Droppings from Heaven Irving Layton, 1979 **The Spiritual Use of an Orchard Or Garden of Fruit Trees** Ralph Austen, 1847 **Friendly greetings , Mother, Home, Heaven. A Collection of Poems. Edited by Mrs. J. P. Newman** Evangeline NEWMAN, 1872 **Bi-Curious Volume 3:** Natalie Weber, 2013-03-01 Serenity's days and nights may include the finer things in life but she never pictured it like this Her new surroundings come with limitations and expectations destroying everything that was decent and innocent about her Her soul is crushed and there are no familiar faces around to comfort her Memories of her past have led her into a bottomless pit of regret and hopelessness Carla's search for Serenity begins with nothing promising but her love for her sister keeps her pushing forward When her suspicions turn into actions she unknowingly triggers a chain of explosive events that threaten her sister's existence Cass throws caution to the wind and continues to do business as usual When his denial about Serenity creates coldness toward his sister Heaven he struggles with a life altering decision His twisted lies are catching up to him in the worst way Serenity is in over her head and sees only one way out Will she end it all and give up without a fight or will she be able to play the game of the streets and come out on top **Delivered** Rhabi Rites, 2014-04-22 Delivered is a story about a woman named Heaven who lived a double life Heaven known for her beauty defined herself as man's best friend as she secretly gave them their hearts desires But there was more to Heaven than she knew Not knowing her identity she hid herself in her fleshly abilities but later found that her identity was already defined she just had to see it **Heaven's Needle** Liane Merciel, 2011-04-26 The second book in an epic fantasy series featuring an inspired new world where unexpected plot twists bedevil strong clearly visualized characters in a story that glints with intelligence and hums with life Publishers Weekly starred review Six hundred years ago an unknown force destroyed one of the greatest fortresses in Ithelas slaughtering its defenders so swiftly that none survived to say what befell them Now in the shadow of those ancient ruins something malevolent is stirring Kelland a divinely blessed Knight of the Sun is charged with the duty of confronting the felled powers of the world But his only chance of stopping this evil may be to ally with another even as Bitharn his companion betrays their faith in the name of love Meanwhile three young novices from the Dome of the Sun accompanied by a scarred and taciturn swordswoman venture bravely but unwisely into the heart of danger seeking a holy artifact that they pray might end it And when their paths converge in Carden Vale a nightmare awaits Angels Velocity, 2011 *Dropping Out IV: Passing the Torch* Ned Johnson, 2017-04-14 Dropping Out IV Passing the Torch continues the journey of The Trespasser Killer Conrad Nevitt as he and long lost love now found Annie Satterly battle forces bent on power destruction and mayhem Conrad and Annie assist the infamous Cornbread Mafia in a struggle against an international criminal element that includes a trio of evil women to whom Conrad refers as The Ho Bag Three Along the way Conrad wrestles with the decision to retire and turn his power over to his genetically constructed daughter or a new strongman or both Dropping Out: Sequel to a Pre-kill Ned Johnson, 2015-11-21 This novel continues to
