Drugs Addiction And Initiation The Modern Search For Ritual:

Drugs, Addiction, & Initiation Luigi Zoja, Marc E. Romano, 1989 Luigi Zoja argues that the pervasive abuse of drugs in our society can in large part be ascribed to a resurgence of the collective need for initiation and initiatory structures a longing for something sacred underlies our cultures manic drive toward excessive consumption In a society without ritual the drug addict seeks not so much the thrill of a high as the satisfaction of an inner need for a participation mystique in the dominant religion of our times consumerism *Drugs, Addiction and Initiation* Luigi Zoja, 2000 Luigi Zoja argues that the

Modern Search for Ritual Luigi Zoja, Luigi Zoja argues that the pervasive abuse of drugs in our society can in large part be ascribed to a resurgence of the collective need for initiation and initiatory structures a longing for something sacred underlies our culture s manic drive toward excessive consumption In a society without ritual the drug addict seeks not so much the thrill of a high as the satisfaction of an inner need for a participation mystique in the dominant religion of our times consumerism A far reaching yet incisive cultural analysis The Modern Search for Ritual is a vigorous expos drawing its methodology from history literature and anthropology as well as Analytical Psychology From its critique of drug cures based on detoxification to its discussion of the esoteric terrorist cult of the Assassins Zoja s work is a classic in the field of psycho anthropology *Remaking Men* David Tacey, 2013-10-23 The nature of masculinity is a popular subject for contemporary authors either treated critically from a sociological standpoint or analysed from a psychological and spiritual perspective In Remaking Men David Tacey argues that we must strive to bridge the gap between these separate traditions masculinity should neither be hijacked by the spiritual Jung influenced men s movement nor discussed merely as a product of socio political forces Examining his own and other men s experience in a critical and lively discourse he evades the simplistic optimism of the inner journey approach and the chronic pessimism of contemporary academic arguments This is a fascinating and very accessible look at masculinity for those who want to explore self and society with intelligence and soul **Coming**

Clean Robert Granfield, William Cloud, 1999-11-01 Explodes the myth of the disease model of addiction Certain to ruffle the feathers of the multi billion dollar treatment industry Peter Adler University of Denver Despite the widely accepted view that formal treatment and twelve step groups are essential for overcoming dependencies on alcohol and drugs each year large numbers of former addicts quietly recover on their own without any formal treatment or participation in self help groups at all Coming Clean explores the untold stories of untreated addicts who have recovered from a lifestyle of excessive and compulsive substance use without professional assistance Based on 46 in depth interviews with formerly addicted individuals

this controversial volume examines their reasons for avoiding treatment the strategies they employed to break away from their dependencies the circumstances that facilitated untreated recovery and the implications of recovery without treatment for treatment professionals as well as for prevention and drug policy Because of the pervasive belief that addiction is a disease requiring formal intervention few training programs for physicians social workers psychologists and other health professionals explore the phenomenon of natural recovery from addiction Coming Clean offers insights for treatment professionals of how recovery without treatment can work and how candidates for this approach can be identified A detailed appendix outlines specific strategies which will be of interest to addicted individuals themselves who wish to attempt the process of recovery without treatment Relying on the actual words and experiences of recovering drug addicts Granfield and Cloud convincingly challenge conventional wisdom concerning how people can recover from their addictions A must read for even the most confident advocate of professional treatment Sanford Schwartz Virginia Commonwealth University

National Library of Medicine Current Catalog National Library of Medicine (U.S.),1989 Perspectives on Addiction Margaret Fetting,2011-12-05 Perspectives on Addiction presents a comprehensive rigorous and reflective overview of the complex and controversial field of chemical dependency It is designed for students and clinicians who come in contact with and treat individuals and families struggling with the causes and consequences of substance use disorders The user friendly approach to serious content encourages active participation in the learning experience and is designed to have a personal professional educational and treatment impact Readers will develop a novel appreciation for a human desire that pleasures confounds and destroys **Transforming Futures: The Brooklyn Program Facilitators ManualSecond Edition.** Richard Gray,2011-08-14 Transforming Futures the Brooklyn Program Facilitator s Manual Second Edition updates the First Edition manual for the award winning Brooklyn Program a new non confrontational approach to substance use treatment In its pages you will be led step by step through the procedures for recreating the program You will discover the logic that informs the procedures and clear descriptions of the tools from Neuro Linguistic Programming NLP that make it work The Brooklyn Program was used for seven years by the United States Probation Department in Brooklyn New York as a major treatment modality for substance use disorders Over that period hundreds of clients were treated who achieved high program attendance significant one year abstinence rates and significant levels of personal growth This new edition adds additional introductory materials on the nature of addiction more complete scripts and a complete index *Cultural Ecstasies* Ilana Mountian,2013 In this important contribution to the field Ilana Mountian critically analyses discourses surrounding drug addiction drug prohibition treatment and prevention and highlights new ways of understanding the role that gender plays in the ethics of drug use across cultures The book analyses the discourses of religion criminality and medicine and shows how they combined with key historical events affect our views of drug use and drug users based on gender race and class The book draws on research from a variety of fields to provide alternative conceptual and

