themes we can learn What racial profiling is its historical context and how formal legal codes and public policy generally define it The best methods of data collection and

the advantages of collecting racial profiling data How certain challenges can prevent data collection from properly identifying racial profiling or bias based policing practices Data analysis and methods of determining the validity of the data The impact of pretextual stops and the effect of Whren v United States A compelling account of how minority citizens experience racial profiling and how they ascribe and give meaning to these experiences the book provides a candid discussion of what the findings of the research mean for the police racial minority citizens and future racial profiling research Michael L Birzer was recently interviewed on public radio about his book Racial Profiling They Stopped Me Because I m

Political Mind Greg Power,2024-02-15 Why have efforts to strengthen quality of governance so often failed in some of the world s most troubled states Because they almost always ignore the human side of politics Drawing on his experience of working with hundreds of politicians in more than sixty countries Greg Power explores how social norms public expectations and the personal interests of MPs influence the path of political development Where states are weak politicians solve

problems by going around the state From Tanzania and Nepal to Iraq and Ukraine voters actually want MPs who can find informal fixes and a reciprocal logic holds the system in place But this also means that weak institutions tend to stay weak Combining insights from behavioural economics change management and comparative politics this fascinating book argues for a different approach to political reform one concerned less with institutional design and more with the existing logic of human behaviour One that starts inside the political mind and works outwards from there **Safety Review** ,1954