methodological perspectives on the subject including critical theory gender studies post colonial studies psychoanalysis philosophy Cultural Ecstasies is an innovative study of drugs and addiction and will be of great interest to students researchers and professionals working in psychology sociology social work health care criminology and allied disciplines

Children and Adolescents in Trauma Kedar Nath Dwivedi,Chris Nicholson,Michael Irwin,2010-01-15 Children and Adolescents in Trauma presents a variety of creative approaches to working with young people in residential children s homes secure or psychiatric units and special schools and provides useful insights and a fresh perspective for anyone working with traumatised children and adolescents *The Book of Immediate Magic - Part 2* Jacobus G. Swart,2018-08 The Shadow Tree Series comprises a unique collection of Western Esoteric studies and practices which Jacobus G Swart spiritual successor to William G Gray and co founder of the Sangreal Sodality has actuated and taught over a period of forty years In The Book of Immediate Magic Part 1 Jacobus G Swart perpetuates the fundamental tenets of Self Creation in which it is maintained that the Centre establishes the Circumference and that personal reality is emanated in harmony with personal Will Hence this tome comprises an enhancement and expansion of the magical doctrines and techniques of Practical Kabbalah addressed in The Book of Self Creation The Book of Sacred Names and The Book of Seals Amulets Jacobus Swart claims that working Immediate Magic is neither impossible nor difficult when we fully understand that consciousness is just one vast ocean and that thoughts are the waves we make in it It is all a matter of coordinating consciousness **Building Recovery Resilience** Guy du Plessis,Derrik R. Tollefson,Robert Weathers,Kevin G. Webb,2024-05-30 A workbook for clients progressing through the Recovery Resilience Program featuring novel resources for successful addiction recovery **About Addictions: Notes from Psychology, Neuroscience and NLP** Richard Gray,2008-08-07 About Addictions provides a perspective for clear thinking about what to do rather than how to feel about addiction and addiction spectrum disorders Richard Gray provides the reader with data from Psychology Neuroscience and Neuro Linguistic Programming that will allow clear thought about the nature of these problems and what can be done As he says in his introduction this is a book to think with It is short on doctrine and long on practical information about the nature of addictions and the structure of motivations for change Gray provides information about diagnosis reports on studies that say something very important about addictive substances and research in neuroscience motivation and preference hierarchies He provides techniques and perspectives from Neuro Linguistic Programming to suggest some novel approaches to treating the problem Becoming Somebody Else Joshua Burraway,2025-05-31 What does it mean to exist outside the normative temporality of life of housed living and ultimately of selfhood Becoming Somebody Else takes up this question offering a window into the fragmented and chaotic lives of people experiencing homelessness in urban London as they drink and drug themselves into blackout in post austerity Britain A state of being where time body agency and self collapse into a memoryless abyss the blackout is a prism into how human beings make and unmake their selfhood in the wake of social suffering and personal trauma Attending to the words

and histories of several individuals Joshua Burraway knits together structural psychological and phenomenological approaches to understand the ways in which memory agency and selfhood are sites of struggle and belonging and in doing so suggests new ways of thinking about addiction homelessness and therapeutic possibility The Alchemy of Addiction Stephen J. Costello, 2024-08-01 Within this important book Stephen J Costello draws on Eastern philosophy Western psychology and wisdom traditions to offer an interpretation and answer to the multidimensional problem of addiction The nature of pleasure pain and attachment are discussed together with stress as a key source of our suffering Justifying and grounding the work is C G Jung s central insight that the solution to our disordered desires lies in cultivating a spiritual approach to life As such a detailed exploration of the Twelve Steps of recovery is elucidated from the threefold perspective of the philosophy of Advaita the Enneagram system and the Christian contemplations of Richard Rohr John Main and Thomas Keating as well as St Ignatius of Loyola The work concludes with a brief look at Platonic ethics especially the virtue of temperance St Benedict s spirituality of humility and the law of dharma as a blueprint for purposeful non addicted living This book will appeal to a wide variety of readers such as mental health professionals in the counselling and psychotherapy professions as well as students of depth psychology and philosophy **The Political Psyche** Andrew Samuels, 2015-09-21 What can depth psychology and politics offer each other In The Political Psyche Andrew Samuels shows how the inner journey of analysis and psychotherapy and the passionate political convictions of the outer world are linked He brings an acute psychological perspective to bear on public themes such as the market economy environmentalism nationalism and anti-Semitism But true to his aim of setting in motion a two way process between depth psychology and politics he also lays bare the hidden politics of the father the male body and of men s issues generally A special feature of the book is an international survey into what analysts and psychotherapists do when their patients clients bring overtly political material into the clinical setting The results including what the respondents reveal about their own political attitudes destabilize any preconceived notions about the political sensitivity of analysis and psychotherapy This Classic Edition of the book includes a new introduction by Andrew Samuels Life After Grief Darrelyn Gunzburg, 2004 Darrelyn Gunzburg explores how by using astrology we can learn to let go and encounter a changed future Qualitative Research in Practice Sharan B. Merriam, Robin S. Grenier, 2019-01-14 A practical introduction to qualitative research across fields and disciplines Qualitative Research in Practice offers a hands on introduction to qualitative research design methods data and analysis Designed as a companion text for any course involving qualitative research this book explores the different types of qualitative studies with relevant examples and analysis by the researchers themselves The workbook format makes it easy to use in the classroom or the field and the depth of information makes it a valuable resource for students of social work psychology counseling management education health care or any field in which qualitative research is conducted While quantitative research is primarily concerned with numerical data qualitative research methods are more flexible responsive and open to contextual

information To a qualitative researcher a situation is defined by the participants perspectives making it the primary method of inquiry for understanding social phenomena through the lens of experience This book introduces the essentials of qualitative research bolstered by expert analysis and discussion that provides deeper insight than a traditional textbook format would allow Understand the fundamental nature of qualitative research Learn how to accurately assess and evaluate qualitative research Explore qualitative research s many forms and applications Gain insight on qualitative research in a variety of fields and disciplines How does one codify an experience Is it possible to measure emotion in units Qualitative research fills the void where numbers cannot reach It is the best tool we have for studying the unquantifiable aspects of the human experience and it is an essential tool in a wide variety of fields Qualitative Research in Practice provides translatable skills in a practical format to quicken your transition from learning to using Demons on the Couch Michael J.

Sersch,2019-01-03 Belief in possession including from demonic forces has ancient roots and continues into the modern world especially among certain communities This has been shown in books movies places of worship and in the therapy office This book traces the global history of possession and looks at ways contemporary mental health professionals can help a person who believes themselves to be possessed Written especially for clinicians but interesting to a wide variety of readers this book uses a variety of disciplines including cultural studies psychology and personal experiences to try and understand the phenomenon from as wide a perspective as possible including interviews with exorcists from various backgrounds Both believers and sceptics will find this to be a fascinating study of a controversial topic Fiesta de diez pesos: Music and Gay Identity in Special Period Cuba Moshe Morad,2016-04-15 The Special Period in Cuba was an extended era of economic depression starting in the early 1990s characterized by the collapse of revolutionary values and social norms and a way of life conducted by improvised solutions for survival including hustling and sex work During this time there developed a thriving though constantly harassed and destabilized clandestine gay scene known as the ambiente In the course of eight visits between 1995 and 2007 the last dozen years of Fidel Castro s reign Moshe Morad became absorbed in Havana s gay scene where he created a wide social network attended numerous secret gatherings from clandestine parties to religious rituals and observed patterns of behavior and communication He discovered the role of music in this scene as a marker of identity a source of queer codifications and identifications a medium of interaction an outlet for emotion and a way to escape from a reality of scarcity oppression and despair Morad identified and conducted his research in different types of musical space from illegal clandestine parties held in changing locations to ballet halls drag show bars private living rooms and kitchens and santer a religious ceremonies In this important study the first on the subject he argues that music plays a central role in providing the physical emotional and conceptual spaces which constitute this scene and in the formation of a new hybrid gay identity in Special Period Cuba
